News of the Week on Chatham County Farms

"FARM PHILOSOPHY"

Every man's farm preaches what it's owner practices.

Give the family cow a good deal and she will give you a good deal in return.

Owners of good year-round gardens did not have to spend too much hard earned cash for the family food this year.

Ignorance of better farming methods is neither bliss nor excuses in these good days of free reading on better farming.

Country folks have in Nature's great outdoors, more wonderful "picture shows" than are ever in the movies.

CHATHAM COUNTY NOVEMBER FARM CALENDAR

Things to be Done this Month

Agronomy

Cotton left unprotected from weather may lose five to ten dollars value per bale. It's much cheaper and wiser to put it in a warehouse.

Fall plowing of heavy clay land makes spring work easier.

Dairying

Increasing the barn feed as pastures are killed by frost.

Let the cows clean up the corn and hay silage after these have been gathered.

Provide warm, clean, dry stalls for fall born calves.

Use a carefully selected pure bred dairy bull.

Horticulture

Prepare land for setting fruit trees in November and December.

Order trees and heel them out in moist soils until they can be properly transplanted.

Make cuttings of grapes and figs and set them out immediately.

Plant sweet peas in a well prepared trench, covering the seed five inches deep.

Plant strawberry, raspberry and dewberry plants and asparagus roots.

Sow lettuce in coldframes for use in January and February.

Make hill selection of sweet potatoes for seed digging time.

Entomology

Pick up and burn severed twigs of pecan, hickory and other hard wood trees to destroy the twig girdler.

Plow up fields of cotton, tomatoes, beans and other crops to destroy late feeding insects.

Rake up and burn, or plow under corn stubble to destroy the larger corn stalk borer.

Purchase spray materials and overhaul equipment for winter spraying fruit trees.

Fumigate stored peas and grains with carbon bisulphide.

Agricultural Engineering

Write for blue prints for a rat proof grain storage building.

Check grain drill to see if you are planting the desired number of seed.

Build an implement shed, and see that all machinery is properly housed.

Make improvements with some of the cotton smy—running water, a bath room, smy light plant, new paint on the hse.

Animal Husbandry

Wean all fall pigs when eight weeks of age.

For cheap insurance, vaccinate all pigs when about fifty pounds.

Prepare comfortable shelters for all classes of livestock.

Protect comfortable shelters for all classes of livestock.

Protect sheep against cold, rainy weather, which may cause pneumonia.

Study feeds on hand and plan to carry all livestock through the winter without loss of weight.

Poultry

Provide comfortable houses for laying birds.

Treat sorehead and roup promptly.

Keep laying hens in good flesh to maintain egg production through the winter.

Keep up the supply of clean drinking water.

Now that shucking season is here, Chatham farmers in the main are finding out that corn is "turning out" larger yields than expected.

Chatham's corn crop is as large or larger than ever before in spite of the dry weather and many farmers are planning to sell this corn through some grown livestock.

Good Corn Crops

"Our crop this year is as large or larger than ever before. Our acre yield is under normal, but we had a large total acreage in corn" stated Mr. Oscar Lambeth of Siler City RFD recently.

Mr. C. M. Covert, Siler City RFD states that his crop is the largest in years.

Pigs Making Good Gains

St. Clair Vestal, who put eight pigs on a self feeder on October 10 states that his pigs are making good gains. When put on feed, these pigs averaged 40 pounds. They will now weigh 85 pounds.

Lespedeza Makes Better Corn

"I am satisfied that a crop of lespedeza turned under on this six acre field has made twenty bushels more corn than it would have made without lespedeza" stated Mr. R. H. Thomas of Siler City recently.

Good Wheat Crop Being Seeded in the County

With the recent rains, much land in the county has been prepared and seeded in barley, wheat and oats. The wheat acreage this year will probably be larger than it has been during the past three years. Farmers will be busy throughout this month getting in the crop.

Farmers in Corn Contest Make Good Yields

J. I. Lindley, Siler City RFD averaged 60 bu. per acre with his five acre field in the corn contest this year, Raymond Clapp averaged 59.7 bu. per acre and M. W. Duncan averaged 50.25 bu. per acre. These are the highest yields obtained to date, but a number of other yields will be obtained within the next ten days. It must be remembered, that with a normal season, these yields would have averaged a third higher. These records are also showing one very important thing about the production of corn, namely; when the yield per acre of corn goes up, the cost of production per bushel comes down, and when the yield comes down, the cost of producing a bushel goes up.

TEACHERS MEETING STARTS ON PAGE ONE

Louise Petty, Moncure School, Vocal Solo; Miss Thomas, Bynum School, Recitation, "Picking up Sticks"; Miss Mary Dell Bynum and Miss Bessie Chapin, Pittsboro School, Vocal Duet.

Principal Hunter of Be's, Miss Caddell of Moncure, Mr. Braxton of Siler City, and Principal Waters of Pittsboro made talks on various school problems.

In the absence of Supt. Thompson toward the latter part of the meeting several teachers and principals spoke highly of Mr. Thompson as our learned. Mr. Veasey, of Goldston attributed the success of Chatham county schools to the personal interest Mr. Thompson takes in each individual teacher.

WOMAN'S CLUB MEETS

The Pittsboro Woman's Club held its general meeting on Nov 7, with Mrs. J. W. Hunt, President, presiding.

Plans for the bazaar, to be held Nov. 23, were completed. It was decided not to serve dinner, but for each member to contribute 50 cents on that occasion. Mrs. Hunt urged all members to help make the bazaar a success.

An invitation to meet with the Bonlee club was accepted. The members of the Siler City club were visitors at this meeting and their presence was much appreciated.

Dr. Arthur London, baby specialist, gave a very instructive address upon "The Health of the Child", which should prove a great benefit to mothers of small children.

An invitation has been received from the Community Club of Chapel Hill to attend a lecture on Highway Beautification, to be given by Mr. G. S. Holmes, State forester, in the Carolina Theatre at 3 p. m., Sunday, Nov. 16. Dr. Holmes will also show slides and a film "What is Happening to the American Landscape." It is hoped that many of the club members will attend.

Brown's Chapel News

For two years Rev. J. A. Dailey has done fine work at Brown's and we do not expect anything else but his return. However, we Methodists never know what will happen. Next Sunday is his last appointment before Conference; so come out.

It has been suggested that at the beginning of the next Conference year the names of our members be read out with the sums paid this year for pastor and for missions and what each is expected to pay the coming year.

Mr. J. W. Dark has bought up nearly thirty bales of cotton to hold for better prices. If enough would follow suit cotton might go up.

Messrs. ZK. I. Dark, I. E. Crutchfield, C. H. and W. W. Lutterloh, along with Mr. Curtis and his ice truck, went up to Virginia last week to buy cows, but they returned without buying.

A suggestion was made at our meeting last Sunday that the pastor's salary be reduced for the next year, but nothing definite resulted. After the conference the Epworth League met and some real messages were presented by Miss Allene Dark and Messrs. Body Perry and Robert Blosson.

Mr. Arthur Richardson and family of Alamance and Mr. W. K. Mann and family are reported as dinner guests Sunday, of Mr. and Mrs. J. R. Goodwin.

Turkeys are scarce in this section this year. Even the Perry boys who usually have a fine lot, have very few this year. If conditions are similar in other sections, prices should be high.

Goldston

Mesdames Goldston and Womble Entertain Book Club—Friendly Club Met with Mrs. Ralph Rives. Other News Items

Mesdames J. B. Goldston and A. B. Womble delightfully entertained the Goldston Book Club Thursday afternoon at the home of the latter, with Mrs. P. O. Barber president, in charge.

The meeting was opened with the Lord's Prayer in unison. Interesting papers on "Madame Curie and Her Works" were presented by Mesdames P. O. Barber and J. J. Harris. After this a "shirt waist" contest was thoroughly enjoyed by all after which Mrs. Jacob Dixon won a lovely bon bon dish as prize.

During the business session new officers were elected as follows: President, Mrs. E. M. Harris, vice-president, Mrs. A. B. Goldston, secretary and treasurer, Mrs. P. M. Barber, program committee, Mrs. T. W. Goldston and Mrs. W. L. Goldston and publicity Mrs. T. P. Murchison.

At the close of the meeting the hostesses served a delicious salad course. The club will meet in December with Mesdames E. M. Harris and H. M. Phillips.

Mrs. Ralph Rives entertained the Friendly Club at her home Tuesday afternoon. The living room was beautiful with the lovely fall flowers and ferns.

Fourteen members were present, with Mrs. Janie Pachal and Mrs. W. H. Stout as their guests. After the transaction of business a contest was thoroughly enjoyed after which Mrs. F. C. Olive won a jar of fragrant flowers. The hostess served delicious sandwiches and black coffee. Mrs. J. H. Alexander and Mrs. Valley Goldston will entertain the club in December.

The Parent-Teachers Association will hold their regular meeting in the town hall Friday evening, Nov. 7.

Mrs. J. W. Hoyle, Jr. and little

William will leave Friday for Greensboro where she will join her husband Rev. J. W. Hoyle, Jr., who is attending the Western North Carolina Conference held in the West Market 1st Methodist church there. Mrs. G. M. Burns of Roxboro spent last week-end with relatives. After spending the latter part of the week with their parents Mr. and Mrs. L. B. Hester, Misses Elizabeth and Nancy Hester returned to Meredith College, Raleigh, N. C. last Sunday.

SEVENTH GRADE: Curtis Hamlet, Cleron Hatley, J. T. Riggsbee, Margaret Blake, Mildred Blake, Evelyn Gunter, Vergilia Smith, Lollie Hobby.

HEAD HURT?

WORK won't wait for a headache to wear off. Don't look for sympathy at such times, but get some Bayer Aspirin. It never fails.

Don't be a chronic sufferer from headaches, or any other pain. See a doctor and get at the cause. Meantime, don't play martyr. There's always quick comfort in Bayer Aspirin. It never does any harm. Isn't it foolish to suffer any needless pain? It may be only a simple headache, or it may be neuralgia or neuritis. Rheumatism. Lumbago. Bayer Aspirin is still the sensible thing to take. There is hardly any ache or pain these tablets can't relieve; they are a great comfort to women who suffer periodically;

they are always to be relied on for breaking up colds. Buy the box that says Bayer, and has Genuine printed in red. Genuine Bayer Aspirin doesn't depress the heart. All druggists.

BAYER ASPIRIN

SILER CITY HDWE. CO.

SILER CITY PITTSBORO

Offers at both stores the following low prices on Galvanized Roofing: 6 to 10 ft. lengths, per sq. \$4.25 11 and 12 ft. lengths, per sq. \$4.35 With Nails Free.

Our stores will be stocked with Christmas Toys. They are already beginning to come in, and you are invited to come in and see them.

Doctors Disagree. When children are irritable and peevish, grind their teeth and sleep restlessly, have digestive pains and disturbances, lack of appetite, and have itching eyes, nose and fingers, doctors will not always agree that they are suffering from worms. Many mothers, too, will not believe that their carefully brought up children can have worms. The fact remains that these symptoms will yield, in a great majority of cases, to a few doses of White's Cream Vermifuge, the sure expellant of round and pin worms. If your child has any of these symptoms, try this harmless, old fashioned remedy, which you can get at 35c per bottle from Pittsboro Drug Co. Adv.

\$5.00 for a beautiful Permanent Wave. **Mayfair Beauty Shoppe** Chapel Hill, N. C., Phone 6691

Dr. J. C. Mann EYESIGHT SPECIALIST will be at Dr. Farrell's office in Pittsboro from 10 A. M. to 3 P. M. Tuesday, Nov. 25.

Dr. Arthur H. London, Jr. WILL BE AT Dr. CHAPIN'S OFFICE on Tuesday of each week from 11:00 to 12:00 a. m. for the Practice of Disease of Infants and Children

Restless CHILDREN

CHILDREN will fret, and often for no apparent reason. But there's always Castoria! As harmless as the recipe on the wrapper; mild and bland as it tastes. Yet its gentle action will soothe a youngster more surely than a more powerful medicine. That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.
