

# Your Hair

"Two years ago my hair was falling out badly. I purchased a bottle of Ayer's Hair Vigor, and soon my hair stopped coming out."

Perhaps your mother had thin hair, but that is no reason why you must go through life with half-starved hair. If you want long, thick hair, feed it with Ayer's Hair Vigor, and make it rich, dark, and heavy.

It is a fact that the hair of the scalp is the most important part of the body, and it is the only part that is not renewed every day.

Mrs. Anderson, a prominent society woman of Jacksonville, Fla., daughter of Recorder of Deeds, West, who witnessed her signature to the following letter, praises Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—There are but few wives and mothers who have not at times endured agonies and such pain as only women know. I wish such women knew the value of Lydia E. Pinkham's Vegetable Compound. It is a remarkable medicine, different in action from any I ever knew and thoroughly reliable.

"I have seen cases where women despondent for years without permanent benefit, who were cured in less than three months after taking your Vegetable Compound, while others who were chronic and intractable cases out of our hands, and in perfect health after a thorough treatment with this medicine. I have never used it myself without gaining great benefit. A few doses restores my strength and appetite, and tones up the entire system. My monthly troubles have been cured, and I feel fully restored to health."

Mrs. Reed, 2425 E. Cumberland St., Philadelphia, Pa., says:

"I have been cured of a chronic case of rheumatism, which had been with me for many years, and which had rendered me almost helpless. I had tried every remedy, but without success. I then tried Lydia E. Pinkham's Vegetable Compound, and in a few days I began to feel better. In a few weeks I was able to walk, and in a few months I was able to do my usual work. I feel that I owe my recovery to Lydia E. Pinkham's Vegetable Compound, and I can recommend it to all who are suffering from rheumatism or any other chronic ailment."

When women are troubled with rheumatism, neuralgia, headache, indigestion, and nervous prostration, they should remember that Lydia E. Pinkham's Vegetable Compound is the only medicine that will cure them.

The experience and testimony of some of the most noted women of America go to prove, beyond a question, that Lydia E. Pinkham's Vegetable Compound will cure all such troubles, at once by removing the cause and restoring the organs to a healthy and normal condition. In fact, Lydia E. Pinkham's Vegetable Compound is the only medicine that will cure them.

Not only a medicine for women, but a food for all who are weak, nervous, and indigestible. It is the only medicine that will cure them.

FORGET IT! It is the only medicine that will cure them.

Lydia E. Pinkham's Vegetable Compound, Lowell, Mass.
