

CHATHAM BRIEFS

Everyone days until Christmas. Do
it early.

Mrs. R. H. Hayes has been on a
trip to friends in Wilmington.

Court week drew many people here
the first of the week, but the cold
rain diminished them before the close,
and only those interested remained.
Full account of court will be printed
next week.

Mrs. Henry A. London and Miss
Carrie Jackson returned home from
Fayetteville last Saturday where they
attended the marriage of Archibald
M. Currie, son of Mrs. J. H. Currie,
to Miss Hester Virginia Calvert Lilly,
of Fayetteville. Mr. Currie is a nephew
of Mrs. London and Miss Jackson.

Last Sunday afternoon was a very
pretty time to ride out through the
country and "view the landscape o'er,"
and it was also a good time for automobile
wrecks. Over at Bonlee there
were four in which some of the cars
were badly torn up, but no one was
hurt, so it was reported to the Record.

The Winnie Davis Chapter of the
U. D. C., will hold its regular monthly
meeting with Mrs. Henry A. London
next Saturday afternoon at 3 o'clock. All members are requested to
bring their donations for the bazaar
to this meeting. The bazaar is to be
held the first week in December.

A HEAD-ON COLLISION.

Two Ford cars, one driven by Ernest
Brown and the other by a colored
man named Cotten, ran head-on into
one another Sunday night on Hillsboro
street, near the old school house.
Both cars were damaged considerably
but no one was hurt, as both were
making slow speed at the time.

ABOUT THE SCHOOL QUESTION.

Brickhaven Correspondent Has Some Sane and Sound Comment.

Brickhaven, Oct. 22.—Miss Mary
Bland spent the week end with her
father, Mr. T. M. Bland, at Pittsboro.

Miss Laura Harris was the week
end guest of relatives in Chapel Hill.

Mrs. H. T. Johnson, of Morrisville,
is spending this week here with her
grand children, Pauline and Forest
Lawrence.

Mr. Wayland J. Hannon spent
Saturday and Sunday with relatives
in Moore county.

Mr. and Mrs. David Strickland, of
Southern Pines and Mr. and Mrs. R. H. Marks and little Dan Marks, of
Chapel Hill, were recent visitors here.

Mr. Avery Marks who has been
working with the Phoenix Utility Co.,
has accepted work at Moncure and
expects to move there shortly. We are
very sorry to have Mr. and Mrs. Marks
leave us, but we wish them
continued success.

Mrs. J. A. Mims, little Miss Claire
Eve Mims and Mr. W. A. Griffin
motored to Durham Sunday. They attended
services conducted by the well
known evangelist Ham.

At a meeting of the Betterment Association
this afternoon it was decided
to have a Hallowe'en party and
oyster supper combined at the school
building Saturday evening, November 3rd. Everybody is cordially invited.
Let every member of the Betterment consider herself a publicity
committee and lose no opportunity to
advertise the Hallowe'en party. We
are eager to have a large crowd for
the Hallowe'en activities will be interesting
and the oysters will be most
palatable.

The old adage that every question
has two sides has been repeated until
it may sound trite, but it seems
that it is specially appropriate and in
an intelligent community it does not
seem that it should be necessary of
repetition. We should be able to discuss
questions calmly and fairly without
losing either our temper or poise.

It is hard for an angry person to be
either fair or honest, and above all
things when questions of community
import arise personal prejudice and
differences should not be considered.

The subject should be viewed from
the standpoint of what is best for the
community as a whole, and not which
may or may not be of value to one
or more individuals. If we can't have
a truck, and thereby give Brickhaven
youngsters a chance to have an eight
months school term, let's get our
heads together, so to speak, and plan
whereby the children in this district
may have equal opportunity with
those of other districts. We do not
think that the community as a whole
would like to go on record as standing
squarely against the longer term.

Certainly there are residents here
who did not sign the petition recently
circulated and it is a question
whether some who did would do so
again. But let's not wrangle and grow
bitter over the past, but be ready
to grasp opportunities that surely
come to the communities that are
eager for the things that make a
better, bigger citizenship.

DEATH OF YOUNG GIRL.

With a sad heart, I will try to
write a few lines in remembrance of
Miss Mary Ann Clark, daughter of
Mr. and Mrs. Jordan Clark, who died
at her home on Cumnock, Rt. 1, on
Sunday night, October 21st.

Mary Ann had diphtheria and was
sick only a few days. She was 12
years of age.

Her remains were interred in Antioch
Christian church cemetery on
Tuesday, October 23rd.

Mary Ann was a bright and beau-

tiful girl, and was loved by all who
knew her. She will be greatly missed
in her home and in the community,
and very much so in her Sunday
school of which she was a faithful
member.

She is survived by her mother and
father, one sister and four brothers.

One of the brothers is now affec-

tured with diphtheria and was unable to
attend the funeral of his sister.

May God bless the bereaved ones.

YOW-FOUSHEE.
Last Thursday at the residence of
the bride's pastor, Mr. E. C. Yow was
united in marriage to Miss Maude
Foushee. The marriage ceremony was
performed by Rev. J. R. Edwards. Only
the attendants were present.

The bride is the daughter of Mr.
and Mrs. Ira Foushee, and has many
friends in this community who wish
the young couple many years of hap-
piness. They will make their future
home at Ore Hill.
