**ASBESTOS ROOFS
LAST FOREVER**

Home-builders who cover their homes with Asbestos Shingles never have to worry about roofing expenses any more. Asbestos Shingles last forever. Fire will not burn them and rough weather fails to damage them.

These shingles are made of indestructible asbestos and Portland Cement, and when they cover your house-top it is almost the same as having a slab of solid rock on it. And these shingles cost no more than other good shingles. Before you roof or re-roof ask us for estimates of cost.

**THE BUDD-PIPER

DURHAM, NORTH CAROLINA

Brown's Chapel News

I do not want to argue, but all the Bibles I have ever seen support what I wrote last week. Open the Bible at the 16th and 20th Chapter of Exodus and read very carefully every verse. I fear many of us fail to heed what we know or to search for the things contained in the most important book of all. Let me assure the editor and readers all whom I respect that I am not trying to make a show, but trust and pray that that from now on I may try to carry out God's aim.

Brother Dailey preached one of those big sermons on our duty of cooperation in the church that resulted in many hearty handshakes of praise. We had lots of visitors from Burlington, Carrboro, Durham, Hickory Mountain, etc., to hear him. Miss Pauline Wright, who is teaching her fourth year in the Orrsboro school, was out with us. We were glad that Messrs. W. C. Henderson and W. W. Lutterloh were able to be out with us.

Mr. Robert Snipes, a son of Mr. John Snipes of Goldston, who was happily married last Thursday to Miss-Lelia Justice of this community, was back with his bride to spend Sunday with her parents, Mr. and Mrs. C. N. Justice. We wish for the young couple many happy years of usefulness.

We hear that Mr. R. R. Henderson will have a big auction sale of real estate, store and contents, mill, etc., next month.

We sympathize with Mrs. M. T. Lindsey in the extreme illness of her sister and with Mrs. J. A. Perry in that of her sister-in-law, and hope God's will in their recovery may be soon accomplished.

Much feed was damaged by the rains and Mr. J. A. Dark had a fine lot washed away by Haw river.

H. F. Durham while taking up soy beans had the pods on one stalk counted, and there were 348, and another had over 200. This latter is a fair sample of eight big loads harvested from the sowing of one bushel of seed. These beans were planted with a corn planter in rows; while 1-2 bushels broadcast made only two loads. Of the 25 loads of feed taken up this summer and fall only four did not have rain upon them.

At this writing Mrs. G. P. Whitaker and Miss Cornelia Henderson are right sick, but we hope their illness will not prove serious.

We appreciate the nice shape Mr. Ward is having our roads put in by scraping.

Messrs. C. H. Lutterloh and W. M. Perry have installed a ram in the latter's spring and are having water carried to both their barns. This is a great convenience. Mr. I. E. Crutchfield already had a water system for his home and it was easy to supply the cow barn.

Messrs. O. W. Mann and T. O. Justice have now been taken on the milk route and that breaks the unlucky number of 13.

The young people and their teachers who got up and presented a play some weeks ago and the parents of the young people who sold refreshments had the pleasure Sunday of seeing as a result of their efforts a nice communion set comprising 72 individual cups with stand and filler presented to the church by the superintendent. The set cost about \$30. It will be used the third Sunday. It was accepted very graciously by the pastor. We are all very proud of the gift and pray God's blessings upon those who sought to do something for the church.

Brickhaven News

Messrs. Zeb and Hayes Harrington, students of Elon College, spent the week-end here with their parents, Mr. and Mrs. A. F. Harrington.

Mr. C. H. Marks leaves today for Overhills, N. C., where he has accepted work with a construction company.

Mr. Hester of Fuquay Springs conducted the morning services of the Brickhaven M. E. church Sunday. The congregation seemed interested and were well pleased with the services. Mr. Maness, the pastor, preached a strong and splendid sermon at

**Vicks Now Passes
26 Million Yearly!**

**More and More Millions Follow
Trend of Modern Medicine and
Treat Colds Externally**

To keep pace with the ever-growing demand for Vicks VapoRub, the external treatment for colds, another increase is being made in the figure of the Vicks slogan, made famous when Vicks reached "17 Million Jars Used Yearly."

Only a short time ago, the well known "17 Million" was raised to "21 Million." Again this figure has been outgrown, as more and more people turn to this better way of treating colds. There are now "Over 26 Million Jars Used Yearly"—a jar for every family in the United States.

A generation ago, when Vicks was originated, the idea of treating colds without "dosing" was almost unheard of. Today, the whole trend of medical practice is away from needless "dosing."

Mothers especially have appreciated this modern vaporizing ointment, because it checks colds without risk of upsetting children's delicate stomachs.

And so Vicks spread, until today it has become the family standby for colds—adults' as well as children's—in more than 60 countries.

Moncure News

Miss Lucile Brady, principal of the Brickhaven school, spent the week-end with her parents, Mr. and Mrs. J. T. Brady, of Moncure.

Gene Overby, little daughter of Mr. and Mrs. N. T. Overby, has been quite sick for the past few days. Also the little Misses Katharine Lawrence and Mildred Harrington are ill. Colds are prevalent in quite a number of homes. We shall be glad when the wave of sickness subsides.

Mr. Lattie Buchanan of Bonsol who has been with the Harrington Lambeth Gin Co., here for the past few seasons is with us again and is staying with his sister, Mrs. A. P. Harrington.

Mr. J. C. Seawell, superintendent of the Cherokee Brick Co., spent the week-end with home folks of Carthage.

Mr. H. A. Harrington, district deputy, appreciates the hearty cooperation and help given him so willingly in his recent successful raid.

Mr. Harrington is a courageous and conscientious officer, and it means a great deal to him to have his friends and neighbors standing by him in his efforts to enforce the law.

Mr. William Barnes spent Saturday and Sunday with his parents who live near Carthage.

Mr. Grady Truelove, of the Cherokee Brick Co., spent the week-end with his parents, Mr. and Mrs. P. E. Truelove, of New Hill. His mother, who has been quite ill, is improving.

Moncure News

Mr. Braxton of Graham was in town last Thursday on business.

Mr. E. W. Avent, Jr., one of the high school teachers, spent last week-end with his parents at Bynum.

Mr. and Mrs. Ed Benfield and little Miss Bettie Ann Hicks and Miss Mary Grit of Maysville, Ky., are spending the week here on business.

Mr. Benfield is a contractor and has a good position at McKees Rock, Pa. Mrs. Benfield is staying with her parents at Maysville. They came through the country on a car.

Mr. G. W. Cressman of Jonesboro was in town last Saturday on business.

A good number of Carolina Power and Light company men, who have their headquarters at Moncure, spent last week-end at their respective homes: Messrs. B. G. Kirk and W. S. Bridges at Albemarle, Mr. J. P. Duke, at Norwood, Mr. Parker at Mt. Gilead and others.

Rev. T. Y. Seymour of Buie's Creek filled his appointment at the Baptist church here yesterday, Sunday, at 11 o'clock a. m., and 5:30 p. m. He always preaches good sermons.

The play, entitled "Aunt Jerusha on the War Path," was given last Friday evening in the school auditorium by the young people's society of Gum Spring Baptist church and was enjoyed by those present.

Mr. J. L. Andrews of Raleigh is back with the Carolina Power and Light Company for a while. Mrs. J. L. Andrews is in Denver, Colo., for her health. Mrs. Andrews taught here last year and her many friends wish her a speedy recovery, and that she will soon be back home.

The down-pour of rain last week caused Deep and Haw Rivers to rise, overflow their banks and cover the low grounds, which destroyed all the low ground corn and some cotton in

this section. They say that Deep and Haw Rivers were the highest since the year 1908. The people who live at Carolina Power and Light Company's plant, four miles of here, were surrounded by high water for several days last week. They could not come over to Moncure for their mail and the rural carrier could not carry the mail to them.

Rev. J. A. Dailey will preach at the Methodist church next Sunday morning at 11:00 o'clock and in the evening at 7:30 o'clock. The public is invited.

The Epworth League met at 7 o'clock last Sunday evening with the president, Miss Camelia Stedman, presiding. After the minutes were read by the secretary, Mr. Lewis Burns, the meeting was turned over to Miss Pauline Ray, the leader for the evening, who made interesting comments on the lesson. The subject for the evening was "What is Meant by 'Lost' as Used by Jesus."

Mr. H. G. Self and Miss Mary Bland also gave interesting points on the lesson. After a song the meeting closed with the league benedictions. The leaguers appreciated the large attendance of young people last Sunday evening. Every one is cordially invited each Sunday evening.

Since the down pour of rain last week and the high water has done so much damage down south, wash-outs, etc., train No. 4 and train No. 12 have been running late, as much as three and four hours, up to today, Monday. Both of these trains take first class mail from Moncure. Train No. 4 passes Moncure at 9:39 a. m., going north and train No. 12 passes Moncure at 12:35 p. m.

Sheep herders near Yakima, Wash., used 40 gallons of gasoline and two boxes of dynamite to kill 1,500 rattlesnakes on their ranch.

Changing breeds every year has never yet been found a safe foundation for a profitable poultry business.

Henry Minsen, a St. Paul butcher, used his cleaver to chop off the toe of a policeman who attempted to arrest him.

General Robert Lee Bullard recently received a letter mailed to him at Fort Union, N. M., when he was a lieutenant 44 years ago.

**The Mark of
Genuine
Aspirin**

BAYER ASPIRIN is like an old friend, tried and true. There can never be a satisfactory substitute for either one. Bayer Aspirin is genuine. It is the accepted antidote for pain. Its relief may always be relied on, whether used for the occasional headache, to head-off a cold, or for the more serious aches and pains from neuralgia, neuritis, rheumatism or other ailments. It's easy to identify Bayer Aspirin by the Bayer Cross on every tablet, by the name Bayer on the box and the word genuine printed in red.

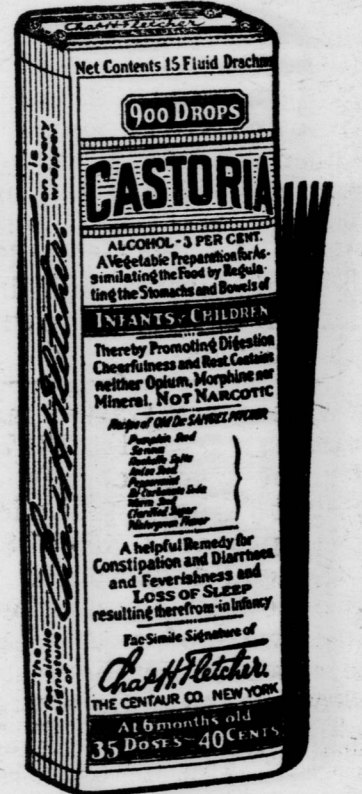

Aspirin is the trade mark of Bayer Manufacture of Monocroticacidester of Salicylicacid

**Restless
Children**

Children will fret, often for no apparent reason. But there's always one sure way to comfort a restless, fretful child. Castoria! Harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than some powerful medicine that is meant for the stronger systems of adults.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is any need. In cases of colic, diarrhea, or similar disturbance, it is invaluable. But it has everyday uses all mothers should understand. A coated tongue calls for a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed to set everything to rights. Genuine Castoria has Chas. H. Fletcher's signature on the wrapper. Doctors prescribe it.

LITTLE BY LITTLE

The tiny coral insect away down in the depths of the ocean, toils away and contributes its mite to the reef that finally emerges above the surface.

It is a slow process—the work of centuries—that coral reef. The accumulation of the pennies, dimes and dollars that make a fortune is a much faster process, for it comes within one lifetime if you are saving and careful of your savings. We invite you to open an account with us, where your funds will be amply protected.
