Wilkesboro Loses To Harmony Team

Outlasting the Wilkesboro Ramblers, Harmony high school eleven scored three touchdowns in the last half to win 19 to 0 in a game played on the Harmony gridiron Friday afternoon.

Both teams appeared to be evenly matched during the first and second periods, the half ending in a scoreless tie. The Harmony boys came back strong in the second half to score on touchdown in the third period and two in the final quarter to win handily.

The defeat was something of an upset, pre-game predictions being that Wilkesboro would win.

Cardwell Finishes Year As Leader of Men's Bible Class

Turns Over Helm To His Successor, H. V. Wagoner; Fine Meeting Held Recently

Genio Cardwell, who for the past year has been President of the Men's Bible Class of the North Wilkesboro Methodist church, presided for his final time Sunday morning. During his term of office there has been an increase in attendance for the year. One of his major projects was the subscribing for \$500.00 of Building and Loan shares towards the fund for a new Educational Building. Another outstanding feature of the year was the exchange of teachers between the Baptist, Presbyterian and Methodist Bible Classes, and the final mass meeting of the three classes which was addressed by Rev. Eugene Olive. The class also supported the city welfare program and contributed as a class to the Christmas Cheer Committee last Christmas.

Two fellowship programs were held during the year, one at the home of J. D. Moore and the other a few days ago in the American Legion Hut. Seventy-nine people attended the recent gathering. Sam Cassel presided. Rev. Eugene Olive spoke the invocation. A committee of ladies served a delicious supper. Music was furnished by Rev. and Mrs. Eugene Olive, Mrs. P. J. Brame, Mrs. J. H. Armbrust, and the class quartet, consisting of Dew-

Wagoner, second bass; Howard Wagoner, first bass; and Russell Hodges, second tenor.

During the closing moments Genio Cardwell presented, in behalf of the church, Mrs. Armbrust with a beautiful, fitted traveling bag and the pastor with a gold Hamilton watch. These were tokens of affection and appreciation.

The retiring officers of the class are Genio Cardwell, president; J. D. Schafer, vice-president; treasurer, W. W. Starr; secretary, J. M. Crawford; teacher, Prof. W. D. Halfacre; assistants, W. G. Gabriel and J. A. Rousseau.

The incoming officers are H. V. Wagoner, president; W. C. Moore, vice president; treasurer, W. W. Starr; secretary, J. C. Grayson; assistant secretary, secretary, Murphy Hunt; teacher, Prof. W. D. Halfacre; assistants, F. D. Hackett and Eugene Trivette.

Listed below are statements of the allotments which have been determined for members of the Wilkes County Wheat Production Control Association from Wilkes county. These allotments are to hold for the duration of the present wheat contracts, and they are the basis upon which adjustment payments are to be made. They have been determined by the County Allotment Committee after careful consideration of the application statements. Every effort has been made to have these allotments as accurate as possible. The maximum acreage which may be sown to wheat for the 1934 crop on each farm, under the reduction requirements of the contract, is also listed.

The Wilkes County allotment, which has been calculated from records of the United States Department of Agriculture, is 53,060 bushels. This is the total number of bushels allotted to the county under the wheat plan. The total of the individual allotments, including those allotments which could have been assigned to farmers which are not participating under the wheat program, must be in line with the county allotment figure.
