

Moncure News

The loved ones and friends of Mr. R. H. Fitchett gave him a surprise birthday dinner last Sunday at his house. When he returned from Sunday school he found the yard full of cars and the house full of friends and loved ones. There were 45 in all. They came from Pittsboro, Durham, Carrboro, Raleigh, Hickory Mountain; Haywood and Moncure. The table and flowers were beautiful. We wish to thank each one present for their love and kindness. May the Lord's richest blessings rest with each one and may we all meet again at the great reunion which the Lord has prepared for us all.

Mr. Louis Carter of Marston was in town several days last week on business.

Mr. J. C. Moore who has been at home for a month or more has returned to Philadelphia, Pa., to resume his work there as telegraph operator.

Several from Moncure attended the basketball game at Pittsboro last Friday night between Moncure team and Pittsboro team. There were two games played. Pittsboro won the first game and Moncure won the second game. As Pittsboro court is small and not standard size these teams are to play a game the night of January 31st at Sanford on Sanford court.

Mrs. Barbara Watkins who has spent ten days in Raleigh with Mrs. C. M. Whidden returned Monday to her home here.

Mr. and Mrs. R. C. Womble, who lived at Mr. S. W. Womble's place, have moved to Pittsboro, Route 2. They bought the old place once owned by Mrs. Sophia Hammock, but was owned by Mr. Will Bland before they bought it. It is located

near the county home. We miss Mr. and Mrs. Womble and daughter, Miss Stella, who is teaching school near Siler City and hated to see them leave, but we hope them much luck in their new location. Mr. L. N. Crutchfield and family have moved to the place vacated by Mr. and Mrs. R. C. Womble, it is understood.

Mr. Louis Carter of Marston and Mr. W. W. Siedman spent last Friday in Raleigh on business.

Mr. Stedman and Mr. Kelly of Moncure spent last Saturday at Dunn on business.

The teachers of Moncure school attended last Friday the teachers meeting at Pittsboro.

Miss Ellie Roberts of Charlotte is visiting her sister, Mrs. W. S. Aman. Mr. W. S. Aman had the misfortune while out hunting one day to shoot through his foot. He was taken to Carolina Hospital, Sanford, where three toes were taken off and part of his foot. It is understood that he is to come home soon.

Mrs. W. C. Hardin of Rocky Mount is visiting her sister, Mrs. E. G. Broadmax this week.

Mrs. Geo. I. King of Durham is spending sometime with Mrs. Aurelia Taylor.

Moncure Epworth League met last Sunday evening at the usual hour with Mr. George Ray, the vice president in the chair. After the meeting was called to order and the minutes read by Mr. Lewis Burns, the secretary, the meeting was turned over to Miss Dorothy Lambeth, the leader for the evening, who made an interesting talk on the subject, "Why Should We Pray and Where?"

The Junior Epworth League also held an interesting program a half hour before the senior league.

MENDENHALL BROTHERS BEREAVED

Messrs. G. C. and G. Y. Mendenhall of New Hope township were bereaved last week by the death of their aged mother in Gaston county. The former, if not the latter, attended the funeral.

Mrs. Mendenhall was 78 years of age. She leaves her aged husband and six living children of the ten born to the union, 48 grandchildren and 18 great grandchildren. The main part of the family is in Gaston county, Messrs. G. C. and G. Y. being comparatively new comers in Chatham.

Mrs. Mendenhall's great grandfather, Hugh Williamson, was one of the signers of the Mecklenburg Declaration, while her grandfather, Col. John Hill, played no small part in the War of 1912, and when the Mexican War started her father was one of the first to offer his services at Charlotte. No one has cause of more patriotic stock.

His captain wrote of grandfather Hill that none was braver and no more cheerful in the performance of his duty than he, and few died more heroic death than his at Gettysburg.

The pastor of the Olney Presbyterian church, of which she had been a member since girlhood, conducted the funeral services. He was assisted by Dr. W. A. Baird, pastor of the Glenwood A. R. P. church, Charlotte.

A life is ended that will leave behind it for generations green memories of kindly services to all with whom she came in contact.

One brother, Mr. J. D. Hill, of King's Mountain, survives her.

MRS GREGORY ENTERTAINS U. D. C.

Mrs. Julian M. Gregory entertained the Winnie Davis Chapter of the U. D. C. Friday afternoon the 17th at 3:30 o'clock.

After singing "The Bonnie Blue Flag," the ritual was repeated in unison.

Mrs. Gregory reported that funds had been taken from the treasury to pay hotel expenses and bus fare of a veteran from West Virginia passing through Pittsboro. The old gentleman, not having any money, was most appreciative of the chapter's aid.

Since the last meeting a death occurred in the membership of the chapter, Mrs. F. A. Riggsbee. Mrs. V. R. Johnson, Mrs. E. R. Hinton, and Mrs. C. C. Hamlet were appointed to draw resolutions on her death. A rising vote of sympathy was extended to Mrs. J. H. Gordon. Misses Pauline and Emily Taylor and Mr. F. A. Riggsbee in their recent bereavement.

Mrs. D. B. Nooe, chairman of the veteran's Christmas box committee, gave an itemized statement of the amount expended \$29.70.

Mrs. J. W. Hunt, historian, presented the following program:

- Appreciation of Lee by Mrs. W. B. Chapin. Shrine to R. E. Lee by Mrs. E. B. Hatch. Marse Robert—Criticism by Mrs. E. R. Hinton. Home Life of Lee, by Mrs. E. A. Farrell. Memoirs, by Mrs. V. R. Johnson. Solo—How Firm a Foundation, by Mrs. W. B. Chapin. Mrs. Gregory, assisted by Mrs. Hinton, served a delicious sweet course.

MEXICAN JUMPING BEANS A CURIOSITY

They Jump, Wiggle, Crawl and Flop Over

The first start in life of this Bean is from a flower or blossom, which blooms on a small tree. From this blossom it materializes into life enclosed in a cone or shell, resembling that of a chestnut. At a certain season of the year, it becomes ripe or gains its full capacity of strength and falls from the tree, kicking itself free from the cone or shell in which there are always three live Beans.

Scientists are unable to give any reasonable explanation for what purpose nature created this curious Jumping Bean.

From the inception of this flower, they are born, live and die in their own shell and maintain life and are active from 6 to 10 months. There is no real value attached to this curious Bean, only as a novelty. However, it is claimed by some of the natives to be a very rich morsel of food for the GILA MONSTER. You will find this bean to be very sensitive to the sudden change in temperature, for instance, placing them in the palm of your hand, you will notice they lie still for a moment, but when they realize you are not going to crush them and the temperature of your hand becomes suitable to them, they at once become very active by jumping up and down.

One of the oldest Gambling Games in history is yet played by the natives with the use of this little Bean. Each person (as many as like) lays down a coin of any denomination and each person holding a Bean will place it on his coin, all at a given signal. The first bean jumping off the coin is winner of all the balance. This is one Fair and Square Game and is enjoyed by all the players.

This Bean is found in the tropics in the remote part of a mountainous country at a high altitude.

Trees bearing the Bean this year, in one locality, may not possibly bear again in three or four year. Hence the scarcity of this mysterious little Bean, makes it impossible to get them in very large quantities. A small sprinkle of water every few days, makes them more active and prolongs their life.

Mail orders filled at the following prices: 3 Jumping Beans for 25c; 7 for 50c; 15 with game board for \$1.00. Hamlet News Publishing Co., Hamlet, N. C. —Adv.

Still More Millions Treat Colds Direct

Round-About Method of "Dosing" Gives Way To Modern Vaporizing Salve

More and more people each year are giving up the slow, indirect way of treating colds by "dosing" with internal medicines, and are adopting the modern direct treatment—Vicks VapoRub.

Vicks goes direct to the affected parts and checks the cold in two ways—its medicated vapors, released by the heat of the body, are inhaled direct to the inflamed air-passages; at the same time it acts direct through the skin like a poultice or plaster, "drawing out" tightness and soreness.

Vicks is especially appreciated by mothers because it is just rubbed on, and therefore, cannot upset children's delicate stomachs as "dosing" is so apt to do. Today the whole trend of medical practice is away from needless "dosing."

To keep pace with the ever-growing demand, the famous slogan, "17 Million Jars Used Yearly," was raised to "21 Million" a short time ago. This figure too has been outgrown, as there are now "Over 26 Million Jars Used Yearly"—a jar for every family in the United States.

"THE SINGING FOOL" AT PILOT THEATRE

The people of Chatham will have an opportunity next Monday and Tuesday to see the popular and interesting all-talking, dancing, and singing picture, "The Singing Fool." This picture is highly rated and should prove a treat to all who like fun or pathos, for it contains both. You will laugh till you cry at times, and cry without laughing if you don't mind at other times. The play will be given also on Wednesday afternoon for the benefit of the school children and only a nominal charge of ten cents for tickets. Inmates of the county will be admitted free. Don't miss—seeing this great picture.

NOT UP, ON GARBAGE

"I saw the Governor of this State this week," boasted old Si Chestnut. "How was he garbed?" asked a friend. Si replied, "Gosh, I don't know. I never pay any attention to a man's garbage."

Well, other people are not like Silas. They pay to put up "a good front," to make a presentable appearance, but best of all it pays to have a good snug sum on deposit at the bank. Your signature on your check is what counts in time of need.

START YOUR FORTUNE

We would ALL like to have PLENTY of money. No use denying it. Yet in the long run, ALL do not become well fixed, financially. Why?

Any number of reasons. Bad luck, poor investments, failure to form a habit of SAVING. There are too many little things one MUST have here. It's a little here, a little there. But figure up their total for a week, or a month. When you deposit funds at the bank, (for your own good) determine to leave them there. That's the way fortunes are started.

OFF AGAIN.

We are off again for a year's work. This Bank realizes the handicap with which many of its friends start the new year, and shall be glad when possible to help them plan for the year's work.

But' despite discouragements, let's make up our minds to make it a great year. Planning and hard work will save the day. A man must not be idle this year if he has to work for half-price. Doing something that will help a little will beat doing nothing part of the time.

Restless Children

Children will fret, often for no apparent reason. But there's always one sure way to comfort a restless, fretful child. Castoria! Harmless as the recipe on the wrapper; mild and bland as its tastes. But its gentle action soothes a youngster more surely than some powerful medicine that is meant for the stronger systems of adults.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is any need. In cases of colic, diarrhea, or similar disturbance, it is invaluable. But it has everyday uses all mothers should

understand. A coated tongue calls for a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed to set everything to rights. Genuine Castoria has Chas. H. Fletcher's signature on the wrapper. Doctors prescribe it.

Prices that Save

Whether you have many or few dollars, you naturally desire that each one of them shall buy as much as possible. There is a difference where you buy. Also the merchant who buys cheap can sell cheap. His overhead expenses also play a big part in fixing a sale price for his goods. We are the kind of a store that can and, better, does sell cheap.

To prove what we say, we quote you a few prices. Compare them with prices elsewhere for the SAME QUALITY of goods and be convinced that you can make your dollar buy more here.
