# FISK TIRES

*THE BONDED TIRE*

(For Western North Carolina)

After carefully considering the merits of many lines of tires, we find that no other tire manufacturer offers you more protection, at no extra cost than does the Fisk Co. Fisk Tires are safe. They give you most insurance against accident. They have more tread rubber in contact with the road than other makes of tires.

As Wholesale Distributors of FISK Tires . . . our policy will be to offer them for sale through the independent dealers . . . Every authorized FISK dealer will give you the FISK GUARANTEE BOND to cover every size and grade of tire that carries the FISK name.
