

**Town and County Briefs**

Messrs. J. L. Griffin, W. L. Langley, and Lee Farrell attended the state bankers' convention at Durham, last week.

Mr. J. T. Bland had a novel experience Saturday. Near Sanford a little boy, starting to cross the road to help his mother drive a cow, ran squarely into the hind fender of his car, considerably indenting the fender with his head, yet claimed that he was not hurt.

Miss Elizabeth Burns, daughter of Mr. and Mrs. John B. Burns, graduated at the Highsmith Hospital last week, and is doing special nurse work in that institution. Miss Burns is said to be one of the most efficient nurses graduated from that hospital. She recently took the state examination for nurses, but at this writing there has been no report as to the successful candidates. However, there is scarcely a question that she passed with credit.

Mr. John R. Goodwin tells us that he and family had the pleasure of attending the golden wedding of Mr. and Mrs. A. J. Richardson, just across the Chatham line in Alamance, in fact in the part of Alamance taken from Chatham a few years ago. It was a great dinner and a great crowd, including five preachers. A good program of songs and speeches was rendered. Quite a number of presents were received by the aged couple. Mr. Richardson was Miss Della Mann, reared near Bynum. We hope they will live to celebrate their hundredth anniversary.

Mr. and Mrs. A. M. Ross, of Roxboro, visited the former's parents here, Mr. and Mrs. R. M. Burns, the first of the week. The parents, by the way, are still as well as usual. Mr. R. M. Burns is nearing his 91st birthday. Mr. A. M. Ross informs us that A. M., Jr. has accepted a position with the W. L. Bank and Trust Company and will be located at Asheville.

Mr. and Mrs. Jesse Thomas and Mrs. McGowan of Wilson arrive today to visit Mrs. W. H. Hunt.

Mr. Jamison Glenn of Hickory spent the week-end with his mother Mrs. R. A. Glenn.

Mrs. B. A. Perry, her friends greatly regret, is desperately ill. She is at the home of Mr. Perry's brother in Durham.

Mothers' Day program at the Baptist church Sunday was quite enjoyable.

Miss Eva Culbreth, teacher of mathematics at N. C. C. W., Greensboro, spent the week-end with her sister Mrs. C. M. Lance.

We appreciated visits Tuesday from veterans T. Y. Mims, of Corinth, and J. H. Gilmore of Moncure R 1, and T. H. Thomas, of Moncure R 2.

Mr. Roland Goldston came in Tuesday from a few days at White Lake, where his father, Mr. R. L. Goldston, is in charge of the resort.

Mr. and Mrs. P. A. Hayes and children of Greensboro will spend the week-end with Mr. and Mrs. J. L. Griffin.

Mrs. John C. Lane, of Siler City, received news Monday of the sudden death of her father, Mr. John Rankin Parks, at his home near Greensboro. Mr. Parks was formerly a resident of this county.

County Agent Shiver, upon the advice of his physician, is taking May off for recuperation from an attack of influenza. He is expected to take up his work again June 1. District Agent O. F. McCrary, Raleigh, will be glad to receive any one who desires during Mr. Shiver's absence, or will even come to the county if needed.

The clinic for cripples will be held at Sanford Friday, May 21, instead of 14th, as stated in another item. The correction is made by advice of the supervisor of vocational rehabilitation.

There is promise of a season at last. Planting has been seriously retarded.

There will be a clinic for crippled folk, especially children, at the Baptist church in Sanford tomorrow, Friday. Examination and readily applied remedies are free.

Miss Mary Burns of Sanford visited Misses Ina and Lacie Gilmore on Siler City route five Sunday.

Mr. McGee, who has for some months been with the S. A. I. train force and who seems to have definitely succeeded Mr. Lawson (SILVER), has moved into the Farthing house near the Baptist church. Mr. McGee's home has been in Louisburg. Mr. and Mrs. Lawson are living at Moncure and Mr. Lawson has a main line run. The Pittsboro-Moncure runs are among the most desirable in the state and Mr. McGee's seniority gave him the right to the job.

\*Squire Blair has an office now above Brooks and Eubanks' store.

**Rejected for Civil War Duty, Now in Good Health**

Danvers, Mass.—Though rejected as a volunteer with the Union forces of the Civil war because physicians said he was "not strong enough," S. Jaazaniash C. Pierce recently entered upon his one hundred and fourth year with cheery good health and an active interest in the changed world about him.

Impaired hearing and sight keeps him in the house of his daughter, Mrs. Leland J. Ross, but he is up and about every day and enjoys having newspapers read to him. His father was a veteran of the War of 1812.

**MARRIED**  
License was issued May 8 for the marriage of Henry E. Leonard and Nellie A. Brewer, both of Bennett; and on the 11th to G. R. Markham and Sallie L. Arnold, of Morrisville, R. F. D. 2. Squire Blair performed the ceremony for the latter couple on the spot.

Miss Ethel Johnson is home from her school at Apex, which closed last week.

**D. OF C. CONTINUED**  
The subject for reading on 15th will be Jefferson Davis. Reports are desired from the Memorial Committee for the different church yards as to condition of Confederate graves therein—there being a chairman and committee for each church yard to have a walk cut around each Confederate grave, so that it can be better cared for.

**Good sermons twice a day at M. E. church, by Rev. O. W. Dowd of Louisburg, but a native of this county.**

**Miss Mary L. Burns has been quite sick.**

**MOUNT ZION NEWS**  
We were proud of our Sunday school last Sunday. There were a number of young people, children and older people present. Everybody seemed to be interested and felt that they had a part. There has been a considerable interest shown in Sunday school work all the year. Mr. J. Lee Harmon the progressive superintendent, is doing his best. He and the officers, teachers and Sunday school cooperate in a splendid manner. "Sunday School Day" or "Children's Day" will be held the first Sunday in June at three o'clock. Miss Janie Clegg, Miss Ola Harmon, and Mrs. J. Lee Harmon were appointed as program committee. As last Sunday was Mothers' Day, it was noticed that flowers were worn in memory of Mother. Prof. Geo. D. Harmon of Lehigh University remembered his mother on Mothers' Day with a beautiful bunch of pink carnations, a card, and of course a letter. We are glad to say that Mrs. Harmon who is sick seems to be improving.

Mrs. Talmage Harper, who has been with Mrs. W. B. Harper for sometime has returned to her home in Durham.

Mr. and Mrs. Clyde Griffin and little son, Holt, spent last Sunday in Durham with her parents, Mr. and Mrs. Geo. Thomas.

We are sorry to report that Mrs. Spence Woody is sick.

Mr. J. Obie Harmon of Chapel Hill, Miss Cordie Harmon, and Mr. and Mrs. J. W. Griffin, of Pittsboro, were visitors of Mrs. J. C. Harmon Sunday.

Mr. and Mrs. Carl Goswick of Durham, Mr. Clarence Barham of Johnson county, Mr. A. O. Harmon and son of Clabourne of Raleigh were week-end visitors of Mrs. A. O. Harmon.

The mid-week prayer meeting has been changed from Wednesday evening to Sunday evening. We hope that these prayer services will be well attended.

**County Government Abuses**

(The Chapel Hill Weekly)  
Paul M. Wager, a research worker connected with the department of rural social economics in the University, has rendered a public service of a high order in writing the articles on county government which are appearing serially in the Southern Agriculturist. Fortunately the editor of the magazine is seeing to it that copies of it reach the newspapers in North Carolina, and the consequence is that thousands of the state's citizens are learning, as they never before had the opportunity to learn, of the wastefulness and inefficiency which mark the conduct of the public business in most of the counties.

Knowledge much precede reform, and Mr. Wager sets down in detail facts which people have previously only suspected or which have been presented to them only in haphazard fashion. Voters now have definite and precise information to guide them. Of course there is not going to be any immediate revolution in county government; but the effect of the articles, and of the comments they have brought forth, is sure to be reflected, in time, in the lopping off of unnecessary positions and in the inauguration of better methods of book-keeping and administration.

A few of the counties of North Carolina have already installed the manager system or something akin to it. Most of them have not. The probability is that, in the next few years, many which operate under the old-fashioned commissioner plan—with three commissioners meeting once or twice a month and passing hurriedly upon matters of which they know little—will decide to have a paid official who will devote his full time to the conduct of county business.

**Stop Dandruff!**  
Beautify Hair  
With Danderine  
Hair stops coming out and every particle of dandruff disappears.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff. One application dissolves every particle of dandruff; invigorates the scalp, stops itching and falling hair.

Furthermore Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow strong and beautiful.

Bobbed hair has made the girls aware of the dangerous effects of unsightly dandruff which is now more apparent than ever since the hair is short.

Danderine is a sure way to get rid of dandruff and immediately doubles the beauty of your hair. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Danderine from any drug store or toilet counter for a few cents and keep that dandruff out of your hair and off your shoulders.

**A Cool Kitchen**

When the sweltry days of summer come, it will be fine to have a Perfection oil stove in your kitchen. You will find it does not heat the room as does the wood stove, and there are no ashes to bother with and to muss up the floor. The Perfection makes it possible for you to enjoy a clean, cool kitchen, while the fuel problem becomes the simplest. A can of ordinary kerosene solves the fuel problem during the hot and busy weeks on the farm.

Be sure you read the series of fine display advertisements of the Perfection that begins in this issue of the Record, and remember when you are convinced that you should have one of those splendid labor and heat-saving stoves, that you can find them at our store.

Come in and let us demonstrate the Perfection for you.

**Dear Record Reader:**

An error made by most people seeking independence is that they waste much of their income because of the lack of system in handling their financial affairs. Waste should be eliminated and a certain amount should be regularly saved and deposited in bank where it will earn interest.

Most of the failures are due to a wrong conception of life. The most common mistake made by many people is that of failing to start a bank account.

The fact that an account in bank is helpful is evident. Were this not true there would be no bank depositors. Without banks business could not be transacted without greatly increased cost and every individual would be forced to pay his due portion of such expense.

This bank is ready to help every individual and it is pleasant to deal where you know you are wanted and where every officer and employee extends to you a proper business courtesy and polite attention.

Place your money with us for safety and for the interest it will earn for you.

Cordially yours,
