

Adults, Too, Prefer "No Dosing" for Colds

Millions Adopt External Remedy Made Famous As Treatment For Children's Colds

A generation ago, when Vicks VapoRub was originated, the idea of treating colds without "dosing" was almost unheard of. Today, the whole trend of medical practice is away from needless "dosing."

Mothers of young children especially have been quick to appreciate this better, external method of treating colds, because there's nothing to swallow and, of course, nothing to upset the little ones' delicate stomachs. Year by year more and more adults, too, have found Vicks equally good for their own colds.

Just rubbed on, Vicks acts through the skin like a poultice or plaster; and, at the same time, it releases medicated vapors which are inhaled direct to the inflamed air-passages. Ever-increasing demand for this better method of treating colds is shown in the familiar Vicks slogan. Made famous when Vicks reached "17 Million Jars Used Yearly"—later raised to "21 Million"—there are now "Over 26 Million Jars Used Yearly."

-Chevrolet announces

THE GREATEST

CHEVROLET

IN CHEVROLET HISTORY

Today, Chevrolet presents the Greatest Chevrolet in Chevrolet History—a smoother, faster, better Six—with beautiful new bodies by Fisher.

Basically, it is the same sturdy, substantial Six which won such tremendous popularity in 1929. But it is a greater car in every way—for there are scores of vital improvements which contribute to comfort, performance, endurance and safety.

An improved six-cylinder valve-in-head

motor, with its capacity increased to 50 horsepower; four Delco-Lovejoy hydraulic shock absorbers; fully-enclosed internal-expanding weather-proof brakes; a new dash gasoline gauge; heavier and stronger rear axle; Fisher non-glare windshield; larger tires—

—these are typical of the many improvements found throughout the entire design.

But most impressive of all—this smoother, faster, better Six is available—

---at greatly reduced prices

During 1929, more than a million three hundred thousand persons bought six-cylinder Chevrolets. This enormous volume has made possible many savings in the Chevrolet factories—and, in keeping with its long-established policy, Chevrolet is shar-

ing these savings with the public. No written description can do justice to the extra value and quality provided in this new car. Visit your Chevrolet dealer—see this car—ride in it—and judge for yourself the sensational value it represents.
