

**BEAR CREEK HAPPENINGS**

**Too Late For Last Week**  
Rufus Abbot, who has lived at the Mrs. W. L. Goldston place, on Rt. 2, has moved to the late J. J. Goldston place, now owned by J. E. Rives, on Goldston, Rt. 1. We regret to lose Mr. Abbott's people. T. Garland Watkins has moved into the house vacated by Mr. Abbott, Mr. Watkins moving from his father's, J. H. Watkins.

W. Herbert Murray has been appointed deputy sheriff in Gulf township. He garnered in a still last week, we learn. Let the good work go on!

J. Henry Gunter, while hauling last week, got his left foot caught between the brakes on his wagon and a stump and crushed his foot badly. No bones were broken but the foot was painfully bruised. We hope that he will soon recover.

Mrs. Stigall, who has been a week end visitor at W. L. Coggins. Mrs. Stigall, who has been with her father for some time, has influenza.

A. Ralph Moore, who got the five-dollar gold piece given away last Saturday at the Burns land sale near Meroney church.

Mr. and Mrs. W. D. Thomas, Mr. and Mrs. H. L. Moody and Mr. and Mrs. O. S. Snipes, of Durham, were week end visitors near here.

Mr. W. B. Beaver, of Durham, visited his parents last Sunday.

T. P. Beaver is on the sick list we hear. Hope he may soon be well. Alfred Steadman, who died at his home on Cummock, Rt. 1 last Saturday after a short illness of paralysis. Funeral was held at Union Grove A. M. E. Zion church.

Mrs. Charles Wicker is in Central Carolina hospital Sanford, having her tonsils removed.

H. K. Willett was a business visitor in Sanford Monday of this week. J. B. Emerson was a visitor in Fayetteville last week.

Mrs. Florence Nunn Nelson, wife of R. L. Nelson, died at her home just south of town Sat. morning, February 2nd, after an extended illness. While she had been sick for sometime, she was not thought to be so critically ill and her death came as a shock. No one except her two sons were with her when the end came. Her husband had gone up town.

Mrs. Nelson was married to Mr. Nelson on January 1, 1899, and to this union was born five sons, one of which died when only nine months of age. Her husband and four sons survive. W. Austin Nelson, of Sanford; Ralph J. Nelson, of High Point; W. Crusoe Nelson, of Bear

Creek and James L. Nelson at home. She is also survived by one sister, Mrs. W. L. Sapp, of High Point. The funeral was held at Sandy Branch Sunday afternoon, being conducted by Rev. E. W. Byerly, of Bonlee. She was a member of the Christian church.

**NOTICE OF SALE**

Under and by virtue of the power and authority conferred on the undersigned mortgagee in a certain mortgage deed, executed and delivered to the undersigned mortgagee, Fannie L. Steele, N. L. Thomas and Elizabeth C. Thomas, his wife, dated August 20th, 1923, and recorded in the office of the Register of Deeds for Moore County in Book 41 at Page 79, default having been made in the payment of the indebtedness secured by said mortgage deed, the undersigned will, on Monday, March the 11th, 1929, at 12:00 Noon, in front of the Courthouse Door in the town of Carthage, N. C., offer for sale, to the highest bidder, for cash, a certain tract of land lying and being in Moore County, North Carolina, Mineral Springs Township, described and defined as follows:

**Don't Ask It**

Why does the Banker object so seriously to carrying Overdrafts? The answer is easy. An Overdraft is merely an unsecured Loan.

The Banker has a responsibility to his depositors. He cannot permit their money to be risked that way. Do not ask this Bank to honor your checks if you haven't sufficient funds. You are simply asking us to let you have some of our depositors money without security. We can't do that, for it is not in line with our sound business policy.

**Get Your Soy Beans**

Car of Soy Bean Seed to be Unloaded at Pittsboro  
By County Agent

**FEBRUARY 18 & 19**

This is a co-operative, non-profit transaction, and they get the beans at actual wholesale cost. In that case, it is necessary for you to come promptly and help save the cost of storing and handling. In fact, no provision is made for storing. So come either February 18th or 19th.

The Price is \$2.15 a bushel, but if the farmers are slow about getting them and cause more cost in storing and handling the price will necessarily be higher later.

**What 59 years have taught us about making gasoline**

The Standard Oil Company of New Jersey was a pioneer in refining gasoline. Since the first automobile was built "Standard" has been—both in quantity and quality—the leader in the refining and supplying of this necessary motor fuel.

This company has spent millions of dollars in research work and in the development of new and better processes of making gasoline. What has been the result? Just this—that you can depend on finding in every gallon of "Standard" Gasoline these qualities:

- Easy Starting*—even in coldest weather.
- Quick Acceleration*—a necessary thing in traffic.
- Power, Steady and Reliable*—for hill climbing and long hard runs.
- Mileage Efficiency*—proved over and over by road tests in every type of car.
- Safety to Motor*—a fuel that cannot possibly injure your engine.
- Complete Combustion*—a fuel that burns cleanly, leaving practically no carbon, and burns completely, leaving no "loose ends" to seep down and dilute the motor oil in the crank case.
- Uniformity*—you can set your carburetor on "Standard" and forget it, for every gallon is like every other gallon wherever you buy it.
- Availability*—"Standard" Gasoline has the further advantage of being easily obtained, as our red "Standard" pumps are conveniently located throughout the length and breadth of this state.

This rare combination of qualities makes "Standard" the best all-round gasoline on the market. The fact that it outsells any other brand of gasoline in this state by more than 2 to 1, is evidence of its superior quality. Use "Standard" Gasoline and you will get unvarying fuel satisfaction.

There is no truly "anti-knock" motor fuel being sold, except at a premium price. The best known "anti-knock" fuel is ESSO, the Giant Power Fuel. It is acknowledged by engineers to be in a class by itself—a genuine "anti-knock" fuel, specially made for use in high compression motors, and in motors that are carbonized from long usage. ESSO costs more to make and has to be sold at a small premium over "Standard" Gasoline, but ESSO gives an extra engine performance never before experienced. On sale only at the Silver ESSO Pumps with the ESSO Globes.
