Brown's Chapel News

Mrs. Celia Mann Lindley, born July 23 1861, died July 3, 1930. She professed faith in Christ at about 12 years of age and joined the Brown's Chapel M. E. church. On December 23, 1885, she was married to Mr. R. H. Lindley and moved her membership to the Center M. P. church with her husband and there remained for 30 years. Moving back then to their old home community, both she and her husband united with the Brown's Chapel church, in which connection she lived as a faithful member till death.

Mrs. Lindley was a faithful wife, mother and grandmother. As a neighbor she was willing and ready to lend a helping hand to the sick or those in trouble. Many times she would go afoot when she thought it was too rough to have a horse out in the weather.

She was always unusually of health until last March, when she suffered a stroke. For the last three weeks her suffering was very severe, but she never complained. She was unconscious several hours before her death.

She will be greatly missed in the home, the church, and the community. However, we rejoice that she is now resting and we feel that our loss is her gain. She is survived by her devoted husband, by one daughter, Mrs. J. R. Goodwin, and three grandchildren, Lewis, Ada, and Addie Grace Goodwin, and by one brother, Mr. J. T. Mann, of Pittsboro Rt. 2.

She was laid beneath a mound of beautiful flowers in the churchyard on July 4th after services held in the church by Pastor Dailey and Revs. R. R. Gordon, Oscar Lindley, and Whitehead.

Mr. Lindley went home with his brother Mr. Milton Lindley to spend a few days.

Two beautiful quartets were rendered during the services.

Mr. Lindley and the family are very appreciative of the many kindnesses shown during the illness of Mrs. Lindley, and hereby express their thanks.

Mrs. Lizzie Dark has returned from a two-weeks stay at Watts hospital greatly improved.

The Junior base ball team beat the Elo Whitney team July 4 by a score of 16 to 8.

A big fishing party at the old Baldwin mill resulted in a catch of 55.

We shall all miss Mr. E. J. Johnson and dear Mrs. London.

Mr. Kiah Henderson and his aunt Miss Blanche Henderson of Raleigh spent Saturday night with Mr. W. C. Henderson.

H. F. Durham and family missed Sunday school Sunday for the first time this year, having gone to a rally day service at Cedar Grove, the old church of Mrs. Durham. It was a real treat.

John Durham and sisters Roberta and Margaret, and niece, Eloise, went to the mountains last week.

Pastor Dailey being away helping Rev. P. D. Woodall in a meeting, Supt. Reid S. Thompson supplied for his Sunday.

The extent of the intelligence of some men can be gauged by their thought that a historian may be human.

Sunday School Day, or Church School Day, will be observed at Mt. Zion M. E. church Sunday, beginning at 3 p. m. In addition to the program prepared by the Sunday school, talks on certain phases of the Sunday school work will be made by Pastor Dailey and Dr. George Harmon, who is home from Lehigh University for the holidays. Dangerous Business

Our stomach and digestive systems are lined with membrane which is delicate, sensitive and easily injured. It is dangerous business, then, to use medicines containing harsh drugs, salts or minerals, when we are constipated. In addition to the possibility of injuring the linings of our digestive system, these medicines give only temporary relief and may prove habit forming. The safe way to relieve constipation is with Herbine, the cathartic that is made from herbs, and acts in the way nature intended. You can get Herbine at Pittsboro Drug Co. Adv.

YOU OWE IT TO YOUR FAMILY

To Insure Your Property—The Farmer's Mutual Gives Insurance At Cost.

Every farmer owes it to himself and wife and children and to his neighbors to insure his buildings against damage fire and lightning. Not one in ten would be able to rebuild and his neighbors are in no shape to help him. Besides, your neighbor will feel that you should have carried insurance.

Fires come, like accidental death, when you least expect them; therefore every farmer should carry some insurance on all his buildings. It is too late after your buildings are destroyed by fire or lightning. Insure now and be on the safe side. The premium you pay will not break you; but in all probability a fire would drop me a card at address below and I will come and look your buildings over and give you as good insurance as you can buy and the cheapest.

J. R. LAMBERT, Agent Farmer's Mutual Fire Insurance Co., Mt. Vernon Springs, N. C.

All Unpleasant Subject

All of the functions of life are not pleasant to consider. Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of flesh, lack of appetite or itching nose and fingers in their children, can be caused by round or pin worms. Many mothers have proven, however, that a few doses of White's Cream Vermifuge, that sure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 35 cents per bottle from Pittsboro Drug Co. Adv.

DON'T WAIT TOO LONG
Are you worried about finances? Just sit down some evening, throw the cranial switch, and take a good, square look. Maybe a message will flash something like this:
"If I had only had the confidence of some good Banker, I could pull through. If I had only saved a little, while prosperous, I wouldn't be in this fix now. If my CREDIT was good, I could borrow some money and work my way out." The earlier these thoughts come to you, the better off you will be.
