For any BABY

We can never be sure just what makes an infant restless, but the remedy can always be the same. Good old Castoria! There's comfort in every drop of this pure vegetable preparation, and not the slightest harm in its frequent use. As often as Baby has a fretful spell, is feverish, or cries and can't sleep, let Castoria soothe and quiet him. Sometimes it's a touch of colic. Sometimes constipation. Or diarrhea—a condition that should always be checked without delay. Just keep Castoria handy, and give it promptly. Relief will follow

very promptly; if it doesn't, you should call a physician. All through babyhood, Castoria should be a mother's standby; and a wise mother does not change to stronger medicines as the child grows older. Castoria is readily obtained at any drugstore, and the genuine easily identified by the Chas. H. Fletcher signature that appears on every wrapper.

TREAT COLDS DIRECT

EACH year more and more people give up the old, indirect way of treating colds by "dosing" and turn to Vicks VapoRub. Just rubbed on, Vicks medicated vapors are inhaled direct to the air-passages, and, at the same time, it acts direct through the skin like a plaster. This better way of treating colds originated with Vicks a generation ago. Today, the whole trend of medical practice is away from needless "dosing," and there are "Over 26 Million Jars Used Yearly."

Now **26** Million Jars Used Yearly.

VICKS VAPORUB

If you have any of the following symptoms I have the remedy no matter what your trouble has been diagnosed: Nervousness, stomach trouble, loss of weight, loss of sleep, sore mouth, pains in the back and shoulders, peculiar swimming in the head frothy like phlegm in throat, passing mucous from the bowels, especially after taking purgative, burning feet, brown, rough or yellow skin, burning or itching skin, rash on the hands, face and arms resembling sunburn, habitual constipation, (sometimes alternating with diarrhoea) copper or metallic taste, skin sensitive to sunheat, forgetfulness, despondency and thoughts that you might lose your mind, gums a fiery red and falling away from the teeth, general weakness with loss of energy. If you have these symptoms and have taken all kinds of medicine and still sick, I especially want you to write for my booklet. Mrs. J. D. Collett, Route No. 4, High Point, N. C., whose picture appears here, writes: "During the winter of 1927-28 I took your treatments, and I am glad to say that my family doctor says I have no symptoms now. I look, feel, and am a different person altogether. I cannot thank you and your medicine enough".
