

TOWN AND COUNTY BRIEFS

Mr. B. A. Perry has been on the sick list.

It ought to be a lively time about the Caviness Shops Saturday afternoon. Read the advertisement.

One other negro has been added to the number in labor for stealing Poe and Moore's sugar.

The article about the Goldston policeman's trouble should have said he had been policeman two years instead of twenty. He said on the stand that he took the oath in '08 and he meant 1928 instead of 1908, as we interpreted it.

Mrs. O. J. Peterson and Miss Essie went shopping in Durham Tuesday, the reason whereof is probably evident, or will be soon.

Mr. R. E. Robinson, after spending the holidays with his parents, Mr. and Mrs. A. B. Roberson, has returned to Valparaiso, Ind.

Mr. C. C. Palmer, of Golston R. F. D. No. 1, was in Pittsboro Monday with a broken arm. He fell from a load of hay when the mules ran away.

Mr. and Mrs. R. W. Jenkins, after visiting the latter's parents, Mr. and Mrs. Gaston Johnson, during the holidays, returned a few days ago to their home on the Tennessee border.

Dr. and Mrs. D. B. Bryan of Wake Forest visited at the home of Mr. J. L. Griffin Sunday. Mrs. Bryan, finding Mr. Griffin, her brother, not as well as she expected, remained over for a few days.

Mr. J. H. Boone, who is employed by the Arnold Syone Company of Greensboro, after spending the holidays with home folk, left for Greensboro the first of the week. Mr. Boone spent several months in Alabama last fall in the employment of the stone company.

Well, it seemed too difficult to undertake to make a full-sized paper this week. However, as we gave the regular size during the holiday season, we should be excusable. All the county news we could get is right here, just the same as if the paper were twice as large.

The Weeks Motor Company had received up to this writing only two of the new model Fords and they were gone so quickly that few have seen them. But you can probably see one at the garage now. But there is no telling; since they seem to be in great demand.

Mr. Clinton Bryan, carrier on R. F. D. 1, the first Pittsboran to get a new model Chevrolet. It is a beauty. The Chatham Chevrolet Company probably has the new model in stock. You will note that the prices have been cut at the same time the car is improved.

Still another young lady has been added to the population of Pittsboro. The last comer has taken up her abode with the Shivers, having arrived by stork express a few days ago. Prof. Waters, Supt. Thompson, and now Mr. Shiver are the proud dads of girls born within about three weeks.

Mr. R. F. Rice of Siler City Rt. 5, accompanied by his son and Mr. W. H. McChesney of Atlanta, was in Pittsboro Monday on business. Mr. McChesney, Mrs. McChesney, and three children are visiting the Wildwood Gun Club, and the Record hopes that the Atlantan will have the best of luck among the birds.

Superior Court will be in session next week. The number of cases to be tried will have been very much decreased by the work of the recorder's court. However, there are several cases of felony rank which can not be tried by the county court, also an appeal or two from the county court to the superior.

We appreciate the number of renewals we have been receiving. We would call particular attention to the bargains advertised. Six papers for 35 cents. If you have already paid your subscription, come in and pay 35 cents and get the six additional papers. They cost us only that amount and we lose nothing except the trouble of entering your order, and we should be glad to do that for you. It is a great bargain. See advertisement in last week's paper if it should not be in this week's.

ANY MULE CAN KICK

"It may be all right to be meek and kindly," said Farmer Brown, "but by gum, I've observed that the kickers usually get the best service." That may be true some places, but it is not so at OUR BANK. We treat EVERYBODY ALIKE, the large depositor and the child with a penny savings account, old customers and the new ones, kindly folks and those who kick. They ALL get the same courteous service, the same careful attention, a service that is YOURS for the asking.

**"TAKE IT FROM ME,"
a Home Owner Says—**

"I've found that as a rule you get what you pay for. My roof cost me a little more because it's worth more. I could have put on a substitute for a few dollars less. It would have kept the weather out for a few years. Instead, I spent a little more and got a roof that I'll never have to replace and that is completely fireproof. Besides, my roof has beauty and a solid substantial look that flimsy materials just can't give. Altogether I made a mighty good buy."

BASS-PETERSON

Friends of Miss Essie Peterson were greatly surprised when she rode over to Raleigh Tuesday evening with Mr. Roscoe Bass and was married. While the marriage was expected some time in the future, even the family of the bride were not aware till two or three days earlier that it was so imminent.

The young couple will reside in the Colonial Apartments in Wilson for the immediate future at least. The groom has large farming interests in Wayne and Wilson Counties, and has hitherto made headquarters at Fremont. He is an alumnus of the North Carolina University and Columbia University.

The bride is the third daughter of Mr. and Mrs. O. J. Peterson of Pittsboro, and has many friends throughout the State who will wish her great joy in her new state.
