

FALL CREEK NEWS.

Bear Creek, Rt. 3, June 4.—The farmers are about through planting; some gardens are looking splendid although Mrs. Vallie Jones has the best garden this writer has yet seen and we hope to eat some of those beans soon.

Mr. R. B. Klass is somewhat improved and Mrs. A. H. Brooks is some better.

Mr. Frank Phillips and sister, Mrs. Ada Brewer, motored to Durham Saturday and spent the night with Mrs. Brewer's daughter, Mrs. O. D. Barber. Mr. Henry Fesmire and family were visitors at the home of Mr. A. H. Brooks and B. F. Scott Sunday.

Mr. and Mrs. Joe Powers spent Sunday in the home of Mr. and Mrs. W. E. Phillips and Miss Eva Scott spent last week with her sister, Mrs. G. R. Phillips.

Mr. B. F. Scott and Misses Leota Phillips, Eva Maie and Vaie Scott attended memorial service at the Baptist church in Coleridge Sunday and paid a short visit in the homes of Messrs. Avery Phillips, Doc Davis, Claude Davis and Bob Moffitt. They report a real pleasant time.

After several beautiful songs by the choir the pastor, Rev. John C. Kidd preached a very interesting sermon, using for his text the 9th chapter of Proverbs, then a song by two small girls. Then with a number of pretty little girls carrying flowers the congregation followed to the cemetery where the choir sang a very appropriate song, then prayer by Rev. Scotten and the flowers were placed on the graves following which a most bountiful dinner was served. The choir sang several more songs which were much enjoyed, especially by the writer. The pastor introduced Rev. Scotten, of Coleridge as first speaker and he made an excellent speech on memorial followed by a Mr. Moffitt, of near Sanford. This young man made one of the most heartfelt speeches we have ever heard. Surely the spirit of God is with him. Fred Brady, a boy whom we have known since childhood, made a real interesting speech. It gives us much encouragement to hear our young men speak so well.

Mr. and Mrs. S. M. Scott spent a while Sunday afternoon at the home of B. F. Scott.

Mrs. Nannie Brown, of Mt. Vernon Springs, is spending some time with her mother, Mrs. Charity Scott, at the home of B. F. Scott.

HAPPENINGS AT BRICKHAVEN.

Brickhaven, June 4.—"What is so perfect as a day in June? Then, if ever, come perfect days." So sang the poet in other days and we can say that this first summer month is running true to form for we are having lovely days—days that delight both the toiler and the idler. Everything seems to be going very well this week. To begin with our Sunday school opened on schedule time and the attendance was again very satisfactory and encouraging both in interest and in numbers. Let us keep up the good work.

J. Clinton Seawell spent the weekend with his father at his home near Carthage.

Cliff Mims, of Winston-Salem, was the weekend guest of his parents, Mr. and Mrs. E. C. Mims.

Mrs. A. R. Lawrence and little grandchildren, Pauline and Forrest, are spending a while with Mrs. J. G. Farrell, at Aberdeen.

Mr. and Mrs. D. J. Ellis, of Holly Springs, spent Saturday and Sunday here with relatives.

Mr. and Mrs. A. A. Marks spent the weekend in Chapel Hill with relatives. Mr. and Mrs. Marks are a recent bride and groom. They have been married only a few days. Mr. A. B. Wicker and Miss Gayle Mims were the only attendants. The bride was formerly Miss Grace Mims, of Corinth, the youngest daughter of L. H. Mims, merchant. Both young people possess many friends who predict for them a happy, successful future.

Mrs. J. A. Mims and little Clair Eve Mims, spent Sunday in Durham.

W. A. Griffin spent the weekend with his mother at Durham.

Mrs. Johnson and Master Frank Johnson, of Raleigh are guests of Mr. and Mrs. Kemmerly. Frank recently won the medal presented by the Rotary club to the High school student making the best grades in science.

Miss Leone Luther is expected Wednesday and will be the guest of Mrs. O. C. Kennedy for a few days.

We hear a great deal these days about efficiency tests—tests to show the degree of ability reached in different subjects by individuals. If there were such tests by which communities were graded or standardized we feel safe to state that our community and the surrounding communities would stand fairly high. The majority of our people are honest, hard-working, economical, co-operative and above all a God-fearing, God-loving people. The moral standard of these communities is high. The home life is pure and above reproach. A large percentage of our population consist of boys and girls who will be community leaders in the years to come. The question we want to ask is this: Is it right to allow outsiders to come into our community and lower the standards of right living? Is it fair to these boys and girls to let those from other places come into our midst and spend Sunday doing those things that we are taught should not be done on the Sabbath Day? Take fishing for instance. Fishing is good sport but is it consistent with our church laws and our civic laws to indulge in this particular sport on Sunday? Is it or is it not the duty of all who have the interests of right living at heart to stand against the practice of the numbers that come from afar or lesser distances to spend Sunday on our creek or river banks as the case may be, fishing? How about it.

Did you ever see a real livestock farmer worrying about—  
The price of cotton?  
Or the price of tobacco?  
Or the mortgage on his crop?  
Or the red spider?  
Or wildfire?  
Or the boll weevil

BUILD A HOME NOW!

SAY FORD BACKS KLAN.

Accuse Him of Being Backer of K. K. K.—Glad to Join Catholics.

Atlantic City, N. J. June 2.—After an exciting scene in which the name of Henry Ford was hissed and hoed, delegates attending the annual session of the Independent Order B'Rith Abraham, Monday, May 28th, adopted a resolution criticizing him for his alleged attacks on Jews of the nation, assailing his presidential aspirations and accusing him of being the financial backer of the Ku Klux Klan. The measure was passed without a dissenting vote after speakers sponsoring it had been loudly cheered.

The resolution declares: "Be it resolved, that the Order of B'Rith Abraham, now in session, go on record as follows:

"That the delegates assembled condemn Henry Ford and his attitude against the Jews as un-American, and that his candidacy for President is an insult to the fundamentals upon which this country is based.

"Further, be it resolved, that this convention accuses Ford of being the financial backer of the hooded Ku Klux Klan who approves of their patriotic exploitation against the Jews, Catholics, negroes and foreigners."

Acting Grand Master Morris M. Greene, of New York, discussing the measure, declared "we feel that Ford is behind the Ku Klux Klan—that he is their sponsor and we are glad to join our Catholic brethren in fighting him and it."

Copies were ordered sent to all member bodies, asking co-operation. The convention also passed a resolution that the age limit for members be reduced from 21 to 18, and that unmarried women, unaccompanied by male members be admitted to membership.

Another resolution called for a continuation of the order's war orphans' fund and co-operation with the American Jewish committee abroad.

BENNETT LOCALS AND NEWS.

Bennett, June 4.—A good many people here attended memorial services at Brush Creek Baptist church Sunday and we saw while we were there several of the old original church members who have moved away several years ago and the services seem to be a home-coming annexed to the memorial services. Mr. J. Q. Seawell, of Siler City, one of the speakers, especially touched on the young people of the day of their opportunities and their duty towards their parents. This talk was interesting and worth much even to the older ones.

Mr. and Mrs. J. E. Jones and Mr. and Mrs. A. C. Jones visited Mr. and Mrs. Dan Welch Sunday. Mr. Welch has been confined to his room sick and in a very helpless condition for some time.

Rev. G. R. Underwood preached the funerals of Mr. and Mrs. John Brown at Pleasant Grove Christian church Sunday. Mr. Brown passed away about three years ago and his wife 15 years ago.

Mr. and Mrs. Ed. S. Phillips and Mr. and Mrs. P. C. Brady visited the home of Mr. and Mrs. James Brooks Sunday afternoon. Mr. Brooks has been carrying the mail on Ore Hill, route 1, for 18 years succeeding Mr. Will Ellis, who was the first carrier and who was killed on an excursion that was returning from St. Louis convention over 20 years ago.

The wheat in this section seems to be much better than the farmers expected, the grain heads are almost all wheat appears to be heavy and a good crop is expected. Also oats are good and corn is coming along nicely.

The Bonlee & Western Ry. Co., is putting in a siding for the Standard Oil Co., and they will erect a tank station here. They realize this is a centur for their field in this section and they will put in one of their new up-to-date tanks.

While at Brush Creek Sunday we ran upon a man in his 81st year who said he was working in the Bending Chair plant at Siler City and I asked him did he need to work. He said no, but he loved to work so that he wanted to keep busy and felt that it was his duty to work and not idle his life away and I thought what a difference there was in him and a great many of the young men today that are idling their life away in this big gar-

Why Suffer?

Pain interferes with business, spoils pleasure and wrecks the human system. Hundreds of thousands of sufferers find relief by taking

DR. MILES' Anti-Pain Pills

Why don't you try them? Your druggist sells them at pre-war prices—25 doses 25 cents. Economy package, 125 doses \$1.00.

den of the world that needs them and they could be worth something to themselves and the Supreme Being.

Inasmuch as Dr. Deason will be visiting in Indiana during the month of June he cannot vaccinate the people of this part of Chatham as directed by the State Board of Health, but Dr. Deason has secured the service of Dr. Thomas, of Siler City, to do the work at the Bennett Bank.

RAILROADS OR JITNEYS.

At first sight it would seem that the railroads would be having a hard time in getting passengers to haul, but we are told that the railroads are hauling more passengers and more freight than ever. It must be so, because most of the big lines in the South are giving orders for more locomotives and more freight and passenger cars, while more jitney cars are daily getting into the game. A few weeks ago a jitney was put on to run from Durham through Pittsboro to Sanford. Another one was put on to run from Sanford to Raleigh. And it is said the Durham-Sanford line will be extended to Lakeview.

Now another bus line, running from Asheboro to Durham, was started last Monday. According to this latest venture in beating the railroads this new line starts from Asheboro at 7:30 a. m., passes Siler City at 9:20 and arrives at Durham at 12:10. It leaves Durham at 1:10 p. m., Pittsboro at 3:05, Siler City at 4:05 and arrives at Asheboro at 5:45.

It does look like now that the railroads will not be a paying venture in another year or so. With the jitney line, Fords and other cars in competition the railroads must have an uphill business, so far as passengers are concerned.

However, it is not likely that the President will be greatly pestered by the friends of those who would like to succeed Chief Justice Taft as soon as those Socialists succeed in having him impeached.—Indianapolis Star.
