

LAST CALL

At These **LOW PRICES**

Sale Ends **SATURDAY, Oct. 21**

Once more we say: "Hurry!" Just **TWO DAYS** to "get under the wire" before higher prices go into effect!

Speaking For Our Association:

This Sale, which comes to an end next Saturday, October 21st, has been kept going ever since July 24th, to give our friends in this community ample time and opportunity to save by escaping higher prices. We will say, frankly and truthfully, that it has been maintained at no small inconvenience and financial disadvantage to ourselves, but we have been glad to make this contribution to local welfare and to live up to our claim that "WE DO OUR PART."
