PEACH ORCHARDS

THE commercial peach belt of the State is in the "Sand Hills", primarily embracing Richmond, Montgomery and Moore Counties. The greatest peach orchard in the world, near Hamlet, is forty miles square. The trees begin bearing at the age of four to five years and under normal conditions continue bearing for twenty years. In the peach growing industry the farmer has to combat such insects and diseases as the peach worm, the peach borer and the San Jose scale.

In 1929 there were 1,244 car lot shipments of peaches, 2,350,000 bushels, this being a decrease of 1,998 car lot shipments from 1928. Commercial and agricultural peaches of the State were valued at \$2,967,000 in 1929. Peaches are usually sold by commission houses in refrigerated car load lots and are shipped to all eastern and some European markets.

Another Story of That Dailey Picnic

The Dailey picnic had been covered in items in the hands of the printer before the following came in, but it probably deserves two or three write-ups. So here goes:

The most enjoyable social function held in Pittsboro for a long time was the birthday picnic held last Saturday at the Methodist parsonage, honoring Rev. J. A. Dailey, popular pastor of the Pittsboro Circuit, on the 62nd, anniversary of his birth.

The crowd assembled on the parsonage lawn at 12 noon. On the front porch were seated the visiting ministers and the choir composed of members of the different churches on the circuit. Prof. W. R. Thompson, county Superintendent was master of ceremonies.

Invocations were offered by Presiding Elder, W. A. Cade of Fayetteville. Address of welcome was made by Prof. Thompson and response by Rev. J. W. Bradley of Siler City. All ministers of every denomination in the county were invited, but owing Saturday appointments several were unable to attend but wrote letters expressing their regrets.

The following were present and made short and complimentary talks: Rev. E. W. Byerly, B. L. Cupton, A. H. Porter, J. W. Bradley, E. A. Brown, Jonas Barclay, R. G. Shannonhouse, T. Paul Caudil, Presiding Elder Cade, and Rev. M. T. Plyler, editor of the Christian Advocate.

Each speaker paid pastor Dailey many compliments, also made some clever hits as to his ability to eat. Following the speeches, the crowd repaired to the east lawn where the good house wives of the county loaded the long improvised table with a sumptuous dinner. Ice water and lemonade was furnished by the pastor. After the dinner, estimated to be 250, had finished there was enough left to feed as many more.

After the dinner was eaten, the ministers were invited into the parsonage where a county ministers association was organized. The object of the organization was for the general good of the morals of the county.

The following officers were

lected; Rev. J. A. Dailey, Pres.; Rev. Jonas Barclay, Vice Pres.; Rev. A. H. Porter, Secy. and Chairman Program Committee. The meetings of the organization will be held in the preacher's homes in Pittsboro each Tuesday after the fourth Sunday in each month at 10:30 A. M. The first meeting will be held with Rev. J. A. Dailey.

Goes to Town Alone First Time in Months

MRS. ALICE BRADLEY

"I don't know what there is in Sargon, but it's the most wonderful medicine I ever took in my life! Today is the first time I've been able to come down town alone in six months and it is due to the wonderful strengthening effects of this remarkable medicine!"

"For months my nerves were upset and I was so rundown that I was unable to do any house work, and hardly able to get out of the house. I was so weak I spent most of my time in bed. My appetite was poor, the lightest foods disagreed with me and I suffered continually with chronic constipation. I am on my fourth bottle of Sargon, my appetite is splendid, my digestion is perfect, I'm strong and energetic, my nerves are strengthened and my housework is really a pleasure. Sargon pills have rid me of constipation for the first time in years.—Mrs. Alice Bradley, 855 Capp St. San Francisco.

GANGWAY

The speaker was getting tired of being interrupted.

"We seem to have a great many fools here tonight," he said. "Wouldn't it be advisable to hear one at a time?"

"Yes," said a voice. "Get on with your speech."—London Standard.

The basis of leadership

Don't look for premiums or coupons, as the cost of the tobaccos blended in CAMEL Cigarettes prohibits the use of them.

MANUFACTURED BY R. J. REYNOLDS TOBACCO CO. WINSTON-SALEM, N. C. U.S.A.

READ again the familiar message on the back of the Camel package. . . . Camel, introduced in 1913, when other cigarette brands were offering all sorts of premiums and similar inducements, jumped into leadership solely on the basis of its built-in goodness.

That statement, spread throughout the world each day on millions upon millions of Camel packages, stands as your guarantee of the maximum in

smoke pleasure. It reaffirms on every package of Camels the steadfast aim to give smokers a cigarette in which every possible bit of the cost is put into real smoke-quality.

The delightful, natural fragrance of Camel's choicer tobaccos, combined in the smooth, mellow harmony of a blend beyond imitation—that's what made Camel the world's foremost cigarette—and keeps it just that.

Don't deny yourself the luxury of
