### CAMPAIGN EXTENDED

Because of the interference of the holidays and the seige of bad weather it has been decided better to extend the campaign two weeks, making it close February 20th instead of February 6 as formerly advertised. This extension will enable the candidates to get out into the sections that have been isolated because of the bad roads. All contestants have agreed to this and are well pleased to have the additional time.

The above is the comparative standing of all Candidates for the week ending Saturday, January 16th, in the Essex race for the Essex Coach and the Ford Touring Car, and the other valuable prizes. The next scoring will be made Saturday Jan. 23rd.

Saturday, Feby. 6th.

Saturday, Feby. 20th.

Those are the two dates all Pittsboro and surrounding territory are watching with interest.

The first marks the close of the present big "Second Period" vote offer, and the second is the closing day of the Record's Salesmanship Club Campaign.

Reference to the calendar will show that both days are not far off—they will be here and gone almost before you realize it.

Four weeks from next Saturday night and the most exciting and interesting race ever staged in Chatham county will come to a close.

There are many of the contestants right up at the top of the list. The difference in their standing is of small consequence. A day's hard work would make a great difference in the standing of any one of those at or near the top of the list.

All sections of Chatham county are now more or less interested in the outcome of this race. In fact, there is not a spot left in the territory where you will not find an enthusiastic booster for one of the candidates. Day by day the race gets warmer. Who will win the Essex Coach or Ford Touring is a burning question, and will soon be decided by the votes of the subscribers of the Chatham Record.

This is the closest race, thus far, that the Record's Club Manager has ever experienced in the conducting of circulation drives.

**Campaign Will Soon Be Over**  
The candidates know it only too well. That's why they are exhibiting speed and hustle as never before. For the greatest newspaper campaign ever conducted in this section will soon be over and the next sixteen days of the present vote period may decide the winners of the many valuable awards to be distributed to the winning candidates in the campaign. Every effort is now being centered on the present vote period, as most of the candidates realize the urgency of getting the votes now to hold their position during the home stretch of the campaign.

The present vote offer is the biggest and best remaining vote inducement of the campaign. Up to Saturday night, February 6th, subscriptions will count many more votes than they will later on.

The wise candidate will get in every possible subscription before the close of the present offer and amass a good vote total.

**The Honor Roll**  
Every candidate in the list should try for the Honor Roll each day. Send

in subscriptions just as fast as you secure them. Try to get your name on the Honor Roll column at least once during the week.

Show your friends that you are working hard—show them that you are deserving of success. The Honor Roll column shows just who the hardest workers are.

The Honor Roll winners for this week are printed above. They are the candidates who turned in the greatest amount of collections this week.

The candidate turning in the most received the Special Distinction of Honor Roll Candidate and also got 50,000 Free Honor Roll votes.

**Counts More Now**  
Votes piled up now when every subscription counts more votes, will be hard to overcome. Every time a candidate turns in \$15, besides the big schedule of regular votes they get 100,000 extra votes. After Saturday, Feby. 6th, the regular vote schedule takes a big drop.

In every section candidates are working like beavers so as to put on the books to their credit the largest possible number of votes. A beautiful race it is—between every community and its representative candidates—all going strong and full of enthusiasm, all confident of winning.

And the early termination of the second vote period offer is just why every candidate in the list should be doing his best. Get Busy—Keep Busy—and Win! Throw your whole force into the campaign and make doubly sure of winning the prize of your choice.

It is truly "anybody's race" up to this time and a few long term subscriptions turned in right now would make new leaders.

**Honor Roll**  
During the second period, from Jan. 18th to Feby. 6th, the Honor Roll will be established, and the following will be effective:

For the best cash daily report, a certificate good for 50,000 extra votes will be issued. For the best daily report on subscriptions, a certificate good for 50,000 votes will be issued.

It will be possible for a candidate to win both these extra certificates in one day. Contestants should, by all means, make an effort to get on the Honor Roll. This will show to your friends that you are working.

**Extension Subscriptions**  
Monday morning, January 18th, the Second Period started. Workers will now give their time and attention to EXTENSION SUBSCRIPTIONS.

This is a most important announcement. Read it carefully. A subscription extended by a subscriber who has given a subscription in the first period is called an EXTENSION SUBSCRIPTION. For instance, if you get a subscription from a subscriber who has paid a subscription in the first period you will be entitled to take credit for a two year subscription. In other words, add the number of years one extends his subscription to the one he has already paid, then take credit for the full number of years. EXTENSIONS WILL COUNT UP FASTER THAN ANY SUBSCRIPTION YOU CAN GET. Go back to your friends and show them how they can really help you now and they will be glad to EXTEND THEIR SUBSCRIPTIONS.

When you write an EXTENSION please designate same on report sheet

## OBSERVATIONS BY CAMPAIGN MAN

**Lots of Changes in the Line-Up Today**

**SATURDAY NIGHT, FEBRUARY 6TH.** The time, nine o'clock. That's when the BIG VOTE OFFER ENDS. Miss Alma Dixon finds it mighty easy to get Record subscriptions, it seems. If you don't believe it, give her standing in this issue the "O. O." "You can bank on me for one of the Big Prizes," says Mrs. Clara Harrison. "Believe me, I need a car, too." Yes, the campaign is developing into a pretty race, with changes in the line-up each and every day. Honk! Honk! HONK!

**And the Second Period Ends, Saturday Night, February 6th**  
And, unless the "dope" is wrong, the next automobile census taken in Bear Creek is going to show an increase.

If you don't think so, then just ask Mrs. Leola Fitts Brooks. She says she KNOWS!

Watch these out-of-town candidates go—they are in the race TO WIN. DON'T WISH—ACT!

And don't be afraid of having too many votes. The subscriptions you secure in the next sixteen days may decide the Prize You Will Win.

Remember that the Second Period ENDS ON SATURDAY NIGHT, FEBRUARY 6TH, AT 9 BELLS. Don't overlook the day and date!

Keep your weather eye on Mr. B. D. Thrailkill. He is in to WIN, and his entire section is with and for him.

Mrs. M. Mann says that the roads around her territory will be in excellent condition for her New Car. After Saturday Night, February 6th, Less Votes

Miss Lillian Dismukes has a host of friends and well-wishers, and promises to poll a dandy total by the time the Campaign ends.

Yes, folks, It's a Close Race.

**LISTEN—Don't underestimate the other fellow. Remember the old story about "The Early Bird?"** Well, Get your votes now, while the Big Second Vote Offer is on.

**VOTES ARE THE ONLY THING THAT WILL WIN THIS RACE!**

Better, by far, to have too many of them than not enough—You have Sixteen more days of the BIG VOTES. Get BUSY and KEEP BUSY.

Miss Emma Barber is organizing a fighting force equal to an "Over-seas" Army for the FINAL DRIVE for Big Votes, in the Second Period in her race of the Essex Coach.

Miss Catherine Palmer, one of the youngest and most popular candidates, has found out that Steady Work and Votes will WIN.

Mrs. P. H. Elkins is running a regular Marathon in this territory. It would take a Deputy Marshal to locate her when she is out Campaigning.

Mr. Garland Perry says that "In Union There Is Strength." Pretty good slogan. Keep your home fires burning, Mr. Perry.

The friends of Miss Fannie Bland say that their favorite will be a Car Winner, or they are missing their guess by a mile.

The friends of Mrs. Pugh are battling 100 per cent for their Campaign Favorite.

And by the same token the friends and admirers of Mrs. R. F. Hilliard are making plans that promise to bear fruit for their choice.

Come a-runnin', folks! Remember at every turn of the road, that your chances to drive the Essex Coach are as good as the chances of your opponents.

Keep your eye on some of those who may be down in the list now—you cannot always, sometimes tell, you know!

**BUILD CLUBS AND WIN!** Remember this: The unknown strength of candidates is what puts them OVER THE TOP. If your voting strength is Ever Known, you Will Never Win! There can be no mistake about that.

Don't be afraid of getting too many votes. That Never Did Happen. The more votes you get the more it will take for the others to win.

Listen!—Do not underestimate the other fellow's vote-getting power. That sometimes beats a Real Worker.

Yes sir, when you meet a worker who has a smile on his or her face, you are more than likely looking into the eyes of a Winner.

**MRS. ANNIE H. EUBANKS**

Mrs. Annie H. Eubanks, widow of the late Rom S. Eubanks, who suffered a stroke of paralysis recently, died at her home near Pittsboro last Thursday night and was buried in the Baptist cemetery Saturday, Pastor Gordon conducting the services.

Mrs. Eubanks was a daughter of the late "Buck" Hadley. Her husband has been dead several years, but she leaves several worthy sons and daughters to bless her memory.

by marking 1x2, or 1x3 as the case may be, from so many years to so many years more. A subscription given in the first period for one year and now extended for two years making a three-year subscription in all,
