### Teper Tavern Will Be Given Next Week

A play, "The Teper Tavern" sponsored by the Junior Woman's club of Wilkesboro will be given one evening next week in the Wilkesboro school auditorium, admission ten and fifteen cents. Watch the paper next week for announcement of date. The proceeds of play which is being directed by Miss Helen Bostic is to be used for the Community club-house.

### Miss Elizabeth Finley D. A. R. Hostess Tuesday

Miss Elizabeth Finley was hostess to the Rendezvous Mountain Chapter of the Daughters of the American Revolution at her home on E Street Tuesday afternoon. The regent, Mrs. W. C. Grier, presided for routine business, after which the program was given by Miss Ellen Robinson. Miss Robinson presented a paper of unusual interest on "Thomas Jefferson an Apostle of Democracy." Following the program a pleasant social hour was enjoyed during which time sandwiches with tea were served by the hostess.

### Miss Mary Sink Entertained At Bridge

To fete her houseguest, Miss Mary Louise Litch, of Greensboro College, Miss Mary Sink entertained at bridge at her home on Sixth Street Friday evening. The approach of March and St. Patrick's day gave inspiration to the party appointments. Three tables being placed for the game in a setting of green and white, and at the conclusion of play refreshments in two courses, which carried further the accepted motif, were served by the hostess and her mother, Mrs. C. S. Sink. To

Miss Litch and Miss Frankie Smoak the hostess presented lovely remembrances. Miss Litch, a senior at the college and a "big sister" of Miss Sink spent the week-end here with her. Miss Smoak, a classmate of Miss Elizabeth Paw at the same college, was a guest of Miss Paw during the week-end.

### Orpheus Music Club Met Saturday Afternoon

Misses Marjorie and Helen Dula were hostess to the members of the Orpheus Music Club at their home in Wilkesboro Saturday afternoon. After the business session an interesting program on the life of John Phillip Sousa was given with Miss Marjorie Blevins being in charge. Miss Pauline Church read a poem, "John Phillip Sousa." A feature of the program was one of his marches, "El Capitán" played as a piano duet by Marjorie and Helen Dula. Miss Helen Johnson gave a splendid paper on our marine band. Several instrumental numbers completed the program. A social hour followed the program at which time delightful refreshments were served. Misses Elizabeth Neel and Roelle Osborne were announced as the next hostesses.

### Miss Frances Cashion Honors Mrs. Cashion

Miss Frances Cashion gave a delightful surprise birthday party in honor of her sister-in-law, Mrs. John Cashion, in Wilkesboro on Monday night on Mrs. Cashion's birthday. All the guests met at eight o'clock at Mrs. Cashion's home.

Games and contest were enjoyed during the evening.

Mrs. Dick Cashion came in with a large cake of white, topped with pink candies.

Mrs. James Lowe assisted Miss Cashion in serving delicious refreshments. Mrs. Cashion received many beautiful gifts.

### TRAPHILL HIGH SCHOOL AND COMMUNITY NEWS

TRAPHILL, Feb. 26.—On account of the inclement weather the Traphill high school boys and girls did not go to Mount Pleasant to play basket ball last Thursday. The game will be played at a later date.

Both the C. C. Wright and the Ciceronian Literary Societies rendered interesting programs last Thursday.

The Parent-Teacher Association met at the school building Thursday night. The devotional exercises were conducted by Rev. Shaw, pastor of the Methodist church. Besides very interesting talks by the president, Mr. C. D. Holbrook, and Prof. D. R. Wright and Miss Beatrice Holbrook on the importance of the Parent-Teacher Association, two plays were given by the high school and grade students, respectively.

Mr. C. M. Dickson spent the week-end with home folks in Ashe.

Misses Ruby Cox and Wyleen Dickson, who have been out of school for the past few days on account of colds are back in school again.

"Uncle" Harding Holbrook, who has been somewhat indisposed for a week or so, we are glad to know, is better at this writing. Uncle Harding has wonderful recuperative powers for a man of his age. He was 99 years old on the fourteenth of January.

Barley and oats in Catawba county have been so heavily damaged by recent cold that re-seeding is necessary, report many growers.

J. A. Wilson, of Lincoln county, has been appointed farm agent in Polk to succeed John W. Artz who recently went to Stanley to succeed Oscar Phillips. Mr. Phillips is county agent of Necklenburg.

### 9 College Boys Killed By Gas

Youths Die In Beds And In Study Room When Escaping Gas Assaults Them

Hanover, N. H., Feb. 25.—Nine students were found dead today in a Dartmouth college fraternity house, victims of carbon monoxide poisoning, President Ernest Martin Hopkins revealed tonight.

The dead: John J. Griffin, 20, Wallingford, Conn.; William F. Fullerton, 20, Cleveland Heights, Ohio; William M. Smith, Jr., 21, Manhattan, N. Y.; Wilmet H. Schooley, 20, Middletown, N. Y.; Harold E. Watson, 20, Wilton, Me.; Alfred H. Moldenke, 20, New York City; Edward F. Moldenke, 21, his brother; Edward N. Wentworth, 21, Chicago; American S. Demasi, 20, Little Neck, N. Y.

The bodies were discovered late that afternoon by Janitor Merton D. Little. This morning he went to the house at his usual hour, made the rounds and assumed that the boys were still asleep. He closed windows in two of the rooms so that the boys would not have to get out of bed in the cold.

Returning this afternoon, he noticed that the youths still were lying in their beds in the same positions. It was then he found they were dead and immediately notified Police Chief Dennis J. Hallifee. College authorities and Coroner Ralph E. Miller went to the house. The coroner and physicians said the deaths were caused by carbon monoxide poisoning.

Six of the students were found dead in a large study room on the second floor of the Theta Chi which also was used as a bedroom. Wentworth was in his room on the third floor. Beside his bed his white collie, the fraternity mascot, was found dead. Two other boys were in another room on the same floor.

Griffin's sister visited him over the week-end and was to have had breakfast with him this morning. When he did not keep the appointment she telephoned the house but received no answer. She then left for Wallingford.

### FORD COMPANY WILL EXPAND STEEL PLANT

Detroit, Feb. 26.—Although official explanation was withheld at the Ford Motor company offices today on the announcement that it had contracted for a \$10,000,000 expansion program in its steel mills, it was learned authoritatively that the company has no intention of producing even a major part of its own steel requirements.

The expansion plans were revealed in an announcement by the United Engineering and Foundry company, of Pittsburgh, that it had been awarded a contract to build a blooming mill, continuous hot sheet mill and a cold rolling mill at the Ford company's River Rouge plant. The announcement was confirmed at the Ford Dearborn offices.

Manufacture of steel at the Ford plants was started primarily as a salvage problem. While it already has grown to tremendous proportions, the company never has produced more than 5 per cent of its own requirements.

Even when the present program of expansion is completed, it was learned, the company probably will not produce more than 30 per cent of the steel it needs.

### Wilkesboro Girl Is Honor Student

Miss Joyce Wellborn Is Engaged In Many Activities At Mars Hill College

MARS HILL, Feb. 27.—Miss Joyce Wellborn, daughter of Mr. and Mrs. R. L. Wellborn, of Wilkesboro, who is a senior at Mars Hill College, made the second honor roll for the fall semester. Outside of her regular work she was president of the B. Y. F. U., vice president of the Non-Parial Literary Society, secretary of the Dramatic Club for the fall semester; and she is president of the Students Voluntary Union, president of the Science Club, holding minor offices in the Y.

W. A. B. T. U. and S. F. U. member of the B. F. U. Council and a member of the College Club for the spring assembly.

See Utopian World

Cleveland, Feb. 25.—A new world, approaching an Utopian ideal, is being pictured by the nation's educators. Custodians of tomorrow's talent in the fields of economics and government, the thousands of men and women here for the convention of the National Education association's association's department of supervision today heard history and prophecy couched in terms much like those of Lord Teasdale 92 years ago in "Locksley Hall."

### Roaring River Wins Over Mountain View

Boys Win But Mountain View Girls Turn Tables By Taking Game 15 To 6

ROARING RIVER, Feb. 27.—On Friday, Feb. 23, the Roaring River basketball team won over Mountain View boys, at Mountain View, 14-10, in their second meet of the tournament games.

From the outset of the game it was apparent that the Demons were outclassed. Five offensive plays by Capt. Parks, Ray and Pardue, of Roaring River, and airtight defensive work by Seagraves and Blevins made the Mountain View boys bring up the rear all through the game, except for a brief period early in the play when the score was 6-5.

Coach Eggers and his boys were clean, and put up a hard fight, but Coach Tucker's boys, who are mostly all new men this year, have improved so rapidly that the mountaineers were unable to stop them.

Pardue led the scoring with eight points. Johnson and Paul Holder tied for high place for the Demons, with 4 points each.

The sextet champion, of Mountain View, defeated Roaring River girls 15-6. The girls from the River displayed some of the best guarding that has been seen on the tournament, especially that of Cecelia Love, but the ball seemed to go everywhere except in the basket for the forwards of the same team. Love allowed Grace Hanes only four goals—that must be guarding!

Other Roaring River News Mr. and Mrs. C. M. Cook and Ray, went to Hickory Friday after school to see Mr. Cook's mother, who has recently returned from Johns Hopkins Hospital, Baltimore, where she received a radium treatment.

Two or three cases of measles in the school last week, but it is believed that there will not be an epidemic on account of one three years ago.
