

FOR JOHNSON FOR COMMISSIONER

(Political Advertising)

As you know, there are four candidates for county commissioner running in the Democratic primary, yet only three can be nominated. All of the four are, in my opinion, eminently qualified to fill the important trust, but it is my way of thinking, it is of the utmost importance to the Democratic party and the rest of the people of the county that Mr. Rufus Johnson, a member of the present board, be nominated and re-elected.

I think that there is right much feeling throughout the county that there should always be one of the old Board re-elected, so that the Board will not be wholly composed of new men.

As register of deeds for many years for Chatham county, I think realize the importance of always having one of the old members on the board.

Mr. Johnson is certainly well qualified, and I am sure he will add much strength to our ticket in the November election.

Wishing for the Grand Old Democratic Party success,

Yours very truly,
W. E. Brooks.

TOMS ENDORSES BUTLER

Why shouldn't we have one? North Carolina is rapidly forging to the front rank of all the States. It looks like nothing will be able to hold her back. She has unlimited crops unlimited water power, with manufacturing enterprises that commands the notice of the world. Her timber resources are enormous, and a score of other branches of industry are becoming greater day by day. The answer is that we must have a Republican Senator if these great industries are to be protected, and the farmer and laboring man are to prosper. The Republican party has always stood for a high tariff and protection. A senator from this state should be in a position to vote for these principles, and should be affiliated with the party in power which has never failed to throw its great influence towards the building up of trade, thereby benefitting labor, and bringing ultimate prosperity.

The Democratic candidate for Senator this year will be from the eastern part of the State. We should have a Candidate from that part of the State to oppose him, and it seems that this is the unbroken precedent of half a century. This being true I am supporting Major George E. Butler for Senator. I have known him for forty years. His record is clean, his ability is unquestioned. As a Senator he would be an honor to the State, and would be in a position to uphold and further the principles of the Republican party. If Major Butler is elected to the Senate, we will have a man in Washington that all the people of North

Carolina can be proud of, and in my opinion, one who will use his utmost endeavors to further the interest of the manufacturer, laboring man and the farmers of the State.

THE RAYS TO MOVE TO NEW ORLEANS

Mr. Wyeth Ray returned the latter part of the week from a visit to Louisiana. He accompanied Mrs. T.K. Duncan in her car. Mrs. Duncan went to join her husband, who is in the employ of the Louisiana highway commission. They have headquarters at Campiti, on the Red River. Wyeth visited his brother, Rev. Archie Ray, in New Orleans, and his sister, Mrs. Saville, at Baton Rouge. Mrs. Saville accompanied him back home in the Saville car and will return shortly with her mother, Mrs. A. C. Ray, and the two younger children, who will live with Archie in New Orleans, where he is pastor of a Presbyterian church. Miss Martha, who is in school at Louisiana University, Baton Rouge, will hardly return to Pittsboro. Wyeth, however, does not expect to go to Louisiana, at least for the present.
