WOMAN

She's an angel in truth, a demon in fiction; a woman's the greatest of all contradictions. She's afraid of a cockroach, she'll scream at a mouse, but she'll tackle a husband as big as a house. She'll take him for better, or take him for worse, she'll split his head open and then be his nurse, and when he is well and can get out of bed, she'll pick up a teapot and throw at his head. She's faithful, deceitful, keen-sighted and blind; she's kind; she'll lift a man up, she'll cast a man down; she'll make him her hero, she'll make him her clown. You fancy she's this but you find she is that, for she'll play like a kitten and bite like a cat. In the morning she will, in the evening she won't, and you're always expecting she does—but she don't.—Exchange.

The reason the average man can't tell a woman anything is because she would rather talk than listen.

ASPIRIN

The whole world knows Aspirin as an effective antidote for pain. But it's just as important to know that there is only one genuine Bayer Aspirin. The name Bayer is on every tablet, and on the box.
