HAD GIVEN UP ALL HOPE, SHE STATES

"After seven years suffering when I had given up hope of ever being well again, Sargon brought back my strength and restored me to splendid health!"

MRS ELIZABETH GREGG

"Nearly everything I ate caused a sickening, lumpy feeling in my stomach and often brought on vomiting. My neck glands were painful and swollen, and rheumatism settled in my shoulders and limbs all the way down to my ankles. My liver was sluggish and I was almost continually taking laxatives. I commenced taking Sargon and I could feel its strengthening effects right from the start. I have finished my second bottle, my digestion is perfect and every ache and pain has left my body! Sargon Pills toned my liver, for the first time in years I am free of constipation. I will praise this wonderful treatment as long as I live."

Mrs. Elizabeth Gregg, 1401 Lower St., Columbia, S. C. G. R. Pilkington, Agents.

Rock Springs News

With the Lord's help Rock Springs church has had a great blessing. For sometime we thought we were going under, but the great revival brought us upon our feet and more. Sunday, Nov. 17, we had a called meeting, but Pastor Porter was than glad to come, for he had the pleasure of receiving ten members into the church, eight by baptism, one by letter from Siler City, and one by restoration.

NEGRO POET

STARTS ON PAGE ONE existing sketch of his life in 1909, which was published in the North Carolina Magazine. The information in this article is secured from an article by Raymond Adams in last Sunday's Greensboro News, which is presumably based on the Cobb sketch.

The Record should like to hear from the Hortons and the Snipes of New Hope and Baldwin townships of what traditions of the negro poet has come down from their ancestors. Who are descendants of James and Hall Horton? Let's hear from them.

Here is a sample of the poetry written while Gorge worked for his master over in New Hope (or was it Williams?):

"A I sadly cast aside On Misfortune's rugged tide Will the world my pains deride For ever?"

"Must I dwell in slavery's night, And all pleasure take its flight, Far beyond my feeble sight, For ever?"

That isn't so bad, is it? Five editions of the early book were published in all, but it is not surprising that George's book didn't bring in much money. Few people bought books in those days. Many of the whites themselves could not read.

Mr. Billie Johnson, son of Mr. W. T. Johnson, has joined the earoation department of the army or the navy, and is at Camp Bragg, whence he is to leave for the Hawaiian Islands in a short while, his father informs us.
