The delicate systems of those fluffy baby chicks are supplied by nature with food for the first two days. Then their sensitive digestive organs must be given a very carefully prepared food. Countless chicks die every year because the feed they receive is not suited to their needs.

Purina Chicken Chowder and Purina Baby Chick Chow

supply every element needed in feeding the chicks from the very first feed. Many years of experience in poultry feeding are back of these Chows.

So sure are the makers of these Chows that they will produce results that they guarantee double development or money back on the Chows when fed as directed the first six weeks.

Start your chicks on Purina Poultry Chows and watch them grow.

SOUTHEASTERN STATES LEAD.

Recent advice from the War Department is to the effect that the fourth corps area, which includes Alabama, Florida, Georgia, Louisiana, Mississippi, Tennessee, North Carolina and South Carolina, is leading the rest of the country with a profitable margin in the procurement of candidates for this year's Citizens' Military Training Camp. These camps are a continuation of those held during the past two years. Young men from seventeen to twenty-four years of age are eligible to receive a month's free outing entirely at government expense from August 1st to 30th at Camp McClellan, Alabama; Fort Barrancas, Florida; Fort Bragg, North Carolina.

The necessity of camps of this kind is becoming more and more apparent as the results of the draft statistics of 1917 and 1918, which are being carefully studied at the present time, brought to light the astounding fact that nearly 50 percent of the men of draft age in this country were physically defective in one respect or another. Of this number by far the greater portion had defects that could have been remedied by efficient physical training when at school.

At C. M. T. camps the government provides abundant exercise properly supervised, and provides just discipline. Special precautions are taken to feed the growing boy as well as possible and to teach him to take care of himself. He is clothed at government expense while at camp and receives medical attention throughout the period of camp. Eighty-five percent of the men who attended camp last year showed a definite measurable physical improvement in height, weight, chest expansion and general appearances. The balance were benefited to a lesser degree; none were harmed.

About a thousand more men are needed to give this section its full representation at camp, and parents and young men who are interested are urged to drop a post card to the C. M. T. C. officer, Atlanta, Ga.

BRICKHAVEN NEWS.

Brickhaven, May 28.—Mr. James Honeycutt, of Charlotte, has been on a short visit to Mr. J. H. Overby. Mr. Richardson, of Zebulon, spent a few days last week here with his mother, Mrs. Hettie Richardson.

Quite a number from here attended the closing exercises of the Moncure school. The exercises this year were unusually good. The address on Tuesday by Dr. Wicker was indeed excellent. The play, "A Kentucky Belle", which was presented Tuesday evening, was a fitting climax to the occasion. It is a rare occurrence that one has the pleasure of seeing an amateur play carried out more gracefully or more interestingly.

Miss Vera Richardson, after a three weeks' stay with relatives here, left for Raleigh Saturday.

Mr. and Mrs. David Strickland, of Southern Pines, were week-end guests of friends here.

Miss Kate Marks, of Oliva, spent the week-end with her sister, Mr. R. H. Overby.

Misses Della Dowell, of Franklinton, and Mary Bland, of Pittsboro, are visiting relatives and friends here this week.

Miss Leone Luther, of Bonsel, was the week-end guest of Miss Mary Lee Utley. Miss Luther was a former teacher here and it is always a pleasure to have her come back.

The minstrel Saturday night seemed to be quite a success. A very large

crowd was present. Mr. A. M. Cotten, one of the principal characters, was taken seriously ill with ptomaine poisoning but Mr. Joe Overby was substituted and so everything went on nicely.

Mr. Cotten is much better and is now out of danger.

Little Charles Thompson was accidentally cut on the head with an axe one day last week. The cut called for several stitches but the little fellow is getting on nicely.

Rev. Piland, who suffered a stroke of paralysis some time ago, was able to fill his appointment at Buckhorn Sunday afternoon and as usual delighted his hearers with an unusually strong, forceful sermon. Services again next Sunday morning at 11 o'clock.

The attendance at Brickhaven Sunday school almost reached the 100 percent mark last Sunday. It was decided to have the annual picnic at Durham some time in July, possibly Thursday, 19th. These picnics are primarily for the little folks but as a rule the bigger folks enjoy them too.

They have a good Sunday school at Bennett Baptist church. Mr. Ed S. Phillips is superintendent. I attended there last Sunday morning. After a short talk by Mr. Phillips they all assembled in their classes. I enjoyed very much being in the intermediate class. Miss Lula Brady is teacher of this class but she was absent and Mrs. Claudie Jones acted as assistant.
