No More War.

Nation shall not lift up sword against nation, neither shall they learn war any more.—Isaiah 2:4.

Just like a long letter from home to the folks who have left the community—that's what the home town paper is.

While there is a difference of opinion about capital punishment, all good farmers agree that it is alright when applied to scrub stock.

Mr. and Mrs. H. C. Watson, of Goldston, asks us to thank their many friends and neighbors for the kind words shown them during their recent illness.

Write the editor, Agricultural Extension Service, Raleigh, for a copy of "Carolina—A Land of Opportunity." It is free for the asking.

Mr. George Griffin Lutterloh, special agent for Chatham county, reports that there were 9,067 bushels of cotton ginned in Chatham county in January, 1923, as compared with 10,250 ginned prior to January 1, 1922.

Mr. and Mrs. Carl Brower and daughter and Mr. and Mrs. John C. Chiles and little daughter, have returned from their motor trip to Florida. The readers have enjoyed the letters in the paper telling of their experiences on the trip.

By reference to the advertising columns of this paper, you will note that Fox & Co., will hold a special sale on Saturday, consisting of Swift's products. Ladies are especially invited to be present. The demonstration and sale will last throughout the day.

An oyster supper held in the basement of the Methodist church by the young ladies of the Church Beautiful Society last Friday night was not only a most pleasant social affair but a financial success as well. About \$40 was realized after expenses were paid.

In a letter from Mr. Henry F. Dixon he writes to the editor that "I am glad to express my sincere gratitude to the editor of the Siler City News for the kind and encouraging words sent me in the paper. My wife and I greatly enjoyed and his business."

Mrs. Mary I. Dowdy, Miss Frances I. Beal and Mr. Terrell B. Beal, of Bear Creek, and the sisters, nieces and nephews of the late Thomas A. Beal, have expressed their deep appreciation of the many acts of kindness and friendship shown during the continued illness and death of Mr. T. A. Beal.

There are many representative advertisements in this paper. All men of known integrity, firms of substantial standing. When you need goods be sure to patronize a man that is an advertiser. They are the men who help build the community by patronizing the home paper, and deserve your patronage.

Dr. Charles E. Maddry, of Raleigh, corresponding secretary of the Siler City Baptist convention, will speak at the Baptist church in Siler City on the evening of February 18, at 7:30 o'clock. The public is cordially invited to hear him. He is a distinguished speaker and an especial invitation is extended to the membership of the rural churches.

Mrs. Hinson will begin her domestic science work in Siler City with a free demonstration and lecture on "More Efficient Housekeeping" on Thursday afternoon, February 1st, at 3:30 o'clock at the M. E. church. It is hoped that every lady of the community will take advantage of this great opportunity to learn how to save time and money and improve her husband's disposition. A beautiful cake will be given to the lady drawing the lucky number.

In this paper will be found an advertisement, announcing the opening of a tractor school in Pittsboro on Tuesday, Feb. 6th, and continuing until and through Friday, February 9th. This school will be conducted by experts from the J. I. Case M. T. factory in Racine, Wis., and no one should fail to be present every day or as often as is possible. There is much to be learned at these schools. In addition to the lectures, and demonstrations, there will be moving pictures and every detail of a motor will be fully explained. Therefore if you own an automobile, or a combustible engine of any kind, whether it be a tractor or not, the school will be of great benefit. It will help the boys, bringing them along also.

THE SILER CITY CIRCUIT.

O. I. Hinson, Pastor.

Providence church is going to get in line and have a good live Sunday school right on through February. West End is outdoing all the others in attendance, in proportion to church membership. There were 99 present on Jan. 21, and the church membership is 90. Which church will be the next to make a record like that? There is plenty of room up at the front. The rear is rather crowded now.

The people at Mt. Vernon church were sick with flu, and could not get to Sunday school. It is to be hoped that they may improve speedily, and fill that great old church. It has had a great record in the past. Should it not have a greater record in the future?

Fifty members in an Epworth League is a fine League, and that is what the Siler City League had at its devotional meeting last Sunday January 21.

The Church Beautiful Society gave an oyster supper in the basement of the church last Friday night and the gross receipts were nearly \$50. It is indeed beautiful to see the young folks enthusiastic over the church. The pastor preaches next Sunday 11 a. m., at Hickory Mt. and 7 p. m., at Siler City. A cordial welcome to visitors and strangers.
