The Murray Tire Story is the most interesting that can be told a Motorist. It is the story of Highest Possible Tire Quality offered at Low

Prices. It is this combination—Highest Quality and Low Prices, which makes this message unlike any other. Murray Tires are built of the finest material, with utmost care. They have a double-tread of special tread-compound of the greatest wearing quality. When after long use the first non-skid pattern wears away, heavy fillets form a second non-skid pattern. These fillets also form a bridge reinforcement, strengthening the tread and preventing cracks and breaks. Then every Murray Tire is guaranteed—unconditionally—in writing. No waiting for adjustments, no correspondence, no red tape. This guarantee is instantly adjusted at any Murray Dealer's Store, anywhere.
