This is no fake. We mean business. Every-thing must, and will be, sold.

Crowds have attended this sale and bought freely. We have priced every remaining item at the final close-out prices.

Costs recklessly disregarded in this drive to "Sell Out" without regard to penalties involved. A terrific beating to take, but our only resort to stave off an unpleasant situation.

Visit the store, all you bargain-seekers, and realize how LOW selling figures can be cut when immediate action is required.

This is our last call—our last advertising—Every piece of goods in this store will be sold in the next few days. It is our loss and your gain.
