### NORTH CAROLINA EVENTS.

#### News in Concise Form For The Busy Reader.

**Kinston.**—New Bern's new independent tobacco market will handle several million pounds of the weed annually.

**Reidsville.**—A movement is on foot to erect in Danville a monument to the memory of the late Zebulon Baird Vance, of North Carolina.

**Greensboro.**—Thomas R. Foust has just been re-elected superintendent of the Guilford county school system by unanimous vote of the county board of education.

**Goldsboro.**—After deliberating more than 21 hours, the jury in the case of Dewey Smith, charged with the murder of his father, John E. Smith, on April 18, returned a verdict of manslaughter.

**Raleigh.**—Approximately \$125,000,000 has been collected in federal revenues in North Carolina during 11 months of the fiscal year 1923, this sum comparing with \$122,413,300 for the whole fiscal year 1922.

**Greensboro.**—J. W. Pillow, of Reidsville, crushed almost lifeless in the Reidsville crossing accident Tuesday, May 29, and unconscious ever since, died at St. Leo's hospital. He is the fourth victim of the tragedy.

**Beaufort.**—Lewis McNeill, of California, formerly of Greenville, S. C., and John D. Merritt, of Chick Springs S. C., are in the Beaufort county jail on charges growing out of an alleged attempt to kidnap Frank Thomas, 5-year-old son of Chas. R. Thomas, Jr.

**Aberdeen.**—Cotton fields in the southern counties of the State are now being invaded by boll weevils coming from their winter quarters. The first weevil found on cotton near here was collected on May 18 on the plantation of Robert Stewart.

**Spencer.**—Grabbing at his hat blown from his head, E. D. Wages, 35, a carpenter employed on construction of the State highway bridge across Yadkin river at Spencer, lost his balance and fell from a platform into the river and was drowned.

**New Bern.**—Erection of a \$25,000

administration building for the plant of the Farm Life school at Vanceboro was made possible Saturday when the Craven board of county commissioners passed resolutions extending to board of education the use of the county's credit to borrow that amount.

**Greensboro.**—The report of the Guilford county board of public welfare on prison conditions in the county made to the board of commissioners Monday, strongly condemned the treatment of prisoners in the camps and made recommendations for sweeping changes. Among them is the abolition of the lash.

**Dublin.**—The little town of Dublin, in Bladen county, had its big day on Thursday when people from every section of the county with representative citizens from Robeson, Columbus, Cumberland and Scotland assembled here, to discuss the advisability of fighting the boll weevil by growing strawberries.

**Greensboro.**—Among the 234 cases scheduled for trial at a term of Federal court here starting last Monday are the Randolph county election cases, charges against W. L. Coletrane and R. L. White, Jr., Randolph county election officials charged with refusal to allow a Republican to vote in the last general election.

**Goldsboro.**—Jack Williams, of Indian Springs, who ran away with another woman other than his wife and who arrogantly told Welfare Officer Howell that he would have to "prove something," is now very humble and penitent and went home with his wife without raising any objections whatsoever. When Judge J. Lloyd Horton the other day plastered a road sentence above his head and informed him that all that was necessary for him to commence pulling time for was for somebody to complain loud enough for the clerk to give the sheriff a paper to "go get him."

## BEAUTY AND PROTECTION Plus Lowest Cost Per Square Foot

The retail price of Lucas Tinted Gloss Paint is as high, if not higher, per gallon than any other house paint on the market.

And yet it is actually the lowest priced paint you can buy. There are three important elements that determine the actual cost of paint—so consider them carefully.

First—Thorough and complete grinding in a Lucas factory reduces the pigments to such a fineness that Lucas Tinted Gloss Paint has a covering capacity of nearly double that of ordinary paint. One gallon of Lucas Tinted Gloss Paint will cover 350 to 400 square feet, two coats, while ordinary paint will cover but 250 to 300 square feet, two coats. This immediately reduces the price of Lucas Tinted Gloss Paint to a lower cost per square foot.

Second—The exceptionally high percentage of pure raw linseed oil used in Lucas Tinted Gloss Paint pro-

duces a full, even gloss of enduring beauty. Then, the hours of heavy milling that blend the various elements into one perfect paint product assure longer life and greater durability. Thus, Lucas Tinted Gloss Paint costs very much less per year of service.

Third—In painting the average house the paint represents about one-third of the cost, and the labor two-thirds. So that it costs just as much in labor to put on a paint that will last only two or three years as it does to put on a good paint that will give good service five years or longer.

Thus, paints costing less than Lucas Tinted Gloss Paint are actually more expensive. Lucas Tinted Gloss Paint, in Beauty, Spreading Qualities, Protection, and Durability, is not an expense. It is an investment.

Step into our store. Let's talk it over.

Address—The Sunday school and its task, Lacy Harper.

Offering Song—Camela Stedman.

A talk by Rev. J. J. Boone.

Offering taken by Camela Stedman and Alma Laster while the organist softly played the "Spring Song."

Benediction by the pastor.

After the program the children went to the cemetery and placed flowers on each of the graves.

The decorations were very beautiful which added a pleasing effect to the occasion. The color scheme was green, white and pink with green and white crepe paper and pink roses banded in abundance around the altar and vases and bowls filled with roses, poppies and sweet peas used on table and organ.

It was a pleasure to have Mr. Shaw, the editor of Chatham Record and Mrs. Shaw present at the Children's Day services last Sunday. We hope they will visit us again soon.

### CLAUDE KITCHIN DEAD.

Powerful National Figure Answers Final Summons in Wilson.

The death of Hon. Claude Kitchin which occurred at 6:14 Thursday morning at a hospital in Wilson, where he was brought a short time back for treatment, removes from earth one of America's greatest statesmen, and most beloved citizens of North Carolina, a man of whom the people of the State were very fond. Surrounded by members of his family Mr. Kitchin peacefully fell asleep and his gentle spirit was wafted to the God who gave it.

Ever since the stroke of paralysis Mr. Kitchin has fought manfully to regain his strength, and has been under the care of a number of specialists. All the time, however, he has continued to serve his country and constituency with the same vigor as of old, ever looking forward to the time when he would be his former self when on many a forum he challenged the enemies of democracy, and stood for the high ideals of citizenship and statesmanship which ever imbued his soul.

Mr. Kitchin has served the second North Carolina Congressional district since 1900 when he redeemed it from Republican rule, defeating the negro George White.

### DEATH TOLL OF TRESPASSERS.

Atlanta, Ga., June 2.—Death overtook 129 persons while trespassing on the property of the Southern Railway System during 1922.

While walking tracks, 90 trespassers were killed and 62 injured. 39 were killed and 91 injured while stealing rides or "hopping" trains, and 18 were injured in miscellaneous accidents.

According to a preliminary report of the Interstate Commerce Commission, 2,431 trespassers were killed and 2,845 injured on the railways of the United States in 1922. Even this heavy sacrifice of life and limb to carelessness is an improvement over past years. In the 15-year period from 1907 to 1922, deaths and injuries to trespassers on American railways averaged 10,736 per year.

As a part of its effort to discourage trespassing on its property, the Southern is enlisting the aid of school teachers in pointing out to children the grave danger of this practice. A very large proportion of the trespassers killed and injured have been school children. Wreck engines, walking to end from their work on tracks have also contributed a large proportion. The popular impression that a large percentage of the trespassers killed on railways are tramps is shown to be entirely erroneous by figures compiled by the Southern from its records running over a period of years.
