A NOVEL.

By Mrs. Slizaboth C. Winter.

baronet's cornet or crown, or what-ever it is called, engraved on his card. As a rule, I don't like that kind of foreigner, but the man has first-rate letters, and I think he's a good fellow, except a little crazy about his wife and very jealous. I think you may call, however.

think you may call, however."

"Thanks, uncle: I shall," said of the mesmerism and charryoyance of the land before the next day such at lands the acquaintance of Mrs. Helmholtz, and by the end of the week they were intimate friends. Like most of Olive (taye's friendships the initimacy was all on one side: She the intimacy was all on one side: she feet witch to him and had the magic listened while the other talked. It did not take this shread young woman very long to fill the spaces in the conversation of Mrs. Holmholtz; but lead been norrice hearly a year, when she asked no direct question. In the first place, it was always possible that direct questions might not be as-swered; and, besides, her passion for dramatic effect prompted her to "set the singe" in such a way that the ac-ters could not help taking up the curs and making the proper effect. Her success in the scene just enacted at

"He is a cool jami," she thought, "the Honorable Clarence. If I had not felt the sleed go through him when he first one Celestine, his of when he first was Celestine, has of frontery would have impored on me. What is the my fery between them? But I need not ask. Celestine is wild to tell me all about it and I need only wait till we are alsone in her from — \(\frac{1}{2}\), \(\frac{1}{2}\), \(\frac{1}{2}\) we are act the house. She must pay the currage. I have wild to tell me all about it still i need only wait till we are alone in her room — \( \lambda \), is a searcal the house. Sie must pay the entriage. I have furgitted my positions. I have such a memory! Ha! Ha! Lalways da forget my porkerbook.

Same kinde had filled him, too, but I never saw him, a me had seen him, and hore Gaye's anticipations, and by a judicious question occasionally and patient listening, she soon kines the mind of this superficial but fascinating young woman.

"It is seven years since I first met tarlos Mendorn, she said, "and I loyed him from the hom I beheld him, as I shall love the memory of him to the last moment of my life. He loved

had been married nearly a year, when

I was waiting for him in anger, for I had barned by this time that the man who had married by was not a real priest, and I was going to exte-pel Carlos to do me justice or else

the darger had gone through his heart till you could have touched the point on the other side! But I couldn't remember all that to night, in a moment, when I seemed to see him face to face again, alive and well before me. The first time, that night at the opera, I forgot to think at all; it was as it I had met his spirit in a dream. Then I began to to member; and as he was so far away and I might be deserving myself, I afterward persuaded myself it must have been a

in the same inquity new, and Mr. Helms in the control of the contr ingst saw me, and then he came every night. He was only a cow-box, but his father had belonged to the real Spanish aristocracy, his name was Mendoza, and there is a wonderful treasure belonging to the Mendoza family hidden somewhere in Call-fornia. That was what attracted Carlos to our show. He had heard had been narried nearly a year, when we reached the mining lown on the night I am going to tell you of: the show was over, and we had just raked in the dust—I mean the mency you see how it takes me back to those days. And I was waiting for Carlos.
