Wilkes Pomona Grange leaders are of the opinion that the city has an excellent chance of securing the convention. It would bring approximately 500 of the best farmers of North Carolina here.

The club directors also voted to offer the services of kiwanians in arranging for the entertainment of postmasters at their state convention which will be held here in June or July.

A resolution asking that the good roads committee petition the state highway commission to include some of the needed Wilkes highway projects in the next letting was also passed by the directors.

President Lauded By Senator Clark At Jackson Dinner

1,000 or More Young Democrats In Raleigh For Big Get-Together

WILKES REPRESENTED

Ehringhaus Defends Administration; Doughton Hits At Republicans

Memorial Stadium, Raleigh, March 31.—With more than 1,000 representatives of every section of North Carolina present, Tar Heels' young Democratic legions tonight held their biennial Jackson Day dinner here.

Principal speaker for the occasion was young Senator Bennett Champ Clark of Missouri, and Democratic messages were brought by Governor Ehringhaus and members of the state's congressional delegation.

Senator Clark in his address, coupled praise for the Roosevelt administration with a defense of members of congress who have not "blindly" followed the President in all his policies.

Describing President Roosevelt as the most "Invincible and triumphant foe of entrenched special privilege since Andrew Jackson," the Missouri senator declared some of the President's measures were temporary and "frankly experiments" and he, along with others, could not follow them.

"Some of them to my mind have been extremely dangerous experiments and I have not always followed the President," Clark asserted. "Such I conceive to have been the theory of the fathers of the republic and such will be my course as long as I remain in a position of responsibility under the constitution."

He said he had not patience with those who "blindly" follow a leader. He pointed to Senator Bailey of North Carolina as one who had not always followed the President.

Defending the President, Senator Clark said Roosevelt has convinced the people that he stands for government for the masses instead of for special privilege and also has convinced the people that he is carrying out his pledge "to drive the money changers from the temple."

The Missouri senator declared the nation was emerging from a crisis more serious than any the nation has faced with the possible exception of the Revolution and the War Between the States.

Favors Trade Facts

Ultimate recovery, however, he asserted, will depend upon congress giving President Roosevelt the power of reciprocal trade agreements, declaring the world office of the farmers has been destroyed by high tariffs.

From the mountains to the sea the legions of young Democracy were represented by young men and young women and the Easter season was reflected in the gowns and corsages. Formal wear was intermingled with informal both at the speakers table and in

Friends of the Wilkesboro man have been urging him to make the race for sometime, but he had withheld a decision until today.

He is the son of the late Mr. and Mrs. W. F. Reins, of Wilkesboro, and is a member of one of the county's best known families. Delegation Is Instructed To Go For Duncan

Large Wilkes Delegation Is Given To Present Head of State Republicans

DELEGATES ARE NAMED

H. C. Kilby Replaces J. T. Prevette As Member of State Committee

J. M. Brown, North Wilkesboro attorney, was elected chairman of the Wilkes county Republican executive committee, H. C. Kilby and Mrs. F. M. Jennings were named members of the state executive committee from Wilkes county, the Wilkes delegation was instructed to cast the vote as a unit at the state convention for James S. Duncan, and John R. Jones was endorsed for re-election as solicitor at the county convention held at the courthouse in Wilkesboro today.

A convention which opened harmoniously, ended late this afternoon after the resolution to instruct for James S. Duncan had been hotly contested. The convention was called to order at 11:20 this morning and adjourned shortly before 5 o'clock this afternoon.

Mr. Brown was elected to succeed A. H. Casey as chairman without opposition, no other candidate being placed in nomination.

The vote to instruct the Wilkes delegation for Chairman Duncan was 88 1-2 to 32 1-2. The opposition to instructions had been defeated a few moments earlier when an amendment to allow pro rata representation for those not in favor of instructing the delegation was defeated 114 1-2 to 25 1-2.

H. C. Kilby was elected a member of the state executive committee over J. T. Prevette, a member of the present committee, by a vote of 84 1-2 to 35 1-2. Immediately after the convention, the county executive committee met and elected Attorney Kyle Hayes as secretary, succeeding J. M. Brown, the new chairman.

Complete harmony marked the early proceedings of the convention. Called to order by A. H. Casey, chairman of the Republican executive committee for the past eight years, all credentials of the township delegations were found to be satisfactory except those from Moravian Falls township where a contest was announced.

Chairman Casey appointed P. W. Eshelman, J. C. Wallace and D. C. Sebastian as members of the credentials committee, which heard arguments in the matter and decided to give both factions to the controversy equal representation in voting.

While the committee was out, speeches were made by a number of prominent Republican leaders. All of these were mainly a plea for harmony and unity. Among those who spoke were Representative Charles H. Cowles, ex-Senator Linville Bumkarn, Vance McGinnis, Solicitor John R. Jones, Henry Reynolds, ex-Sheriff P. E. Brown, J. T. Prevette, Attorney F. J. McDuffie, T. S. Bryan, Attorney R. C. Jennings, and others.

With the report in, the matter of organization was taken up. In calling Charles H. Cowles to the chair as temporary chairman, Mr. Casey expressed appreciation to the Republicans of Wilkes for their co-operation during his services as chairman and declared that he would always be found battling for the principles of the Republican party. Mr. Casey was given a rising vote of
