be recalled with joy and pleasure.

THE fatal toy pistol got in its ual at every Christmas nowadays, Drc. 31, 1903. Reports from all over the United

Sixty Killed Or Wounded.

given. While some have mourned others have rejoiced. Thus it has been and ever will be. Our lives are like the uncertain glory of an April day when sunshine and clouds alternately flit over us. The past year has been a re-the west station the operator there, it is quite possible that Colombia's operation of the state operator there, it is quite possible that Colombia's day of an April day when sunshine and clouds alternately flit over us. The past year has been a re-

Washington Letter. (From our Regular Correspondent.)

Washington, Dec. 24, 1903.

A Blizzard In New York,

New York, Dec. 26 - A driving srow storm accompanied by furious squalls that at times rose to War with Colombia resulting almost hurricane force, struck the States show that its victims are from the action of the administra-not confined to any particular tion in recognizing Panama and clouds pressing down on a bank FAREWELL OLD YEAR! To-day being the last day of the this dangerous toy. At Raleigh this dat posal of the government and his the Manhattan side, found herself act has been emulated at Bogota, off the Battery several blocks be recalled with joy and pleasure, while with others it will arise as a ghost to hann them with its dead hopes and sad disappointments. Many who started out at the beginning of the year full of life and hope have fallen by the way-side. Around many family hearth stones there is a "vacant chair" and many a family circle has been distered of the most disastrons broken by the untimely death of some loyed one. To other families a new life and joy has been more distent of the protect of the states of the struggle and the scow as the protect of the struggle and the scow as quickly as it scened with the state state of the scow as the protect of the scow as the protect of the scow and the scow as the scale during the and hope have fallen by the way-side. Around many family hearth stones there is a "vacant chair" and many a family circle has been interesting the cale distance of the scow as the gale and a rapidly damage. The darkness life damage. Th

The past year has been a year of prosperity that was carning extinguished by the first number of the asy ear of prosperity that has abundanty yielded up its increased. The was and real real of products of the soul have been and the instead of the heavy ears. The second the heavy ears at the products of the soul have been and the instead of the heavy ears. The second the heavy ears at the the soul thave been and the the soul thave been and the instead of the heavy ears. The second the heavy ears at the products of the soul have been and the instead of the heavy ears. The second the heavy ears at the products of the soul have been and the water and method that have and the soul thave been and the water and method that have and the heavy ears. The second the the tail that have and the soul have been and the water and method that have and the heavy ears. The second the heavy ears at the wree heavy the heavy the

of destruction that so often afflet the human mee. And by no means the least of all the blessings of the past year has been the good gov-ernment which has gladdened the hearts of our people. For all these things the year 1003 should be hearts of our people. For all these things the year 1903 should be gratefully and pleasantly remem-bered, and because of these bless sings which it has brought us we should all regretfully say, as if parting with an old friend, "Farewell Old Year" HAPPY NEW YEAR: Hear Share are direct saying are the new important has been reduced from 75 percent, the construction of the structure estimate, through the the republicans will not be newed such all the first, "Farewell Old Year" HAPPY NEW YEAR:

To-day being the last day of the year 1903 naturally makes every one pause and recall in reministicant model is incidents and events. To many the past year has been unusually kind and generous, while to others it has been hard while to others hard while to other was been hard while to other was been hard while to other was been hard while the was been har Bynum & Headen have tried to anticipate your Christmas wants, and they now have
