

TOWN AND COUNTY BRIEFS

Lester Farrell returned this week to Mars Hill College for his second year of work.

We should like to have a full list of Chatham county students from each college. The number going to college this fall seems large.

Mr. and Mrs. W. H. Parks of Staley and Mrs. Raymond Hedgepeth of Greensboro are visiting Mr. and Mrs. George R. Pearce on Siler City route 2.

Miss Martha Ray is entering the University of Louisiana, at Baton Rouge. Her brother-in-law, Mr. Saville, is a professor in the University, and Miss Martha will be in her sister's home.

Mrs. W. J. Calvert left Saturday to meet her son, W. J. Calvert, Jr., in New York, where he was to land from Europe Tuesday of this week. Young Mr. Calvert is a teacher in William College.

Mr. O. J. Peterson, Jr., came up from Clinton Saturday morning and took his mother and sister, Miss Lucile, over to visit his aunt, Mrs. Neves, at Greenville, S. C. They returned Tuesday.

Mr. E. G. Utey of Norfolk spent last week with his mother and brother, Mrs. Ada Utey and Mr. Roy Utey, on Siler City route 5. Mr. H. G. Beard has been quite ill the past week.

Mrs. Bessie Early, formerly Miss Bessie Knight, of Gulf, died last week in Washington, D. C. She was a sister of Messrs. Fred and Phil Wright of Gulf. A number of relatives from Chatham, attended the funeral held in Washington City.

Don't forget that it is illegal to shoot squirrels in Chatham county before October 15. Counties west of Chatham, Lee, and Orange have open season beginning September 15. So if you want to go squirrel hunting go over into Randolph.

Mrs. J. L. Wall is visiting her parents, Mr. and Mrs. A. C. Ray. Mr. Wall has accepted the professorship of agriculture at Patterson's school, at Ledgerwood, near Lenoir. This is the school at which Jim Lanius has matriculated.

Mr. O. Z. Pearce, one of our county boys, but located now at Liberty, returned a few days ago from a trip into Canada. He visited Niagara Falls, Atlantic City and numerous other points of interest. He was accompanied as far as Farrell, Pa., by his nephew, Hubert Blair, Jr., whose parents live there, also two of Mr. Pearce's brothers, W. W. and A. O. Pearce.

Mr. James Hackney returns next week to Tulane University, New Orleans, to complete his course in medicine. The young gentleman has already taken two years at Tulane after having taken the preliminary medical course at the University of North Carolina. Also, Miss Edna, his sister, will return to the N. C. C. W., at Greensboro, for her senior year. These two capable young people are children of Mr. and Mrs. C. E. Hackney of Baldwin township.

One of the most interesting of the many family reunions held this season was that of the Dorsetts, held Sunday, September 1, at Love's Chapel. Dr. Geo. W. Paschal, of Wake Forest, was the principal speaker of the occasion. Rev. H. G. Dorsett of Wake Forest presided. It was brought out that Francis Dorsett was the original Dorsett settler, coming direct from England. The Dorsett family was an honorable one many centuries ago in the mother country. About five hundred people, it is reported, were present.

Mr. E. M. Stone died Tuesday of last week as a result of falling from a log wagon and having his head crushed by a rear wheel. His burial was postponed till his daughter, Mrs. Annie Dark, who was away on vacation could be reached and should arrive. Besides Mrs. Dark, Mr. Stone leaves three sons, H. L., H. J., and Frank, all of Siler City, and three daughters, Mesdames Wilson of High Point, Oscar Teague of Greensboro, and Miss Madge Stone of Siler City. Mr. Stone was a prosperous farmer and a good citizen. He was 70 years old.

Raids Tuesday resulted in finding of a location just after completion of run near the Fred Badders place, and in the bringing in of a still from the opposite direction.

Officer Hand of Trenton, N. J., arrived Monday for an escaped prisoner and brought along a reward of \$25 for our friend Cal.

Mr. W. D. Smith, of Dunn, spent several days last week with home folk at and near Bynum. Mr. Smith is employed by Mr. Howard at his chicken farm near Dunn. That is becoming a real industry. Five thousand hens on the grounds and tens of thousands of chicks and eggs sold annually.

Flies have caused more deaths than all wars combined—yet some of us do nothing to help prevent future casualties. Flies have no preference—you or some of your friends may be next. Start today—and kill every one you see. It is very easy if you use FLY-TOX, the product developed at Mellon Institute of Industrial Research by Rex Research Fellowship. It has a perfume-like fragrance, is harmless to mankind, but kills all household insects. Just follow instructions on blue label of bottle. INSIST upon FLY-TOX from your retailer.—Adv.

The Winnie Davis chapter of the Daughters of the Confederacy will meet at the home of Mr. Lacy Alston Friday afternoon at 3 o'clock. All members are invited to attend. The election of delegates to the State Convention which is to meet at Statesville is on the schedule.

Mr. Frank Barclay is returning to King College, Bristol, Tenn.

Mrs. Effice Sikes informs us that her father Mr. A. W. Dawkins has been quite ill, but was better Tuesday.

Our space and time is insufficient Wednesday morning to do justice to the outrage reported from Gastonia and Charlotte, when a mob of apparently responsible people kidnaped three men and whipped one of them, a British citizen.

OLD PISTOL COSTS LITTLE BOY'S LIFE

Boy Barefoot, nine year old son of a Sampson county widow, is the latest victim of the old pistol in the hands of children. He and his 14-year-old brother were playing with an old rusty gun Sunday morning. It went off and the bullet passed through the little boy's head, killing him instantly.

Moncure News

As your correspondent was on a short vacation last week-end, there was no news from Moncure. Your correspondent and family motored to Boone and stopped over at Blowing Rock for awhile. The trip was ideal in every respect. The weather was fair and ideal and the scenery viewed in going up and down the mountain was perfectly gorgeous. We met up with and shook hands with many of our friends at Boone, both town friends and school friends. We enjoyed so much our stay with Prof. B. B. Dougherty, the president of Appalachian State Teachers' College located there and Mrs. D. D. Dougherty who royally entertained us. The Normal Teachers' College there has recently advanced to a state teachers' college, an act of the last legislature. In the last five years the school has made a forward stride, several new up-to-date buildings have been erected on the campus and are now in use and still another in sight. The town has grown comparatively with the college.

Two Moncure girls, Misses Lois Ray and Lucile Wicker, accompanied us up there, where they entered college for the ensuing year. As it was their first trip to the mountains, they were carried away with the beauty of the mountains. They like their work fine and we predict for them a successful year.

Miss Mary Bland spent last week-end with friends at Rockingham.

Miss Alma Walden, the daughter of Mr. and Mrs. E. E. Walden, will leave tomorrow to enter Peace Institute, Raleigh. She is a senior there this year, both in literary work and music.

Miss Margaret Dickens, who has been going with her each year to Peace, finished there last year. Mr. Clarence Crutchfield has resumed his work, as a member of the faculty of Biscoe high school.

Miss Annie Lambeth, daughter of Mr. and Mrs. E. E. Lambeth, left Tuesday for Greensboro, where she will enter school at Greensboro College. She was a graduate of Louisville College last year.

Mrs. J. R. Butler and daughter, Nancy Holmes of Salemburg, were visitors last week of Mrs. E. E. Lambeth.

Miss Olive West, Mr. James Turlington and Fulton Butler from Salemburg spent last Sunday with Misses Annie and Dorothy Lambeth.

Mrs. John Bell, Jr., kept the post-office while Mrs. W. W. Stedman and family spent a short while in the mountains.

Miss Maie Lowe and Miss Frances Stevenson of Winstboro, S. C., and little Miss Edith Mae Turner of Sanford spent Monday with Mr. and Mrs. C. M. Brown.

Mr. A. O. Harmon, who has a position as barber in Raleigh, is spending his vacation at his beautiful country home on highway between Sanford and Pittsboro, located about two miles of Pittsboro.

Mr. and Mrs. A. O. Harmon gave a party in honor of Prof. and Mrs. George D. Harmon, little daughter, Patricia, and friend, Miss Frances Henschel, who were visiting relatives in the community last Tuesday evening, inviting all of his brothers and sisters and their families. After a pleasant evening of games and conversations ice cream and cake were served. Next day, Friday, all motored to Lakeview where they spent a pleasant evening together, carrying baskets of eats which they spread and enjoyed immensely. Many kodak pictures were taken of the group in different poses.

Mr. and Mrs. George D. Harmon and little daughter, Patricia, and friend, Miss Frances Henschel, returned to Philadelphia last Monday where they are spending a little time with Mrs. Harmon's parents before resuming his work at Le High University, Bethlehem, Pa.

Mr. J. W. Lantz of Cedar Springs, Va., and Mr. and Mrs. Myers and son of Mytheville, Va., Mr. Geo. W. Geide, of Harrisburg, Pa., spent Sunday, yesterday, with Capt. J. H. Wissler, who is very ill.

W. W. Stedman spent last Friday at Dunn on business. He also spent last Saturday at Durham and Raleigh on business. Several prospects of buying land called to see W. W. Stedman last week.

Mr. and Mrs. M. M. Laster and family of Raleigh spent last week with Mrs. Tamar Dezern. They also visited Mrs. P. S. Lassiter and family at Moncure.

Mr. P. S. Lassiter, who has a

position at Blanch, spent last week-end at his home here.

Mr. and Mrs. J. S. Travis and family of Chapel Hill spent yesterday, Sunday, with her parents, Mr. and Mrs. J. J. Womble.

Rev. J. A. Dailey preached two splendid sermons at the Methodist church here yesterday, Sunday, to large congregations. Miss Lucy Boone, the music teacher at Moncure high school this year, favored us with a splendid solo at the morning service.

Rev. and Mrs. J. A. Dailey took dinner with Mr. and Mrs. W. W. Stedman Sunday.

Moncure M. E. church was well represented at the quarterly meeting at Mt. Zion church yesterday, Sunday, afternoon. All the stewards from all the churches on the circuit were present and made a good report. The presiding elder, Rev. W. A. Cade, was at his best and his sermon was fine.

The Epworth League met last Sunday evening at 7:30 o'clock with the president, Miss Camelia Stedman, in the chair. After calling the meeting to order Mrs. Daisy Lambeth played a piano solo, then all sang "Stand Up for Jesus." After the president read 96th Psalm for Bible lesson, Mrs. Stedman lead in prayer. The subject for the evening was "Where Does Christ Come In In Literature?" Miss Mary Womble read a good piece on the subject and made some good remarks. Then Miss Ethelene Carr sang a solo, "The Light of the World Is Jesus." Next Miss Lucy Boone made a splendid talk on the subject and then Rev. J. A. Dailey made a short talk. The meeting closed with a song by all.

Mrs. J. L. Womble and son, J. L. Womble, Jr., are visiting relatives at Fayetteville.

Moncure school opened last Monday morning, September 2nd, with more teachers and students than ever before enrolled in its history, under the supervision of Prof. H. G. Self. All the teachers were at their post on opening day and everything looks auspicious for a fine school year.

Mr. Glenn Womble is at Elon College for ten days, taking a correspondence course from State College, Raleigh, where he will enter next week.

We were glad to have Mr. and Mrs. S. W. Womble of Sanford at church last Sunday morning.

\$10 PRIZE OFFERED

Mr. Ike Dunlap Offers Money and Subscription to Record for Best Name Registered for His New Log Cabin Filling Station.

Editor Record: I am finishing up a beautiful log hut, on the corner of Main street and Boone Trail highway, in Bonlee, putting in lights, bath and rest rooms. With the shady grove and these modern conveniences it will be a lovely nest to stop and rest and lounge in, fill up on mineral water from a hundred-foot well, then before leaving fill up the car with gas and oil and sail on, telling the folks up and down the road about the little log cabin by the side of the road—the Boone Trail.

I want a name for this station. Any one who suggests the name used will receive ten dollars in cash, also a year's paid subscription to the Chatham Record. Should two give the same name, the one received first will be registered first. The records will be kept at Boone Trail service station, Bonlee. You register there, or write your name suggested to me and I will register for you according to first come, first registered. A fellow traveller, ISAAC H. LUNLAP, Bonlee, N. C.

SIXTH SESSION TEACHER TRAINING DEPT. OPENS

(Reported by Class) The Teacher-Training Department of the Pittsboro high school opened Monday, September 2, with the regular school session. After the opening exercise, Mrs. W. P. Horton, head of the department, outlined briefly the work for the year. There were eleven girls enrolled, ten who are graduates of Pittsboro high school of experience.

school and one, Marguerite Waters, from New London.

This department has been located in this school for five years and has added much to the school and community. By taking this course a student gets credit for two thirds of a year at any normal school. The department is given financial support by the state. The students are eager to attain the same standards that have been set by the preceding classes.

The girls enrolled are: Kathryn Knight, Louise Riddle, Edna Snipes, Annie Brewer, Ruth Burnett, Mildred Norwood, Josie Lee Hall, Jewell Justice, Marguerite Waters, Pearl Johnson, Margaret Brooks.

All a flea has to do to get his back scratched is bite a dog. There isn't any vacation in the high school of experience.

"WHAT AN ATTRACTIVE ROOF!" BEAUTY of color and line appeals strongly to women. As a result they are especially apt to enthuse over a roof of Genuine Ruberoid Massive Unit Shingles. Ruberoid Massive Units also make several very practical appeals to the husband who does the actual buying. Their long life, and their fire-resistant qualities, talk to his pocketbook in no uncertain terms. All things considered, they give both husband and wife 100% satisfaction. Write, come in or phone us for the illustrated booklet that shows many of the harmonious blends of color, and which also illustrates how Genuine Ruberoid Massive Units will look on your roof.
