Frequent Headaches

"I suffered with chronic constipation that would bring on very severe headaches," says Mrs. Stephen H. Kincer, of F. D. I. Cripple Creek, Va. "I tried different medicines and did not get relief. The headaches became very frequent. I heard of

Theford's Black-Draught

and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just get the Black-Draught, and don't let myself get in that condition."

Theford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Theford's Black-Draught. Sold everywhere.

ABOUT N. C. STATE FAIR.

Date Set For Next Fair — The Premium List.

Raleigh, May 26.—The dates of the sixty-second North Carolina State fair are October 15-19, 1923. Plans are well under way to make this year's exhibition superior to any previously held.

The executive committee has decided to conduct the fair along the same general lines as last year, eliminating all concessions, excepting novelties, and stressing the educational and entertainment features.

Amusements will always be a part of any successful fair. However, education is the primary feature of a fair, the great spirit back of it, the force which is making our expositions all over the land greater every year. With these interests in mind the midway attractions, free acts, and fireworks have been carefully selected.

One hundred and thirty-nine horses from twenty-two States and Canada have entered in the four closing stake events, the purses for which are \$1,000 each. This is an average of thirty-five horses to a race.

The 1923 premium list is now being revised. The classification for prizes will be practically the same as last year, having been arranged so that all products of the home and farm may be shown.

Mr. George F. Foey, Philadelphia, Pa., who has successfully managed the Pinehurst dog show for the past years as well as some of the largest dog shows in the United States, has entered into a contract with the management to put on a licensed show at the State fair.

SOLITUDE.

Laugh and the world laughs with you; Weep and you weep alone; For the sad old earth must borrow its mirth, And has troubles enough of its own. Sing, and the hills will answer; Sigh, and it is lost to the air, The echoes bound to a joyful sound, But shrink from voicing care.

Rejoice, and men will seek you; Grieve, and they turn and go. They want full measure of all your pleasure, But they do not need your woe. Be glad, and your friends are many; Be sad, and you lose them all— There are none to decline your neighbor's wine But alone you must drink life's gall.

Feast, and your halls are crowded; Fast, and the world goes by. Succeed and give and it helps you live But no man can help you die. There is room in the halls of pleasure for a large and lordly train, But one by one we must all file on Through the narrow aisles of pain. —Ella Wheeler Wilcox.
