They also specialize in washing, greasing and polishing. This is also a later-day business house that determined when they opened their doors to the public to see that motorists in this part of the country were given all of the advantages of metropolitan tire service and positively there can be no question but that it has succeeded. Throughout this section of the state this place is known as one establishment where high grade tires are sold at exceedingly reasonable prices and motorists have marveled at the wonderful value offered.

where they can fill up with the best grade of gasoline and motor oil when in Apex. You can't go wrong on their tires. They carry a complete stock of Goodyear tires. Those who have tested them have not only been pleased, but also surprised at the extraordinary mileage obtained. You don't need to take either the dealer's or the manufacturer's word for their superiority. Ask anyone who uses their tires and you will learn they stand up wonderfully under the most grueling tests. Try them yourself and you will be convinced that they can not be equaled. It can readily be seen that this is one of the most important features of tire life of this section of the state and adds materially to the development of the country.

The fact that visitors and local patrons can get anything and everything in the line of tires and service at this metropolitan institute brings new people and new capital to the country. The tire repair department is on a par with the best in the largest cities and is prepared for the very best of work in all branches of tire work. This is one of the few dealers who has on hand at all times a full line of balloon tires. In making this review of the on-ward progress we wish to compliment Apex Service Station upon having not only their patrons, but also a superior service and one that is ever courteous and satisfactory.

Doctors Disagree

When children are irritable and peevish, grind their teeth and sleep restlessly, have digestive pains and disturbances, lack of appetite, and have itching eyes, nose and fingers, doctors will not always agree that they are suffering from worms. Many mothers, too, will not believe that their carefully brought up children can have worms. The fact remains that these symptoms will yield, in a great majority of cases, to a few doses of White's Cream Vermifuge, the sure expellant of round and pin worms. If your child has any of these symptoms, try this harmless, old fashioned remedy, which you can get at 35c per bottle from Pittsboro Drug Co. Adv.
