			ernment has given them this right

and they are taking that privilege. Some rumors are being circulated around town that the workers at the American Furniture plant are on strike. There is no strike. A shop committee merely asked the management to recognize the union insofar as to work only union men, and the shop was shut down, and the men now refuse to go back to work with non-union men. Some will say that is asking too much. We know it is fair and honest, and with the strength we now have in the union, why should there be an honest objection to what we
