Mesdames J. M. Gregory, president of the Winnie Davis Chapter of the U. D. C., headed a large delegation of the Pittsboro Daughters to the district meeting at Roxboro Wednesday. Mrs. Rufus Herring of Roseboro accompanied Mr. and Mrs. F. J. Faison to Pittsboro Sunday and visited her sister-in-law, Mrs. Fred Jerome, at the home of Mrs. Henry A. London. Mrs. James Cordon, who has been traveling with her husband, silk salesman for the great Feukds stores, writes from Shelby to say that the Parent-Teacher Association will meet at the school house Friday evening, April 5, at 8 o'clock. What Will you do When your Children Cry for It

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product; a baby remedy meant for younger folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that Baby becomes fretful, or restless. Castoria was never more popular with mothers than it is today. Every druggist has it.
