ENJOYED TRIP TO SEA

Mr. and Mrs. J. H. Lawrence and mother Mrs. A. Rosa Lawrence, of Brickhaven, enjoyed a visit to the home of Mrs. A. R. Lawrence's brother at Acme, near Wilmington, last week. The visit was extended to Wilmington and Wrightsville, where Mr. Lawrence had the pleasure of exceptionally good luck as a fisherman. In one morning he pulled in 200. They returned by way of St. Paul, Roberson county, where they visited senior brother of Mrs. Lawrence and reported as fine.

DIXON REUNION

Simon Dixon's Descendants to Number 3,000 Invited to Reunion

The descendants of Simon Dixon, whether Dixons or of some other name, are invited to the annual reunion, which this year is to be held at Cane Creek church. There are three thousand kinsmen listed.

Descendants or others having old papers or relics of the Dixon family are requested to carry them. Further information may be received by addressing Prof. R. H. Hutchinson or J. C. Griffin, Snow Camp, N. C.

PLENTY OF WATER FOR FAIR

The management of the Mebane Fair, which will be held next week, seems anxious for prospective visitors to understand that there will be no scarcity of water. Three artesian wells are ready to supply an abundance of water, despite the long drought, Thursday of the Fair will be boy scouts day, when troops of scouts are expected from a number of towns.

FOR OVER 40 YEARS

HALL'S CATARRH MEDICINE has been used successfully in the treatment of Catarrh. **HALL'S CATARRH MEDICINE** consists of an Ointment which quickly Relieves by local application, and the Internal Medicine, a Tonic, which acts through the Blood on the Mucous Surfaces, thus reducing the inflammation. Sold by all druggists. F. J. Cheney & Co., Toledo, Ohio.

MT. ZION NEWS

Rev. C. M. Lance preached an excellent sermon at Mount Zion church last Sunday afternoon. There were five taken in as members of the church. Mrs. J. Lee Harmon was received in the church by letter from Ashbury Methodist church on Goldston circuit. The other members were Mr. and Mrs. Turner Petty and daughter, Isabel, Minnie Harmon and Bettie Mae Harmon. The Misses Harmon were baptised by sprinkling, but Mr. and Mrs. Turner Petty and Isabel preferred being immersed, which the Methodists will do if anyone desires. The people gathered on the brink of Roberson Creek about five o'clock where the immersion took place "Nearer My God to Thee" was sung followed by prayer by Mr. Lance. This was indeed a very impressive service in its solemnity and quietness of the evening.

Mrs. W. B. Thomas also received the baptism by immersion. These new members were gladly received into the church by giving the right hand of fellowship.

Mr. John Thomas, a Confederate soldier whom we all esteem, has returned from a three weeks' visit to his brother in Bennettsville, S. C. Mr. Thomas is up in eighty years and he seems to be well and he looks young.

Mr. and Mrs. Ambrose Woody of Hickory Mountain visited Mr. and Mrs. Spence Woody last Sunday.

Mrs. A. O. Harmon and nephew, of Raleigh, visited relatives here last Sunday.

Brooklyn, N. Y. — Officer Smith writes:

Some years ago I suffered from severe nervousness, brought on by acidity of the stomach. I could digest but very little food, was rapidly losing weight and feeling miserably. I tried Tutt's Pills and the first dose gave me great relief. I continue to take them as directed and am glad to recommend them to all my friends who have used them with most gratifying results. At all druggists.

Movies at home! And you can make them yourselves. Some evening (when mother lets you sit up late) and you have lots of boys and girls to play, try stretching a sheet across the room and in back of it put a strong light. Big candles or a lamp will do if you haven't gas or electricity. Now, divide the children into two groups, and let one side be the "audience" and the others, the "actors". The actors must go in back of the big sheet and stand between it and the light. They can make all sorts of funny motions or even make up a little play, and their shadows on the sheet will look like regular movies to the little audience out in front. After they have done all of their stunts, let the "audience" be the actors and try their tricks while the others are amused. You can even invite the "grown-ups" to be the audience!

Sugar Snaps for Little Chaps!

Here's a little dainty that's good to nibble when you want just a wee bite of something sweet. Sugar snaps are so easy to make that I'm sure big sister would be glad to bake them for you. Ask her to make them this way:

- 1 cup butter,
- 2 cups sugar,
- 4 cups self-rising flour,
- 1 egg.

The mixture should be chilled before the dough is rolled out. Roll thin. The oven should be quick, but not too hot. Bake about ten minutes.

Miss Carrie Guinn, who was awarded a scholarship in the Pineland Junior College, Salemburg, Sampson county, has gone down to begin the session's work.

Miss Nellie Peterson who has spent the summer here with her parents, will return to Clinton tomorrow to resume her work as principal of the elementary school in that town.

This is the season when those jolly little red cranberries can be used to best advantage. During all the holiday feasts we make a heap of dainties with cranberries and the folks surely enjoy them. We use a rich cranberry sauce to make most of our things and often make it with biscuit dough for downright tastiness. This is the way I make my biscuit dough, and if I do say it myself, I don't think you could find a better way: mix 4 level tablespoons of shortening, 1/2 lb. butter or vegetable fat, into four level cups of self-rising flour which has been sifted. Then stir in a cup of sweet milk or a cup of cold water. Be sure not to use sour milk or buttermilk, and do not add soda. Have a soft dough, then roll out on a lightly floured board. Bake in a very hot oven. With this you can make cranberry cobbler, cranberry shortcake or cranberry tart. They're all good.

For Pineapple Shortcake

Emmy Lou taught us a new wrinkle the other day. She just sweetened my biscuit dough a trifle and made it richer and baked it in two parts in a round tin. When it was nice and brown she took it out, split it while hot and poured it. Then she poured a rich sauce of crushed pineapple over this and we had real pineapple shortcake!

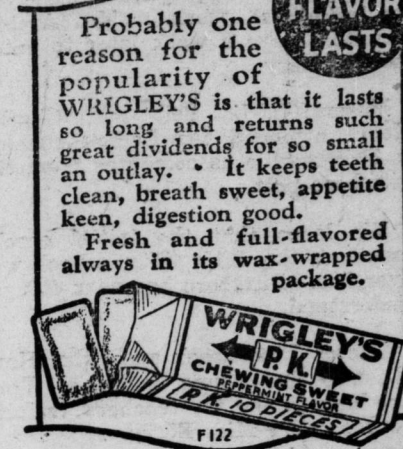

"On, button, who's got the button?" Here's the way to play the old-time game: Have one player stand in the center and the rest form a circle about him. Each player clasps his left hand the right wrist of his neighbor on the left so that one hand is free. The button is passed from one to another and the one in the center has to guess who has it. When he thinks he has guessed correctly he walks up to the player and points to his hand and says, "You have the button." If he is right he changes places with the one whom he has guessed, but if he is wrong he asks this player to guess who has the button. If the player guesses correctly he can take the place of the one whom he has guessed, the second player going into the center and the one who is taking the vacant place in the circle. If the player is wrong in his guess he must change places with the one who is in the center.

Have Some Mock-Nut Cookies!

- 3 cups uncooked oatmeal
- 2 tsp. self-rising flour
- 1/2 cup butter
- 1 cup sugar
- 2 eggs
- 1 tsp. almond flavoring.

Beat the eggs, add the sugar and beat until very light. Add oatmeal and sifted flour. Beat well. Add the melted butter and almond flavoring. Drop by teaspoonsful on a greased baking sheet and bake in a moderate oven about 15 minutes.

WRIGLEYS HOW MUCH DO YOU OWE YOUR DOCTOR?

Probably one reason for the popularity of WRIGLEYS is that it lasts so long and returns such great dividends for so small an outlay. It keeps teeth clean, breath sweet, appetite keen, digestion good. Fresh and full-flavored always in its wax-wrapped package.

"It Certainly Is a Smart-looking Car"

That's what everyone has to say who has seen the latest Ford cars. Closed cars now shown in color are unusually pleasing; new and finer upholstery gives an artistic harmony to the cars. Bright nickel-eled radiators feature the closed cars and nickeled headlamp rims are on all types. The fenders are larger and longer, and the running boards are wider. Comfort is increased by the cars' lower center of gravity, by the low, deep, wide seats, by the added foot room, and by many other refinements that contribute to your ease, convenience and safety. Here is the ideal car for a woman's personal use—good-looking, trustworthy, easy to handle and inexpensive to maintain. Here, too, is a practical car for any family—that every member of the family can enjoy.

Runabout	\$260	Tudor Sedan	\$580
Touring	290	Fordor Sedan	660
Coupe	520	Demountable rims and starter extra on open cars

Firestone

Tire Prices Are LOW-CRUDE RUBBER HIGHEST IN YEARS
Buy Now and Save Money!

The unprecedented demand for Firestone quality and mileage has more than doubled the sales of Gum-Dipped Cords to car owners so far this year, enabling us—because of this tremendous volume—to keep prices low. Firestone extra process, is also one of the biggest and most important economy factors in tire performance. This method of treating cord fabric, developed by Firestone tire chemists and engineers, insulates every fiber of every cord with rubber, and gives the sidewalls the extra strength to withstand the extra flexing strain—insuring maximum safety, comfort and economy. Experienced car owners insist on tires that deliver the greatest mileage at the lowest cost per mile, because such tires last longer—make the restricted rubber supply go further—reduce crude rubber costs—and help maintain the present low tire prices. Buy now—make sure of economical transportation by obtaining these outstanding Firestone superiorities at present low prices.
