BARGAINS GALORE ALL THE REST  
OF THE MONTH OF MAY

I have leased one of my store rooms to a chain organization, and it is to be vacated before June 1. Our two stores are now chuck-full of goods, and that means that we must dispose of great quantities of them within the next three weeks, since one store will not begin to hold what we have.

### BRAND-FIRE NEW GOODS

Our stock consists of many right new spring goods for Ladies, Men, and Children. Accordingly, this sale means an offering of the most desirable goods at Bargain prices, and it behooves every reader to see that he gets his share of the savings to be made by buying here.

### A 20%-OFF SALE

All the stock will remain marked at present prices and 20 per cent reduction will be made on each article purchased. This is no fake excuse to put on a sale. The store room has already been leased and will be demanded by the chain store people June 1. Consequently, the goods must go, and you will be able to buy many things at less than it would cost to replace them.

SO BE HERE, FEAST ON THE VALUES,  
AND SEE THINGS HAPPEN
