

P. T. A. Meets

Large Attendance. Splendid Reports Made.

The main body of the school auditorium was comfortably filled with patrons for the October meeting of the P. T. A. Friday evening. Splendid reports were given by the chairman of the various committees. The grounds committee, with Mrs. Barber as chairman, has set out thirteen evergreens on the school yard, supplied trash cans, has given an acting bar and expects to erect a circular swing for the younger children. Mrs. Mann, chairman of membership, reports forty-two paid members secured since the last meeting. Mrs. Hayes with her committee has renovated the rest room and replenished the medicine chest. An excellent report of the District Meeting in Franklinton was made by Mrs. Shannonhouse. Miss Archbell, Miss Seine, Mrs. G. H. Brooks, Sr., and Mr. Waters made short, interesting talks. Leaflets on Cancer were distributed. After adjournment of the business meeting, the rooms of the different grades were visited and admired. It was clearly seen that pupils and teachers had spent much time on the decorations of the rooms and on the creditable exhibits of their class room work. MRS. VICTOR R. JOHNSON Secretary.

Moncure News

Burglars entered Mr. A. F. Womble's mill one night last week and took 6 or 7 bushels of meal and one small sack of flour. Mr. Womble seems to think they were blockaders as they only took meal and there were several barrels of flour near the meal that was taken. One of the most exciting wrecks occurred on the highway near Lassiter's Filling Station on the outskirts of town last Friday evening when the Charlotte and Raleigh Bus ran into the Pittsboro train. This bus that is local and had ten or a dozen passengers was making 60 miles an hour and did not hear the train blow, so the bus and train met at the crossing. In order to avoid running into the train with full force the bus was turned to the left parallel with the train. The passengers were shaken and bruised up considerably and were rushed to the hospital at Sanford and Raleigh. It is understood that the passengers were not seriously hurt. The front part of the bus was torn up badly and all the window lights of the bus completely demolished. The bus was hauled into Raleigh for repairs. The engine of the Pittsboro train was also damaged and put out of running condition and was carried to Raleigh for repairs. There was no train on the line to Pittsboro last Saturday on account of the engine being under repair. The speed limit should be observed by all cars and bus as they go through small towns and the officials of the railroad should put in a signal at the railroad crossing in order that tourists and travellers could tell when there is an approach of the train. They have these signals in the business sections of large towns, a "stop" signal and a "go" signal. In order to avoid such accidents a similar signal should be put in at all railroads crossing the highway. A good number from Moncure and this part of the county heard the address of Hon. Geo. M. Pritchard, the Republican candidate for

the United States Senate and also Mr. Matthews, the Republican candidate for Congress, at Pittsboro last Saturday afternoon. Mrs. Daisy Lambeth spent last Thursday with friends at Fayetteville. Misses Mary Helen Lambeth and Majorie Lee Ray spent last weekend at Sanford with friends. The B. Y. P. U. met last Sunday evening at six o'clock. Also the Woman's Missionary Society of the Baptist church met at the church last Thursday afternoon. Mrs. W. R. Lawson and children of Raleigh are visiting her parents, Mr. and Mrs. J. T. Brody. The Epworth Junior Society met Sunday evening with Carlton Clegg as leader, with the help of other members carried out a good program. Wednesday afternoon of this week their business meeting and social will be held. The Epworth League met with Miss Margaret Mann as leader. After a splendid talk by leader on missions and Mission Study Work, then Miss Anna Mae Caddell made a good and practical talk on "Studying to be Approved Workmen". After readings by Misses Roberta Lambeth, Emma Lee Mann and Camelia Stedman, it was decided to use "Youth and New America" by G. Bromley Oxnam and "The Crowded Ways" by Charles Hatch Sears as the mission study book for this fall. The Union revival that is on now and has been for a week is being well attended and much interest is shown. The ministers, Rev. T. Y. Seymore, Rev. Jonas Barclay, and Rev. J. A. Dailey are doing some excellent preaching and the interest is increasing each service. The services are held in the school auditorium. The meeting of the Woman's Missionary Auxiliary of the Methodist church was held last Thursday afternoon at 3 o'clock. The president, Mrs. W. W. Stedman, held the devotional and also presided over the meeting. The roll was called by secretary, Mrs. E. G. Broaduax, and then the minutes of the last meeting was read and approved. The Social Service Committee gave in a good report. Mrs. E. G. Sammons read an interesting piece on Mission work and then the president gave a short outline of the first chapters of the book, "Trailing the Conquistador" by Samuel Guy Inman. Then Mrs. W. C. Harward gave a most interesting discussion on the 5th chapter of the book. We were very glad indeed to have Rev. J. A. Dailey at this meeting who dismissed the meeting with prayer. The social meeting will be held with Mrs. W. C. Harward Thursday evening before the 4th Sunday and we have invited some Sanford ladies to come and give the two last chapters of our Mission Study book. Mr. Jinnings Womble, the oldest son of Mr. and Mrs. J. L. Womble has returned to White Plains where he will teach in the high school there. This is his second year there. Miss Dorothy Lambeth, who is a student at Elon College, spent last week-end at home with her parents, Mr. and Mrs. E. E. Lambeth.

Brown's Chapel News

The ginney here has been short of water. It runs each morning. One day it ginned 13 bales and the water shortage followed. Old-time corn shucking are in progress. There are some fine piles of corn. Mr. Odie Mitchell of New Hope township spent a night last week with his old neighbor, J. R. Goodwin. Mr. O. T. Williams is still selling nice tomatoes on the Pittsboro market. Mr. W. C. Henderson is about ready to go to selling milk, and H. F. Durham hopes to get on a route soon, as the Durham now have ten head of cows and heifers. There are several nice herds of cattle in this section, but the dry weather has considerably cut the milk production. The milk-selling families of the community are to have a barbecue Thursday. This is the anniversary of the opening of the milk route. We report the news as we hear it, but may not make the meaning clear everytime. Accordingly, the editor when preparing for the printer misinterprets and thus causes an error. Every member of Brown's church is expected to be out next Sunday, as that is the last Sunday before the check up called for by P. E. Cade. The Epworth League is doing good work. We feel very proud of the young people and try to lend a helping hand.

Mr. M. E. Mann, Dead

Funeral services were held at Ebenezer M. E. church, on New Hill Rt. 2, on Monday, Oct. 6, for Mr. Marshall E. Mann, who died Sunday, Oct. 5. The services were conducted by his pastor, Rev. J. A. Denton of Mt. Zion Christian church. The large congregation that overflowed the church and the beautiful floral tributes indicated the high esteem in which he was held. No higher tribute could have been paid than that by his pastor, who said "He was loyal to his family, loyal to his friends and neighborhood, loyal to his church and pastor, and loyal to his God". He was a great singer and will be greatly missed by his church and Sunday school. Mr. Mann had been in declining health for several years and his death was not unexpected. He was a successful farmer and a man who took great interest in the progress of his community. Besides being choir leader, he was a Sunday school teacher, and the members of his class were pall bearers, namely, R. B. Farrar, L. J. Wilson, C. W. McCoy, R. G. Beck-
