

Training Class Has Commencement

The teacher training class, Mrs. W. P. Horton teacher, has completed its nine months session, and has had its commencement exercises the past few days.

At the Methodist church Sunday evening the equivalent of a commencement sermon was given in two 15-minute talks, by Rev. J. A. Dailey of Pittsboro and Rev. E. A. Brown of Bynum. Both these talks have been highly commended.

Tuesday evening, the final exercises were held at the school auditorium. Miss Juanita McDougald, state supervisor of teacher-training work, was present and delivered a talk, as did Principal Waters and Superintendent Thompson. An entertaining program was presented by the tots in the kindergarten class, which Mrs. Horton and the members of the training class have conducted the past month or two.

There were only eight members of the Training class. They are Margaret Brooks, Annie Brewer, Pearl Johnson, Josie Hall, Jewel Justice, Edna Snipes, Mildred Norwood, Marguerite Waters. All received certificates which will enable them to teach or will secure them certain credits at any higher institution which they may attend, and it is expected that all eight of the class will attend college next session.

It has been stated that this will be the last year of the training class here. With the small number of students taking the work, it has been a rather expensive proposition to the state. But good work has been done by the teachers for the past several years, and quite a number of former pupils seems to have made successful teachers.

THOMAS-STILLIE

The friends of Mr. and Mrs. J. Walker Thomas will be interested in the announcement of the marriage of their son James E. Thomas to Miss Cora Stillie of Walkertown, N. C. on January 18th, 1930 in Danville Virginia, the Rev. A. G. Carter officiating.

Mrs. Thomas is the daughter of Mr. and Mrs. J. C. Stillie of Walkertown, N. C. She received her education at Walkertown High School.

The young couple will make their home at Walkertown, N. C.

Mrs. Henry London for Bailey

Writing to Judge Manning, she says:

"I am for Joshua W. Bailey for the Senate for three reasons:

(1) He is a true, loyal Democrat, and his nomination will untie our great Party; (2) I know him personally, as a husband, father and citizen, and I bear witness that he is a good man in every relation; (3) I know also of his distinguished public services rendered without reward or hope of reward for public education, for temperance, in the days when courage was required, and also of his unflinching support of our boys at the front during the World War, when he spoke throughout the State for Red Cross Relief and Liberty Bonds. He is qualified for the United States Senate not only by intellectual capacity, but by personal character and knowledge of and sympathy with the people of North Carolina.

If the women of North Carolina knew him as I do, he would get every vote.

Yours for Democracy,
Mrs. H. A. London."

A Few Whittlings Off the Washington Stick

Strife, lack of leadership, complete absence of cooperation between the executive and legislative branches of the government, a President hostile to the Senate and a Senate hostile to the President, wholesale airing of the rich lobbies which parade through the corridors of the national capitol, the bitter wet and dry issue and a tariff bill which will oppress every poor consumer in America until it is repealed, are the things which the American people have gotten in exchange for the millions of dollars which the present session of Congress has cost them.

Death of F. T. Fox

Funeral Services for Francis Taylor Fox, age 71, prominent Chatham County Farmer, who died at his home at Ore Hill Friday morning, May 16, were conducted Sunday afternoon at 3 o'clock from Brush Creek Baptist church. Rev. A. O. Lindley, of Liberty was in charge assisted, by Rev. W. F. Hancock.

Mr. Fox was a prominent and influential citizen. He was concerned in all movements for the advancement in his community for the public interest. He joined Springfield M. P. Church in 1904, later moving his membership to Hope M. P. church where he remained a member until death. He is survived by his widow who before marriage was Miss Elizabeth Causey, three sons, Joseph E. Fox of Greensboro, B. E. Fox, of Siler City, G. L. Fox of Ore Hill; five daughters, Mrs. N. W. Thomas, of Sanford, Mrs. W. M. Matthews, of Sanford, Miss Estie Fox, at home; also by three brothers: D. L. Fox, of Bonlee, J. T. Fox of Bear Creek, T. C. Fox, of Siler City.

Pallbearers were: D. T. Vestal, O. H. Pickett, C. F. Houston, J. A. Cooper, L. L. Woody, and H. F. Johnson. Flower bearers: Moxelle Rierson, Hazel Fox, Bertie Shaw Fox, Clarice Fox, Katherine Thomas, Marion Matthews, Selma Cheek and Dorothy Mae Fox.

Interment was made in the church cemetery.

Moncure News

Mr. T. E. Heigler, of Raleigh, representing the Federal Land Bank of Columbia, was in town today, Monday, to see W. W. Stedman on business.

Miss Annie Lambeth, who was a junior at Greensboro College this year, returned to her home here one day last week for the summer. Misses Dorothy and Roberta Lambeth spent last week-end visiting relatives at Fayetteville.

Mr. and Mrs. J. W. Griffin, Mr. Carey Griffin, Mrs. Ralph Burnett, and Florence Burnett, spent Sunday with Mr. and Mrs. J. B. Powers. The picnic which was held on the parsonage lawn of Pittsboro in honor of the birthday of Rev. J. A. Dailey was an enjoyable occasion. A good number from Moncure and vicinity attended.

Mrs. Jane Langley of Pittsboro visited her son, W. W. Langley, last week.

Mrs. Daisy Moore of Durham is visiting relatives in this community. She spent last week with Mr. and Mrs. E. E. Utley.

Mr. Jake Utley, who is an aviator and is now located at Penscola, Fla., visited his parents, Mr. and Mrs. B. J. Utley, last week.

Messrs. B. T. Prince and Fred Sanders of Landrum, S. C., are in town this week on business.

The Junior Epworth League met last Sunday evening at 7:30 o'clock with Carlton Clegg as leader. Misses Marjorie Lee Ray and Ruby Womble assisted the leader in presenting the lesson. Miss Ruth Stedman was pianist during song service.

The Senior Epworth League met at 8 o'clock. The president, Miss Camelia Stedman, called the meeting to order. Miss Lois Ray was leader for the evening. After a short song service Miss Emma Lee Mann read the Bible lesson and Mr. A. B. Clegg led in prayer. Then the leader, Miss Ray, gave a short talk on the subject, "What the Bible is Doing in the World." Miss Lucile Wicker discussed, "What is the Bible?" Miss Lois Wilkie told the story of the "Book of Ruth" and Miss Camelia Stedman told the "Life of Paul." There was a large crowd of young people present and it was indeed an interesting program. After a song, "To the Work," the meeting closed with the league benediction.

There were several railroad officials in Moncure today, Monday. Mr. and Mrs. E. R. Ray and little daughter of Mt. Airy will be in Moncure all the summer.

Mrs. Geo. W. Giede and Miss Anna Hershey who have spent a month here, will leave Friday morning for Canada where they will attend a Shriner's meeting. Mr. Geo. W. Giede will join them at Harrisburg, Pa.

Mr. Clyde Bland of Pittsboro was in town one day this week on business.

Mr. and Mrs. R. E. Willis of Fayetteville spent several days in town last week.

The strip of road between Moncure and Merry Oaks that has been closed in order to pour concrete, is now complete and opened for the public.

LEGUMES WITH CORN INCREASES THE YIELD

Acres increases of from seven to 13 bushels of corn have been obtained in Montgomery county by the simple process of intercropping the corn with legumes.

In a report made to E. C. Blair, extension agronomist at State College, O. R. Carrithers, county agent of Montgomery county, gives the results of 23 different demonstrations conducted in his county in 1928 and 1929. Mr. Blair says in each demonstration one acre of corn was planted in rows four feet apart in the usual way. On another acre, adjoining the first, corn was planted in rows six feet apart, spaced closely on the row and a row of either soybeans or velvet beans was planted in the middle between each corn row.

As a result of these trials in 1928, corn planted alone produced 19.4 bushels an acre, while the corn planted with legumes yielded 26.7 bushels. This was an increase of 7.3 for the first year.

The tests were conducted again in 1929 in exactly the same manner and on the same land. In this case, the corn planted alone dropped in yield down to 18.1 bushels an acre because the soil had been depleted by the previous corn crop. But the corn planted with the legumes rose to 31.9 bushels an acre more than where the corn was planted alone the second time.

In addition however to an increased yield of grain the men conducting these tests with Mr. Carrithers got some valuable winter pastureage, especially where velvet beans were planted Mr. Blair says the two different acres were treated exactly alike.

The path of duty lies in what is near and men seek it for what is remote.—Chinese proverb.

Would You Know One If You Saw It?

If you ever came face to face with a germ, would you recognize it? Of course it is not likely that you ever will see a germ, unless you own a tremendously powerful microscope, for you would have to magnify one over a thousand times to make it as big as a pin head. But you should recognize the fact that these tiny germs can get into your blood streams through the smallest cut, and give you typhoid fever, tuberculosis, lockjaw, blood poisoning, and many more dangerous and perhaps fatal diseases. There is one sure safeguard against these dangers — washing every cut, no matter how small, thoroughly with Liquid Borozone, the safe antiseptic.

MEMORIAL DAY STARTS ON PAGE ONE

Springs site is barely a mile and a half distant. A goodly crowd assembled for the occasion, Pastor A. H. Porter made an excellent talk fitting the occasion. He was followed by extemporaneous remarks from O. J. Peterson, J. I. Phillips, a Rock Spring boy now with the Southern Railway at Greensboro, and by Mr. Hearne of Orange county, but one of the large family reared hardby. Mr. J. N. Eubanks of Orange was also present.

The seats and organ from the church had been brought and the day was a most beautiful one for an outdoor service and for a picnic dinner. The music was good, and the dinner abundant and delightful.

CHATHAM FARMERS AGAIN
The old church seems to have thrown off the lthargy of the many years in which its proximity to the Pittsboro church had handicapped it. The membership is now in the eighties. It has preached every second Sunday by Pastor A. H. Porter. A really solid minister, Mr. W. B. Cheek, though not a member of that church, is superintendent of the Sunday school. They have a live prayer meeting every Sunday evening, and the indications are that there is not a church in the county doing work of a more vital quality.

Nature Thought of Everything
Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35c a bottle, and can be bought from Pittsboro Drug Co. Adv.

ATTENTION, FARMERS!

There will be a meeting of Farmers at Hickory Mountain School house, Saturday, May 31st., for the purpose of organizing a Farmers Mutual Fire Insurance Association, of Chatham, Moore and Lee counties. This to be a branch of the State organization. At this meeting we will elect a President, Vice President, Secretary-Treasurer, and a Board of Directors; therefore it is absolutely essential that every farmer who has given an application or anticipates taking out insurance with this company be present at this meeting, and assist in the selection and election of the men who will have the supervision and management of the business. If you do not come and some one is elected to some office whom you do not approve, you will have no one to blame but yourself. This organization is now functioning successfully in about 65 of our 100 counties, and no county or counties need this protection worse than Chatham, Moore and Lee, and there is no reason under the sun why these three counties should not become the banner branch of the organization throughout the State, provided the right men are placed at the head of it, and let it be our aim intention and determination to make it such, and I trust that every man who has put in his application, or who may put in one later, will take this view of it, and act accordingly. "Work and talk and work for the Farmers Mutual." Then we are a success from the start. Let's have liberal and loyal cooperation from every farmer right from the beginning. I have been soliciting applications for some time and have \$160,000 of insurance ready to be issued. We will have our State President, Mr. T. B. Parker, of Raleigh, with us at the above meeting; also speakers from other counties, who will fully explain to us everything we may wish to know pertaining to the organization. We want every farmer who can do so to be present at this meeting, whether you carry insurance or not. We meet at 1:00 o'clock sharp. Don't be late. Start early, and all who have given me their application, please come prepared to pay your premium, thereby placing your insurance in force on that day.

As every farmer should be vitally concerned in securing insurance on his farm buildings at actual cost, I urgently invite every farmer in Chatham county to be present and learn how he can save many dollars in insurance.

J. R. Lambert, Agent.

PRESIDENT PARKER'S LETTER

Raleigh, N. C., May 26, 1930

Mr. J. R. Lambert, Mt. Vernon Springs, N. C.

Dear Mr. Lambert:-

I am delighted to learn that you are to form the Chatham, Moore and Lee Branch of the Farmers Mutual Fire Insurance Association Saturday the 31st. inst. at 1 o'clock p. m. sharp, in the Hickory Mountain School House. If nothing prevents me from going I will be there.

I want to congratulate the farmers of those counties in their decision to join in with our State Farmers Mutual Fire Insurance Association, that is now carrying more than \$45,000,000.00 insurance on farm property at a great saving to the policy holders in our Association. They are taking a great economical step forward.

North Carolina stands in the lead in Farmers Mutual Fire Insurance in all the southern states except Virginia, and possibly, Tennessee. But we are far behind many of the mid Western states; for instance: Ohio farmers have \$1,026,000,000.00 Farmers Mutual Ins. Wisconsin \$1,104,000,000.00 and Iowa, \$1,282,000,000.00. Many of those mid western states carry several times as much Farmers Mutual Insurance as our N. C. Farmers carry. The amount of insurance they are carrying shows the confidence they have in themselves in solving the farmers' insurance problem. The above figures should inspire our farmers to greater efforts to increase the amount of Farmers' Mutual Insurance in our good old North Carolina.

Farmers Mutual Insurance is simply a Co-operative insurance, where they help to bear each other's burdens. In this they will be taking Governor Gardner's slogan "Live At Home" in insurance matters as well as in other things. By the way; Governor Gardner's Home county, Cleveland, is one of our best Branches. See if you can not make Chatham, Moore and Lee still better, as to amount of Farmers Mutual Insurance carried by them, than Cleveland, or any other Branch.

With best wishes for your success, I am very truly yours,

T. B. Parker, President, Farmers Mutual Fire Ins. Assn.
