### Lady Took Cardui And Got Rid of Pain In Her Side

Last summer, my health was bad, so I began taking Cardui," writes Mrs. H. E. Slaughter, of Norman, Okla. "My mother had given me Cardui in girlhood, so naturally I turned to it when I felt I needed it. I felt run-down and a general weakness. I had bad, dizzy headaches when everything would seem to dance before my eyes. My right side pained me so much, but since taking Cardui the pain has left me. I have taken several bottles of Cardui and have improved a great deal."

Cardui is sold at drug stores here.

### Wake Up Your Liver Bile —Without Calomel

**And You'll Jump Out of Bed in the Morning Rarin' to Go**

If you feel sour and sunk and your head looks punk, don't swallow a lot of salts, mineral water, or any other cheap or chewing gum, and expect them to make you feel any better. They contain no real benefit, but they do make you feel like you are getting something for your money.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should be kept in good health. Liquid Calomel is your friend.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul. Your skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

It takes these good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain no harmful, poisonous, or irritating chemicals, and they are gentle on the stomach, soothing when it comes to making the bile flow freely.

Get don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Beware of cheap imitations. Get the real thing. 25¢ a box. Sold at drug stores.

### Lions Receive Letter From Little Girl

The Lions club received a much appreciated letter from a little girl, who received one of the many pairs of glasses which have been given to needy children with defective eyesight, last week.

The letter was welcomed all the more graciously because Miss Livingston was the first out of the 75 or more children to receive glasses to send the Lions a letter of thanks.

Following is the letter:  
Boomer, N. C., Jan. 24, 1934  
Lions Club,  
North Wilkesboro, N. C.  
Dear Sirs:

I wish to thank you for giving me glasses. I cannot do my school work well without them. But I can do much better with them.

I want to get a high school education and college, if possible. I want to be trained for a nurse. With the money I get I hope to help support my people.

My mother is a widow. I am now in the sixth grade and I am going to Boomer school. I am eleven years old. My mother is weakly and cannot do much work. My father has been dead eleven years.

Sincerely yours,  
**ALICE LIVINGSTON.**
