The Postoffice  
Did anyone ever see a postoffice or a bad one? And who owns and controls office? and who owns and controls bank? We hurl this argument at the advocate of government and we remind him:  
"You can't change your mind but you can change your body's business."  
Also that:  
"What's everybody's business?"  
And these two things are postoffice pens are bad and are good, and why government ernship is no unmixed blessing.

"Every Week-End Is a Vacation With This Buick"

Closed car comfort is combined perfectly with country touring convenience in this Buick six cylinder touring sedan.

In interior arrangement and appointment it is unusually attractive. Broad adjustable windows provide "open car vision" and airiness. And the smart trunk on the rear affords the luggage facilities so essential to touring.

Ask for a demonstration of this car. You will find in it many new qualities.
