FACTS ABOUT NORTH CAROLINA

Things of Interest About Old North State—Its Leadership in Many Lines.

North Carolina leads all the States of the union in the production of peanuts and tobacco.

Winston-Salem leads the world in the production of tobacco products from raw materials; Greensboro boasts of the largest denim and damask mills on earth; Kannapolis "points with pride" to her towel factory, a world beater; Lexington shows the way in making underwear; Durham claims leadership in the production of hosiery and Statesville has the world's largest herbarium.

There are 168 optometrists in this State, 72 chiropractors, 1,867 lawyers and 647 practicing dentists.

In the World War North Carolina furnished a total of 92,510 fighting men of which 84,577 were soldiers, 7,312 sailors and 621 marines. Of these there were 2,505 soldiers, 107 sailors and 33 marines who gave up their lives.

Since North Carolina has been recognized as a State she has had 82 governors. Twenty-three were under the Lord Proprietors' regime; 6 under the crown; 27 were elected by the General Assembly; 21 by the people and 6 were lieutenant governors and became governors through the death of the governor during his administration.

There are 36 different railroad companies in operation in the State.

There are 15 religious denominations represented by churches in this State.

The North Carolina signers of the Declaration of Independence were William Hooper, a lawyer; Joseph Hewes, a merchant, and John Penn, another lawyer.

North Carolina is credited with the highest birth rate of any of the United States and one of the lowest death rates.

In the way of educational institutions the State has 21 State institutions, 26 denominational colleges, 54 preparatory schools, 99 accredited high schools and 23 orphanages supported from various sources.

The State has 89 national and 547 State banks.

North Carolina has 383 cotton mills with a total of 5,605,102 spindles and employing 78,971 persons; 7 woolen mills; three silk mills; three cordage mills; 142 knitting mills that furnish employment for 12,564 people and 107 furniture factories working 8,697 employees.

With the exception of one city High Point manufactures more furniture than any other city in the world.

There are 25 State fair associations in North Carolina and the highest point in the United States, east of the Rocky Mountains, Mt. Mitchell, is situated in western North Carolina.

She is a great old State all right. May her tribe increase.

Volstead's colleagues, when he retired from Congress, presented him with a watch. It probably was a Waterbury.

STRANGE AND CURIOUS.

Peculiarities That Will Astonish Almost Anyone.

It will take 20,000 men to harvest the wheat crop of Kansas.

Two murderers in Berlin recently hid themselves in the town clock.

A Chinaman in San Francisco recently wrote his will on a laundry ticket.

Out in Kansas City, Mo., a dog barked and saved five negroes from being cremated.

A diamond worth \$600 was found in the stomach of a fish caught near Union Hill, N. J.

Mrs. Laura Valles, of El Paso Tex., recently gave birth to her 20th child, a girl. All the others are dead.

A bull frog was caught by John Patterson, of Boonville, Ind., that had a water moccasin snake 18 inches long in him.

Merrill, Wis., has been invaded by millions of black ants. The streets and sidewalks were covered with the pests.

Prairie du Chien, Wis., has a house that was put up in 1835. It was brought to the town, a distance of 6,000 miles.

William McPherson, of Kansas City, is blind and has no hands, but he reads his Bible daily by sticking the tip of his tongue to the raised letters.

In a spiritualistic seance in New York a sitter grabbed the hand of a "spirit" who was waving a trumpet. The "spirit" struck the sitter over the head and made a getaway.

Five years ago George Davis, a Chicago boy, had his leg crushed so badly it had to be amputated. A few days ago a train struck him and cut off the other leg.

In Bloomington, Ill., five denominations have built a church and each worships in it at different times. It was built by the Presbyterians, Baptists, Christian, Congregational and Methodist.

A federal convict in the Atlanta prison has painted a life-size picture of Jesus Christ on the wall of the chapel. It took him six months of hard work to finish the work. It depicts Christ on the steps of the temple while all about him are gathered the sick, the lame and sightless and the weary.

Washington.—Foreign governments have about come to the conclusion that the United States even though possessing the legal right to keep liquor off foreign ships touching American ports will not in actual practice challenge the good feeling of the powers and cause serious embarrassment.

GENERAL NEWS BRIEFS.

Short Items of Common Interest to All.

Dayton, O.—United States dirigible TC-1 is destroyed by fire in an electrical storm.

Portland, Ore.—The Tillamook Creamery Association has announced an increase in price of cheeses of two cents a pound.

Valparaiso, Ind.—Harry Diamond, found guilty of murdering his wife, is sentenced to die in the electric chair at Michigan City on October 12.

Washington.—Earnings of class one railroads during April totaled \$83,197,800 equivalent to annual return of 6 1-2 percent on invested capital.

Atlanta.—Brick prices are continuing to advance in response to active demand in this section and products of Southern yards are now selling at \$19 per thousand.

Washington.—Woodrow Wilson is serenaded in his Washington home by Shriners from Greenville, S. C., he calls for "The Star-Spangled Banner" after "Dixie" is sung.

St. Louis.—Transportation of money by airplane to reduce interest charge and lessen number of robberies is being considered by Federal reserve board.

Palm Beach, Fla.—The body of Henry Simmons, negro, riddled with bullets, was found hanging to a tree on Palm Beach Island. The negro was suspected of having shot and killed Policeman J. A. Smith, a native of Staunton, Va.

Wenatchee, Wash.—Apple growers in this section are confident that they will recover the losses of last year during the present season. The fruit is finely set and weather conditions have been ideal.

Denver.—Modification of the Volstead act and the return of light wines and beer were favored in a resolution adopted at the closing session of the annual convention of the Colorado State Federation of Labor.

Washington.—The state department is officially advised of the resignation of the Chinese cabinet in dispatches from Peking which said the action was taken because of alleged 'presidential' encroachments on the rights and privileges of the government.

New York.—Recommendation that striking bricklayers and employers up to January 1, 1926, was made by a scale of \$11 a day or \$137 1-2 an hour up to January 1, 1926 was made by a conference of the committee of the public group of the building industry. The bricklayers, who have been on a strike for more than three weeks, seek \$12 a day and a two year wage agreement.

"COLD IN THE HEAD"

is an acute attack of Nasal Catarrh. Those subject to frequent "colds" generally in a "run down" condition.
