

Mountain Lions Win From Elkin

Score 13 To 7 Victory In First Game of Season; Stars

Scoring in every quarter except the last, the Mountain Lions of North Wilkesboro high school scored their way to a 13 to 7 victory over the Elkin high school eleven at the fairgrounds Thursday afternoon.

Coach Overcash's boys took the lead in the first period with a march down the field that brought a touchdown and made the score 6 to 0. The attempt at conversion of the extra point failed.

The visitors came back strong in the closing moments of the quarter and placed the pigskin in scoring position. They pushed over for a touchdown on the second play after the second quarter opened. The placement kick for the extra point was good and the score was 7 to 6 in favor of Elkin.

Unglamed, the Mountain Lions took the old pigskin to their heart and started a sustained march down the field for another touchdown. This time the plunge for the point succeeded, making the score at the half 13 to 7. The local team scored again in the third quarter and lost the extra point for the second time during the game.

The only scoring threat made by the Elkin eleven in the last two periods was in the final moment of the game when Coach Overcash substituted his "Little Boys" for the regulars when the game was in the bag. A pass over the goal line fell incomplete and the danger was over.

Marshall scored two of North Wilkesboro's touchdowns, while Elford Jones accounted for one touchdown and an extra point. E. Chatham scored Elkin's only touchdown.

The lineup for the two teams follows:

Elkin—Hall, Harris, Dillon, Wade, McNell, Sale, Hall, Trammell, Chatham, Cothren, Burcham.

Subs—Harris, Dick Rhodes, Powers, Hall, G. Chatham.

North Wilkesboro—H. Jones, Tomlinson, Pearson, Jarvis, F. McNeil, J. McNeil, Johnson, Ford, Gentry, Hubbard, B. Jones.

Subs—H. Brewer, J. Brewer, Forester, Manhall, Rutherford, Irvin, Ervin, O. Jones, Reynolds, Bauguss, Grayson, Faw, Kilby, Deal.

Juniors Omit Meetings

No meetings of the local council, J. O. U. A. M., will be held while the revival at the First Baptist church is in progress. It was announced this morning. The next regular meeting will be held Tuesday, October 10.

NOTICE OF SALE OF LAND

Under and by virtue of the power of sale contained in a certain mortgage executed by W. O. Gilbert and wife, Hattie Gilbert, dated March 26, 1923, and recorded in Book 132, page 2, in the office of the register of deeds for Wilkes county, North Carolina, default having been made in the payment of the indebtedness thereby secured, the undersigned mortgagee will sell at public auction to the highest bidder for cash, at the courthouse door in Wilkesboro, N. C., at 12 o'clock noon, on the 17th day of October, 1933, the following described property, located in Wilkes county, North Carolina, in Boomer township:

First Tract: A certain tract or parcel of land in Boomer township, Wilkes county, adjoining the lands of T. J. Greer, W. S. Pearson and others, bounded as follows:

Beginning on a beech, now a persimmon tree on the bank of a branch, T. J. Greer's corner, and runs with his and McNeill's line north 15 degrees west passing the post oak corner at 164 poles in all 202 poles to a stake in a branch; thence down the meanders of said branch; 80 poles to a white oak on east bank; thence south 34 degrees east 12 poles to a black oak on rocky ridge; thence south 42 degrees east 22 4-5 poles to a stake on south side of the road; thence south 25 degrees east 52 poles to a poplar on bank of branch in Pearson's line; thence eastwardly with said Pearson's line 22 poles to the beginning, containing 51 acres, more or less.

Second Tract: Adjoining the lands of J. P. Swanson, S. S. Swanson and others: Beginning on a dogwood on the west bank of a branch, running north 31 1-2 degrees east 12 poles to a stake on the bank of the branch; thence up said branch with its meanders 80 poles to a willow on the bank of the branch; thence north 14 degrees east 12 poles to a stone; thence north 52 degrees west 80 poles to a stake in J. P. Swanson's line; thence south 34 degrees west 36 1-2 poles to a stone, S. S. Swanson's corner; thence south 28 degrees east 42 3-4 poles to a stone; thence south 10 degrees west 38 poles to a stone; thence south 37 1-2 degrees west 41 poles to a stake in creek at bridge; thence south 58 degrees east 37 poles with said creek to the beginning, containing 27 8-8 acres, more or less.

Grid Schedule of N.W.H.S. Revised

Date of Wilkesboro Game Is Changed; Children's Home Eleven Is Added

The 1933 football schedule of the Mountain Lions of North Wilkesboro high school was revised Saturday with the Methodist Children's Home of Winston-Salem replacing Cherryville which cancelled the game scheduled for November 17.

The Wilkesboro game has been shifted to September 17 and the Children's Home contest added for November 24.

The complete schedule follows:

- Sept. 29, Boone at Boone.
- Oct. 6, Lenoir at North Wilkesboro.
- Oct. 13, Newton at Newton.
- Oct. 20, Morganton at Morganton, night game.
- Oct. 27, Mt. Airy at North Wilkesboro.
- Nov. 2, Wilkesboro at North Wilkesboro.
- Nov. 3, Marion at North Wilkesboro.
- Nov. 10, N. C. S. D. at Morganton.
- Nov. 17, Methodist Children's Home, at Winston-Salem.

Man Convicted of Stealing His Own Dog Is Set Free

Raleigh—Charlie Betts, Randolph dog lover, who loaned his bird dog to neighbor Marsh, then, according to the defendant, had to steal his own hunter in order to recover him, went free last week when Edwin M. Gill, parole commissioner and dog lover, said the word.

Prisoner Betts served six months for seizing his own dog. His story was that he raised (the animal, often loaned the hunter and let Mr. Marsh use the animal. The neighbor liked the beast, kept it and claim and delivery failed to get back the property. Allegation that Marsh got the dog by fraud did not convince the jury. In fact, the jury never got the evidence. Later Marsh sold the dog, the story goes, for \$100 to Bledsoe Cole, of Rockingham county. The first owner went after the dog and got him. Mr. Cole prosecuted him for larceny and he served a month and 19 days. The jury seemed never to have heard these phases of ownership and pursuit. The defendant does not get back his dog but does recover his liberty.

Much new alfalfa will be seeded in Lincoln county this fall and farmers report excellent seed beds prepared, with the land thoroughly limed.

NOTICE OF SALE OF LAND

Under and by virtue of the power of sale contained in a certain deed of trust executed by J. F. Stroud, dated May 21, 1927, and recorded in Book 146, page 56, in the office of the register of deeds for Wilkes county, North Carolina, default having been made in the payment of the indebtedness thereby secured, and demand having been made for sale, the undersigned trustee will sell at public auction to the highest bidder for cash, at the courthouse door in Wilkesboro, N. C., at 12 o'clock noon, on the 17th day of October, 1933, the following described property, located in Wilkes county, N. C., in Traphill township:

That certain tract or parcel of land, lying and being in Traphill township, Wilkes county, on the Elkin-Traphill public road, about nine miles west from the town of Elkin, being bounded on the north by the lands of Jesse Caudill heirs; on the east by the lands of Eli Sprinkle; on the south by the lands of Byrd Snow; and on the west by lands of Byrd Snow, and more particularly described as follows:

Beginning at a red oak on the east side of Little Elkin creek, and running thence north 11-2 degrees east 51 poles to a stake; thence north 69 degrees east 47 poles to a black gum; thence north 11-2 degrees east 20 poles to a stake; thence north 2 degrees east 70 poles to an old post oak; thence north 88 degrees west 80 poles to a black oak; thence north 88 degrees west 118 poles to a white oak; thence south 3 degrees west 193.5 poles to a forked white oak; thence north 76 degrees east 108 poles to the beginning, containing 145 acres, more or less. The same being the identical tract of land conveyed to J. F. Stroud by W. A. Stroud and wife by deed recorded in Book 120, page 92, office of register of deeds of Wilkes county, and being described according to survey of G. G. Ellledge made May, 1927.

Wilkesboro Grid Team Encounters Elkin On Friday

Coach Bennie Troutman Is Working Hard To Get Boys Ready For Game

The Wilkesboro high school eleven will meet Elkin at Elkin Friday afternoon in the first game on their 1933 schedule.

Coach Bennie Troutman has been working hard with his boys in an effort to get them in shape and prospects are only fair for a successful season.

North Wilkesboro defeated the Elkin boys 19 to 7 Friday afternoon here and the Wilkesboro boys have high hopes of coming through with a victory in their first game.

Besides the Elkin game, Wilkesboro has only three other games scheduled. However, negotiations with other high schools are being made and at least three or four more games will probably be added.

The Wilkesboro eleven will play Morganton at Morganton on October 5, Boone at Boone on October 21, and North Wilkesboro here on November 17.

Purlear Defeats Moravian Falls

Moravian Falls Sinks Deeper Into Cellar as They Lose 9 to 6

Purlear held on to second place and Moravian Falls went deeper into the cellar as the Purlear boys triumphed 19 to 6 in the contest between the two teams at Millers Creek Saturday afternoon.

Leslie Rhoades hurled effectively as the Moravian Falls defense cracked and as his teammates hammered the offerings of Hayes Russell, the Moravian Falls mound ace. It was the worst defeat handed Russell this season.

The bats of the Moravian Falls nine were silent during most of the game as the Purlear team coasted to an easy victory.

GATHER LOCUST SEED FOR CASH INCOME

The demand for black locust seed last season was greater than the supply available and indications are that the demand will continue through this season.

"This demand for black locust seed should offer mountain farmers a new income source," says R. W. Graeber, extension forester at State College. "The seed are not difficult to harvest and there is a good crop indicated in the western part of the State this fall. The black locust is one of the best trees for use on reclaiming washed land and controlling future erosion. The tree was taken to Germany and Italy for this purpose and is now being used extensively in those two countries. Italy is using black locust in the 500 million dollar land reclamation and soil stabilization project which is very similar to President Roosevelt's Tennessee Valley project."

Graeber finds that this country has not supplied the demand for black locust seed so far needed in the reforestation and erosion control work being conducted. Last year when the State of Indiana wanted 15,000 pounds of seed, she had to go to Germany to get the supply. Yet, the black locust is an American tree. Tennessee bought 3,000 pounds of seed from Germany also.

Mr. Graeber says black locust seed are selling for good prices. The North Carolina State Forester paid 60 cents a pound for some last season and one of the private nurseries paid a higher price.

Cockerham-Carson

Miss Zola Cockerham, of Wilbar, and Mr. Pless Carson, of this city, were united in marriage Saturday, September 23, at 11 a. m. at the office of Justice of the Peace C. M. Tevapaugh, of this city. The local magistrate officiated.

The bride is the daughter of Mr. and Mrs. P. V. Cockerham, of Wilbar, while Mr. Carson is the son of Mr. and Mrs. W. P. Carson, of this city. The young couple have many friends who wish them much happiness and success.

C. C. Camp Team Defeats Grier

Unexciting Contest Played At Fairgrounds Saturday Morning

The Civilian Conservation Camp's baseball nine scored a 4 to 2 victory over Grier Mills at the fairgrounds here Saturday morning in an unexciting contest.

Grier Mills did about everything wrong and climbed toward fame in baseball's hall of errors. They hit well enough and fielded fast at times, but could never get going when going meant runs. The defeat was largely due to poor base running and the effective work of the C. C. C. battery, which was composed of Dennis and Stuart.

Dennis hurled an excellent game and Stuart, nipped base runners when they attempted to steal with his accurate throws.

Rufus Taylor Is Claimed By Death

Young McGrady Man Passes At Wilkes Hospital; Funeral Held Friday

Rufus R. T. Taylor, young man of McGrady, was claimed by death at the Wilkes Hospital here Wednesday after a serious illness of a week.

Mr. Taylor was the son of Mrs. Isabell Taylor and the late John A. Taylor. He was 26 years of age, being born June 15, 1907.

Surviving him are his mother, four sisters, Mrs. W. M. Osborne, of McGrady; Mrs. John E. Osborne, of Tans, W. Va.; Mrs. Ed Tugman, of North Wilkesboro, and Mrs. Cyrus Brown, of Poca-huntas, Va., and two brothers, Dolphus Taylor and William Taylor, of Chilhowie, Va.

Funeral services were conducted from the home on Friday by Rev. Calvin Sexton, of Lansing, and Rev. S. L. Blevins, of Hays. Interment was made in the family cemetery at McGrady.

Flowerbearers were: Faye Osborne, Evon Taylor, Marie Osborne, Grace Taylor, Lillian Taylor, Edith Taylor, Bena Bell Taylor, Virginia Osborne, Sue Osborne, Clara Osborne, Minnie Osborne, Mamie Hayes, Gladys Absher, Chessie Vannoy, Ruth Vannoy, Erma Ballard, Kate Whittington, Doahla Myers, Blanche Myers, Mattie Lee Absher, Lola Myers, Clara Owens, Pauline Owens, Rachael Lovell, Mamie Absher, Ollie Taylor, Willie Taylor, Ruby Rose, Blanche Anderson, Georgie Taylor.

Palbearers were: Elmer Osborne, Sherman Taylor, Harrold Osborne, Ted Taylor, Bradshaw Myers, Cline Myers.

QUESTION AND ANSWER

Question: Is it too late to dust cabbages and collards with calcium arsenate for worm control?
Answer: If the cabbages are well advanced it would be better to apply the Pyrethrum dust rather than the arsenate but, if the arsenate is applied, there would be no danger from the poison. Either dust can also be applied to collards but, as the collar is not headed as much as the cabbage, the calcium arsenate should be used.

A Giant Who Reaches To The Sky

Surveying Party Now at Work On Jefferson Road

(Continued from page one)

able routes, will be given strong consideration.

Mr. Hackett is much elated over prospects for the immediate construction of the road to Jefferson. "Ashe county has been and is one of Wilkes county's staunchest friends and her people and ours have traded to mutual advantage ever since North Wilkesboro became a town," Mr. Hackett stated this morning.

"Ashe county has probably the largest mineral deposits of any county in the state and because of her great natural resources, scenic beauty and important products of the farm is entitled to a modern and up-to-date highway to Wilkes and the Piedmont section."

Mr. McKinley, the locating engineer, has six assistants working with him on this project and a report of the new route will probably be made within a very short time. It is hoped that the survey can be completed within six or eight weeks.

QUESTION AND ANSWER

Question: What causes chickens to pull out their feathers and how can this be corrected?
Answer: This trouble is caused by what is known as the depluming mite. The parasite burrows into the skin of the birds and causes considerable irritation with the result that the birds pull out the feathers. To destroy this mite the birds should be dipped in a solution containing 12 ounces of flowers of sulphur and 6 ounces of well-dissolved laundry soap to each five gallons of tepid water. Give the treatment on a warm day and be sure the solution reaches the skin.

Jesse Blue, a 4-H club member of Surry county, has caponized a flock of cockerels without the loss of a single bird. He is aiding the farm agent in all caponizing work in his section of the county.

30% of our children have defective vision

Every home should have - INDIRECT LIGHTING LAMPS

These attractive lamps banish glare and gloom which the Eye Sight Conservation Council of America states is largely responsible for this appalling condition among our young folk.

When growing children gather about the study table in the evening the lighting should be comfortable. It is not enough that the light is sufficient in volume—it must be without irritating glare—soft, shadowless—in other words comfortable light.

Parents should see to it that these precious eyes are protected. Either of the lamps shown here will insure such protection.

A demonstration in your home will convince you. You may own one of these lamps for a payment of only \$95 down, the balance in easy installments with your light bill.

The Cost of operation is only one cent per hour.
