

TOWN AND COUNTY BRIEFS

C. C. Hamlet, who has made a remarkable record as student at the University the past season, is off for a summer's work with a crew selling magazines.

There will be a reunion of the Wilkie family at the home of whom Mr. C. E. Hillard, near Goldston, on Sunday June 15. Everybody is invited to come and bring a basket.

On account of the tragic death of Lewis Gunter, a member of the Ashbury Sunday school, Children's Day exercises at Ashbury, scheduled for next Sunday, have been postponed till the second Sunday in July.

Mr. and Mrs. Shiver are away on a vacation. Mr. Shiver's health has been poor recently and he had to rest. Sinous trouble has caused him much discomfort. You will miss the farm page this week.

We call your attention to the review of the business houses of Siler City gotten up Monday and Tuesday by Messrs. Matthews and Mitchell. Every business in the group reviewed is worthy of your to another confidence. The young men who did the work are professionals in their line of business, going from one town to another. We let them undertake the Siler City review for the Record and are gratified at the response of the good business men of our fine county town. These reviews will introduce them to a thousand families in every section of the county. Siler City business houses need to be better known in a large scope of our territory, and this review should have the effect of extending knowledge of them.

Mrs. Wade Barber is visiting her mother at Shawboro, Currituck county.

Prof. Frank Bickerstaff, Mrs. Bickerstaff, and Miss Anne Bickerstaff came in Saturday from a two weeks' tour in the north. They went as far north as Boston and visited Mr. Bickerstaff's brother at Lowell and New York. After spending a day or two with Mrs. Bickerstaff's mother, Mrs. Guinn, they returned to Forest City.

Mr. Porter Johnson, of Oakland township, is very ill with pneumonia. Mr. Johnson has been a semi-invalid for two or three years and consequently entered the fight against the dread disease with low vitality. However, it is hoped that he will soon be convalescent. Miss Lucile Peterson, professional nurse, has been with him for several days.

Miss Bessie Chapin is spending a few days with her sister Miss Miriam in Richmond, Va.

Children's Day exercises will be held at Buckhorn M. E. church Sunday evening June 15, beginning at 8 o'clock.

The death of Lewis Gunter was one of the saddest accidents to occur in the county in many moons. He was on the very threshold of life. The turning over of the truck is said to be due to the locking of the steering gear. It was driven by Mr. Stedman and not by Mr. Gunter, as stated in another article. There were five in the truck. No one else was seriously hurt, but one or two slightly. Mr. A. T. Cotten was on the truck and was being carried to the polls in Oakland township. He didn't vote.

The figures for the votes in the several townships in the article on the first page are official, if no error has been made in printing. We didn't have the time to correct the totals before sending off the copy. If we do not get the totals revised, you might add up the township votes for yourselves.

Well, they went and beat our Sampson friend H. M. Jackson in Lee, but they just have to have a Chatham man for sheriff. They turned down Sheriff Womble, reared only a few miles from Pittsboro, but replaced him with Arthur Rives, another Chatham man, reared near Rives' Chapel. Jackson, who served in the legislature two years ago, was beaten by the old war horse A. A. F. Seawell. It was Mr. Seawell's tax platform that put him through, we imagine. And Mr. Seawell will be right on the job next winter in seeking relief for the farmers from the burdensome land tax now inflicted upon them.

Miss Mary Louise Edwards, daughter of Doctor Edwards of Siler City, was among the graduates of Meredith College. Miss Mary Frances Dorsett, also of Siler City, was a graduate in music at Greensboro College. After writing the name of Miss Edwards, we fear we may not be remembering correctly. Anyway, it is Doctor Edward's daughter.

The sympathy of many friends goes out to Mr. Sawyer of Moncure in the tragic death of Mrs. Sawyer. Six children are left motherless.

A CONSIDERATION

"How in the world did she come to fall in love with a drug store clerk?" "Well, she can get her hair nets for nothing."

WAS CLEANING UP

"What's George doing now? They tell me he's cleaning up several hundred a day." "Sure thing—he's a dishwasher in a downtown cafe."

SOMETHING HATCHING

New Ford Car Wins Favor

Ford Phaeton

THE Ford Phaeton, shown above, is equally popular as a family car and as a sport car for young people. The seating arrangement provides for the driver and one passenger in front and three passengers in the rear. Seats are upholstered in two-tone cross cobra grain artificial leather. The top is of the quick collapsing type, easily handled by one person, and folds flat. The windshield, of Triplex shatter-proof glass, is of the folding type and can be laid flat forward. The windshield wings fold over it, emphasizing the sport effect of the car.

NOTICE to ICE BUYERS

Ice will be delivered for cash only after June 1. Please be ready to pay on delivery. We have to pay cash for it and can not sell it on a credit at present prices.

Thirty Thousand W. O. W. Veterans Honored Celebrating 40 Years of Service

Thirty thousand members of the Woodmen of the World have received service medals signifying that they have been members of the Woodmen of the World for twenty-five years or more. W. A. Fraser, president of the Woodmen of the World, announced today.

The thirty thousand medals were recently presented at a meeting of the Fort King Camp, No. 14, at Osaca, Florida.

The Woodmen of the World will be forty years old on June 6 of this year.

The twenty-five year medals have been given out to veterans of the Woodmen of the World for the past fourteen years, the first medal being given in 1916.

"When we first started giving medals out to veterans of our association, we never dreamt that we would be using thirty thousand of the service pins, said Fraser. "Our association has had a great growth since it was first organized with 125 members forty years ago."

"The pioneers of the Woodmen of the World had an inspiring vision of the future of their organization but never dreamt of the tremendous size and wealth that the society now has," said Mr. Fraser. "Today the Woodmen of the World is the strongest fraternal organization in existence. It was recently declared

101.8% solvent. It holds investments and securities of more than \$100,000,000 with gross assets totaling approximately \$125,000,000."

Membership Half Million The membership of the Woodmen of the World is now estimated at approximately one-half million and the organization has paid in death losses and disability benefits during its forty years of existence approximately \$175,000,000. Two of the largest enterprises that have placed the Woodmen of the World in the foremost ranks of progressive fraternal insurance societies are the War Memorial Hospital at San Antonio, Tex., and the radio station WOW in the headquarters building at Omaha, Neb.

The War Memorial Hospital is a million dollar structure and has taken in thousands of sick members and turned them out healthy and able to go back to their families to enjoy life.

The Woodmen of the World Radio Station was built in 1923. It has become one of the most popular radio stations in the United States. President Fraser developed the idea of the Woodmen of the World Radio Congregation, a religious congregation of radio listeners, which is the largest in the world, estimated at one-half million.

Hopes to Issue 100,000 Pins "I hope that the Woodmen of the World will some day issue 100,000 twenty-five year service pins to its members," said President Fraser. "Our association is growing rapidly. It is becoming larger and of greater service to its members."
