

TOWN AND COUNTY BRIEFS

Dick Ramsay says that his transfer business built up during a period of fifty years went up in smoke in five minutes. But Dick did not lose a single car, and if he has no headquarters, he is the same dependable Dick wherever one finds him.

Martin Scurlock was the principal loser by the fire Friday night, with the exception of Dr. Chapin. The Scurlocks lost all their cafe equipment, including the stove. The pressing club man had moved out after the dynamite explosion new year's morning, and it was in that room the fire started.

Sheriff Blair was ill all last week and was not out Monday. Deputy Desern was enrolled on the sick list Monday. But Deputy Lacey Johnson had recovered from his spell of the flu and was on the job.

There was sleet from just out of Pittsboro, north, Monday morning, but none reported in Pittsboro. Snow is belated here. None up to Monday.

Boone Brothers have moved their stock of goods from the store on Main street to the building in front of Poe and Moore's store near the depot. As the building formerly occupied by them was just made vacant, Mr. W. R. Oldham moved his barbershop equipments into it when he moved them from the building before it was burned Friday night.

Mrs. Warden W. Mann, of Baldwin township, has been very ill with pneumonia. Miss Lucile Peterson, professional nurse, was called in Sunday evening to care for her during the crisis.

Mr. and Mrs. F. J. Faison came up from Roseboro Sunday to visit Mrs. Faison's parents.

Mrs. Emily Taylor spent the week-end with Mrs. B. Holt at Graham.

Mrs. James Powell of Minnesota, but for the present representing his company in the North Carolina territory, spent Sunday with his sister-in-law Mrs. W. L. Powell.

Miss Alma Dailey, accompanied by a college mate, came in from Greensboro College to spend the week-end with her parents.

John and Lawrence London, and Fred Noe, University students, were home for the week-end.

Mrs. George Brewer and daughter Georgia visited Mrs. Jacob Thompson in Raleigh the first of the week.

Mr. Bennett Noe, Jr., of Leaksville, was in Pittsboro Sunday.

Rev. Paul Caudill, of Wake Forest, filled his regular appointment at the Baptist church Sunday. Mr. Caudill has accepted a call to the pastorate of Gum Springs church also.

Hon. Walter D. Siler spent Sunday at his home near here.

Miss Louise Brooks of the Brick Haven School and Miss Minnie Bell of the Moncure faculty spent Sunday with home folk here.

BEAR CREEK NEWS

A KINDLY DEED

Mrs. H. F. Durham, teacher, Mrs. O. W. Mann, president, with nineteen other members of the Brown's Chapel "True Workers Class," who naturally have a kindly feeling for children, responded to a plea sent out by Rev. A. S. Barnes through the Christian Advocate for bed covering for the Methodist Orphanage, of which Mr. Barnes is superintendent; each made a quilt square and then they met one day last week in a S. S. room at the church and quilted the quilt, and, in addition, purchased two pairs of woolen blankets. These ladies all had a good, jolly time time doing this work and felt grateful that they might have a part in adding to the comfort of the children at the orphanage.

CORN CLUB CHAMPIONS ANNOUNCED FOR STATE

E. Gordon Marshall of Chatham Winner of District Prize With Yield of 75 Bushels.

Raleigh, N. C., Jan. 28.—Jesse Johnson, 4-H corr club member from Pasquotank County, is the new champion corn grower among the club members of North Carolina for the year 1928.

Young Johnson produced a certified yield of 150 bushels of corn on one acre of land at a cost of \$40.20 or a cost per bushel of 26.8 cents, according to records filed with state club leader L. R. Harrill, of the State College extension service. Second prize winner is Woodrow Dowd of Cullasaja in Macon County who produced 110.5 bushels at a cost of \$30.05 or a cost per bushel of 27.2 cents. Third prize winner is Phillip Lutz of Newton in Catawba County who produced 113.1 bushels of corn on one acre. It was first thought that Phillip had won second prize but his cost of production was high, amounting to \$54.70 for the acre, or 48.3 cents per bushel. Fourth prize winner is E. Gordon Marshall of Pittsboro in Chatham County who produced 73 bushels at a cost of \$20.95 or a cost per bushel of 28.4 cents. As a result of winning first prize, Jesse Johnson will get \$75 in cash and probably a free trip through Louisiana, Texas and Mexico from funds donated by the Chilean Nitrate of Soda Educational bureau. The other three prize winners will either be awarded \$45 each for being prize winners in their respective districts or second, third and fourth prizes totaling to the same amount of money. These three prizes will also be awarded by the nitrate organization.

Mr. Harrill states that each of these prize winners used good, selected seed, prepared his land well, fertilized properly, top-dressed his corn with nitrate and cultivated the crop according to extension recommendations. The yields were carefully weighed and certified to by disinterested persons.

HAS NEW IMPROVED FOUR WHEEL BRAKES

Full floating, self aligning, two shoe four wheel brakes provide two-way braking efficiency on new Essex Challenger.

The brake shoes float in position and present the full surface of the lining at the instant of brake application.

With this design of floating shoes it is impossible for the brakes to drag. This improvement will increase the service life of the brake and furnish a trouble free braking system. Ordinary brakes have from 30 per cent to 50 per cent efficiency upon application when the car is reversing. The Essex Challenger full floating brake shoes provide 100 per cent efficiency either forward or back.

These shoes are lined with a pressure molded lining. This lining is impervious to water and oil, providing full brake pressure power under all weather conditions. Tests conducted showed that service wear did not detract from their efficiency

because the lining is identical in texture throughout.

The whole braking system is an example of simplified design typical in the nek Essex. A single adjustment easily made without tools is provided to compensate for wear. This is the only adjustment necessary to maintain the full effectiveness of the braking system.

WILL YOUR ROOF STOP FIRE?

If a flying fire-brand should fall on your house-top, would your roof protect your home against fire? If it wouldn't you live in constant danger of having your whole home wiped away by fire—a risk entirely too great to bear.

You can have your home covered with a roofing that will protect all roof fires and that will stand up as long as your home stands. And you'll never have to worry about repair bills, either. Call on Budd-Piper to supply you.
