SANDY CREEK ASSOCIATION.

The Sandy Creek Baptist Association which embraces a large number of the Chatham churches, met at Aberdeen away down in Moore county, last Thursday. Mr. Victor R. Johnson, who succeeded his father, the late revered Prof. R. P. Johnson to the responsible position, and served with dignity and dispatch. Another Chatham man, Mr. Teague of Siler City was clerk.

Those who at one time or another attended from Pittsboro were: Pastor Gordon, Moderator Johnson, Messrs. Altan Riddle, P. T. Farrell, O. J. Peterson, and possibly others.

It was the first time the writer had ever attended a session of this historic body. He was entertained delightfully in the home of Mr. Yates, a Wake county man by birth but born of Chatham parents, his mother being a Council.

A large portion of the messengers were from several Chatham churches, but as we were late in arriving no attempt is made to list the Chathamites who attended.
