

**VALUABLE NEW BULLETINS AVAILABLE TO FARMERS**

Raleigh, N. C., Jan. 23.—Ten new publications that will be of interest to farmers of North Carolina have recently been published by the Experiment Station and Extension Service at State College.

Each of these publications is available to readers of The Chatham Record on application to the agricultural editor of State College at Raleigh. A card asking for the one desired or for all ten will receive prompt attention and the publication will be mailed as soon as possible.

- The list is as follows:
- Bulletins**
  - No. 260—System of Livestock Farming For the Mountain Region of North Carolina.
  - No. 261—Value of Lime on Cecil Clay Loam Soil.
  - No. 262—Value of Lime on Norfolk Sandy Loam Soil.
  - Technical No. 33—Method For Measuring Drag of Cotton Fibers and the Relation of Physical Properties of the Fibre to Yarn Quality.
  - Extension No. 173—Terracing Farm Lands.
  - Extension Folder No. 8—Tobacco Plant Beds.
  - Agronomy Information Circulars**
  - No. 20—Results of Cotton Variety Demonstrations.
  - No. 21—The Quality and Yield of Cotton as Influenced by Fertilizers and Soil Types.
  - No. 22—New Fertilizer Materials and Their Uses.
  - No. 23—Plan of Organization Used in the Community Improvement of Cotton in North Carolina.
- The Experiment Station and Extension Service does not maintain a large mailing list of farmers to whom bulletins are sent. Most of the publications are distributed through the county agents or on request from individuals. But those who wish to have definite information on a particular subject should write for a publication dealing with the subject. The research workers and specialists have prepared and published a number of other valuable bulletins which may be had free of charge.

request from individuals. But those who wish to have definite information on a particular subject should write for a publication dealing with the subject. The research workers and specialists have prepared and published a number of other valuable bulletins which may be had free of charge.

**Government Money To Loan**

in Chatham and Lee Counties 5 1-4 and 1 per cent principal annually pays off loan in 33 years.

**Are You Ready**

**When your Children Cry for It**

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than Baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot pat away. And it's always ready for the crueler pangs of colic, or constipation, or diarrhea; effective, too, for older children. *Twenty-five million bottles were bought last year.*

**EYESIGHT SPECIALIST**

will be at Dr. Farrell's office, Pittsboro, Tuesday Feb. 26. at Dr. Thomas' office Thursday, Feb. 28

Siler City.  
10 AM. to 3 PM.

**Real MONEY**

**from your COTTON**

**W**HY not decide now to make a real profit from your cotton crop? It's not a matter of luck.

Be sure your cotton has Chilean Nitrate of Soda at planting time and at chopping time. You'll make more cotton per acre and it will cost less per bale to make it. Starts cotton off well. Makes strong healthy plants. Helps to set an early crop ahead of the weevil.

**13 Bales on 6.4 Acres!**

C. P. Ellis, Clayton, N. C., who won the title of champion cotton grower in 1927, used 100 lbs. of Chilean Nitrate at planting, with acid phosphate and potash. Then he gave his cotton 2 side dressings with Chilean Nitrate, 100 lbs. per acre each time. His yield was 13 bales on 6.4 acres!

Now is the time to make sure of your Chilean Nitrate. Figure out your needs. Your County Agent will help you. Then place your order and be sure of a money-making crop the coming year.

**A New Fertilizer Book—FREE**

Our valuable book "Low Cost Cotton" will help you make a better crop. It is free. Ask for Book No. 2 or tear out this ad and mail it with your name and address on the margin.
