An Appeal To Democrats

To the Democrats: Mitchell, Avery, Wilkes, Alexander, Davis and Yadkin Counties:

You will soon be called upon in a Democratic Primary to select a successor to Judge Finley who has made known his intention to retire at the end of his term and will thereupon become an Emergency Judge with all the powers and jurisdiction that he now has, except that he will not thereafter have to hold courts on schedule.

Believing that party gratitude to one who astounded the State by his wonderful campaign for Solicitor of this district four years ago when he reduced the normal republican majority of six thousand to the small majority of four hundred and twelve, and that Democrats should nominate a man who has fine judicial temperament, splendid ability and is honest to the core, I appeal to the Democrats of the district to vote for John W. Ragland, of Mitchell County, for the nomination for Judge of the district.

John Ragland is a Mitchell county Democrat and everyone knows what that means for to live in Mitchell county as a Democrat and to love me the fight John Ragland has made means that he is of the Simon-pure variety, and to have reduced the Republican majority in the district as he did, shows the esteem with which he is held even by his political enemies.

John Ragland will, as Judge, command the admiration of everyone for his splendid judicial poise and ability, and Democrats will be proud of him. Vote for him in the primary and get your friends to do the same.

We feel that he should be compensated by our party for the wonderful fight he made for Solicitor four years ago. The eternal fairness of things demand it. Yours for party success,

C. F. LAMBERT,
Chairman Democratic Executive Committee, Mitchell County.

Man Is Killed In Truck Wreck

Wilkes Man Companion Of Marvin Teer, Killed In Wreck Sunday

Lexington, April 22.—Marvin L. Teer, 25, employe of a Durham contracting firm headed by his uncle, Nello Teer, was instantly killed here at 4:25 o'clock this morning when he evidently dozed at the wheel of a light dump truck, which plunged down a fill.

Police investigation showed the truck had skidded along the guard fence some distance until a post gave way, with the engine nosing under the wire fencing which caught the driver against the dump body and broke his neck.

Walter Eller, companion of Teer, stated he was huddled on the floor of the cabless truck at the time, having a few minutes before changed places with Teer, and the fencing passed over his head. He was uninjured.

Mr. Eller is a son of Mr. and Mrs. W. H. Eller, of Purlear.
