## DaybyDay

Since we began selling goods to the good people in Chatham county our business has increased by leaps and bounds and almost daily we are called to Pittsboro, Bynum and the rural sections of Chatham with a load of staple and well made furniture for customers that we have. We deliver your furniture to you in good condition, and we defy competition, so far as prices are concerned. We are here to meet competition anywhere in the State and all we ask is that you give us a call and we will sell you a bill of goods at the right price. Remember we have any grade of furniture that you want. But don't buy a cheap grade from some house and pay the same price that we will sell you a better grade for.

## New Water Works---

The splendid new water system that has been installed in the court house in Pittsboro, and a tank of sufficient size to fight fire is of concern to everybody in town. However, the fact that we keep everything to eat that the people want and sell it at a price that is pleasing to everyone, is of great interest to all. Since we moved into our big, new store, formerly occupied by Little & Farrell, we are enabled to keep everything worth while and we have a stock of all that the market affords and we sell at a low price at all times. Our list of customers continues to grow and we highly appreciate it, too.
