A Great Occasion

Saturday will be a big day in Wilkes county when Governor J. C. B. Ehringpark.

will be an occasion when the youth of warm for the little fellows when they ar-Wilkes should pause to catch the spirit of rive. Ben Cleveland and his followers who made the mountain famous.

Wilkes will not fail to take advantage of Let's turn the picture again. She spends the opportunity to gain inspiration from her nickels and dimes for a few cards, the splendid program which is promised.

A Sensible Attitude

By expressing his belief that to the his intention to resign, effective the first every day, but it isn't uncommon. of next year, United States Marshal Watt Gragg takes a sensible attitude.

to meet the qualifications specified by pa-board. That's the same as any ordinary tronage dispenser, Postmaster General workman incurs. Have you heard that Farley, and has not been asked to resign, sort of comment? Well, maybe there's a he will voluntarily retire in a spirit that different view yet to be pointed out. When does credit to an officeholder whose job little Bobby Jones sticks a nail in his foot Mrs. Wheeler's parents, Mr. and Gentry, M. A. and I. S. Stand Charlie Miles and their wives, C. temple where the bullet had enis a political one and as such should be or Mary Smith scratches her arm over a occupied by a member of the political rough desk-not uncommon in our school party that is in the saddle.

minority party can fill public office with less than the greatest efficiency, such men

set an example for Democrats to follow when the Republicans return to power, as they eventually will unless the ebb and flow of party popularity does not continue as in the past.

Sports Review

League officials have worked out a plan which will clear up the muddled first half title race and Saturday afternoon will see North Wilkesboro playing the first game of the "little world series" with some team whether that team is Purlear, Wilkesboro or Grier Mills. Baseball fans will welcome the opportunity to see the playoff for the championship which will get under way promptly at 2:30

Ernest Carmichael, who will undoubtedly be on the mound for North Wilkesboro Saturday, holds a unique record in the local baseball league. The local hurler has won 6 games and lost none since joining the North Wilkesboro club.

opponent, no matter what team he opposes. Lee Mullis, of Wilkesboro, Johnnie Osborne, of Grier Mills, and Leslie Rhoades, of Purlear, are not to be under-rated as hurling opponents.

The umpiring in the game between Text: Romans 1:16. Grier Mills and Wilkesboro last Saturday The lesson introduces us to a new city, a new was something to be proud of. The habit man, and a new word. The new city is Antioch, has been to put the umpire out instead of the capital of Syria, at that time the third metrothe player and this sort of thing will not polis of the world, with a population of half a be tolerated in the series of three games million, and conspicuous for its wealth and magwhich starts Saturday.

umpires who get in trouble. Charlie Morpressive missionary work among them carried on an's decision in the World Series last by Paul and his colleagues. Are we prepared upon where that skin is going?

The Teacher

The teacher-you'll find her in the schools of Wilkes laboring with studious, indifferent and dilatory children. They're His neighbors are glad to know all grouped together, the advanced stu-that after a brief illness Mr. Dan dent, the average student and the laggard. Hamby is much improved. She the teacher finds them thus in from one to seven grades, depending upon whether she is teaching in a one-teacher school or one of the larger consolidated schools.

Teaching is easy. The teacher is well paid for the time she works. Why she only works from 8:45 in the morning until around 4 o'clock in the afternoon. Haven't you heard those statements from a dozen different sources? If you have, perhaps you'll be interested in a fuller picture.

She arises—we're still speaking of the teacher-early in the morning, has breakfast and then dresses in the best clothes she can afford—it wouldn't do for the haus will on behalf of the state of North teacher to go indifferently dressed. And Carolina formally accept the magnificant instead of going to school at 8:45, she gift of Rendezvous Mountain as a state must arrive at the building shortly after 8 o'clock so that she will be there when Although formal acceptance has been the children begin to arrive. And then, delayed since 1926 when the donation was too, not infrequently she must serve as made, the unveiling of the D. A. R. tablet janitor, build fires and have the building

Of course she has leisure time after It is to be hoped that the people of school closes for the afternoon. Does she? some construction paper, a miniature printing press and then goes home to make posters, print flash cards and concoct other plans to create a greater interest on the part of her school children in victor belong the spoils and announcing their work. Maybe, she doesn't do this

She has no expenses other than going Although Marshal Gragg is understood to and from the school or the cost of her buildings—teacher has the task of looking Marshal Gragg has been an efficient public servant. If there were left any doubt that members of North Carolina's home.

But she does have Saturdays off and as Gilliam Grissom and Watt Gragg have that's more than most of us get. Sure, removed that doubt. why certainly. But is it true? No, teacher By taking the attitude Marshal Gragg must keep up with what is going on in has taken, Republican officeholders can the educational field and in the county system. Once or twice a month she attends a district or county teachers meeting.

> However, she does have four months vacation each year. No getting around of Mrs. Sily Byrd, Mrs. Myers' was that these meetings have that. Maybe not. But in order to keep mother, of Clingman, leaving a furnished a "background" for abreast of the times, she goes away to summer school and spends a good part of her hard-earned money.

> Teacher does all these things willingly, glad to do her job and do it well. For the job she gets maybe an average monthly salary for the eight months of \$65. Surely there is no greater test of the lovalty of the members of the profession. From two to four years of college training brings her no larger salary than the at Mr. Robert Keys. There were school. Be it remembered that average high school graduate gets, but she fifty guests who did ample jus- Rev. Miles, Messrs. Gentry, works diligently at her tasks, unmindful of the monetary return. Perhaps she will be rewarded by the success of some of her boy and girl students.

Teaching is a cinch. It is gravy money. Sure. Why not try it some time?
