DEPARTMENT A-Agriculture

J. M. GERMAN, A. G. HENDREN, CLYDE R. WRIGHT, Superintendents.

(Competition Open to Wilkes and Adjoining Counties) Entries to close at noon Monday and all exhibits must be in place by 7:00 A. M., Tuesday of Fair Week.

All exhibits in Department "A" must have been grown by exhibitor on his farm or in his garden during this season.

Judge will not award any prize unless the exhibit has merit regardless of competition.

Exhibitors who desire the return of their exhibits at the close of the Fair must attend to the same in person or have a representative to do so by Saturday noon, and claim same from the superintendent of the department in which the articles are exhibited; otherwise, the Fair Association will dispose of them as seems most convenient

ELED HODY FOUND ON FARM aldosia, Ga., Sept. 10 .- The thered body of A. J. Bennett yas found on his farm near here late today. The well - known Valdostan NRA when they sell cigarettes, had left home at daybreak this under a ruling made public to-

morning, alone in his automobile. Search started when he failed

to return home during the day, revealed the body, literally hacked to pieces, under a tree near the barn on his farm a few miles southwest of Valdosta.

Bennett's slayer apparently had used an axe. Officers were not sure about the weapon and were entirely without clues tonight.
